- § 27024. Fiscal Agent.
- § 27025. Timeliness of Action on Applications for Certification.
- § 27026. Prior Certification Standards.

§ 27000. Legislative Intent.

I Liheslaturan Guåhan finds that the goal of Educator Certification is to determine whether those individuals responsible for the education of children are competent to perform their duties as teachers, guidance counselors *or* school administrators.

I Liheslaturan Guåhan further finds that throughout the United States, the certification *or* licensure of educators is a function that occurs at the state level and not in the local school districts that employ the educators. The common practice is for states to define the Educator Certification *or* Licensure standards by means of a Board *or* Commission to include local and federal education mandates. Such Boards *or* Commissions also will set up an office(s) in the state to certify and license education professionals who qualify. These Boards *or* Commissions are also responsible for determining improper conduct by the certificate holder *or* licensee is sufficient to warrant revocation *or* suspension of such license *or* certificate.

It is the intent of *I Liheslaturan Guåhan* to provide a mechanism to confer professional certification for Early Childhood to Twelfth (12th) grade educators via an external entity that is separate and apart from the entities that employ such educators.

§ 27001. Purpose.

(a) The purpose of this Chapter is to establish a system of professional development, professional standards, certification and evaluation that serves to continually improve the quality of instruction for Guam's children so that they are equipped to work and succeed in an ever-changing and increasingly complex global economy. The Guam Commission for Educator Certification is established to provide a rigorous system of certification, professional development and evaluation designed to support improved student achievement and to improve the quality of the Guam educator workforce and to improve student performance. All Department of Education educators must be certified and evaluated in accordance with this Chapter. The Board *shall* regulate and oversee all aspects of the certification, continuing education, and standards of conduct of public school educators.

(b) In proposing rules under this Subchapter, the Commission *shall* ensure that all candidates for certification *or* renewal of certification

demonstrate the knowledge and skills necessary to improve the performance of Guam's diverse student population.

§ 27002. Definition.

In this Subchapter, "Commission" means the Guam Commission for Educator Certification.

§ 27003. Guam Commission for Educator Certification.

(a) There is hereby established the Guam Commission for Educator Certification to consist of seven (7) voting members appointed by *I Maga'lāhen Guåhan* with the advice and consent of *I Liheslaturan Guåhan*, as specified in subsections (1) to (5), inclusive. The Commission *shall* consist of the following members:

- (1) a classroom teacher employed in a public school;
- (2) an administrator (principal or assistant principal) employed in a public school;
- (3) a guidance counselor employed in a public school;
- (4) two (2) members who possess a terminal degree in the subject of education from an accredited college *or* university which, as used herein, means an institution that is accredited by a United States accrediting body recognized by the Council on Higher Education Accreditation (CHEA) *or* its successor, *or* an equivalent foreign college *or* university; and
- (5) two (2) members appointed from the community at large.

(b) Appointments to the Commission *shall* be made without regard to the race, color, disability, sex, religion, age, *or* national origin of the person appointed.

(c) A Commission member is immune from civil suit for any act performed in good faith in the execution of duties as a Commission member.

(d) Members *shall* serve a term of three (3) years and may be reappointed, provided that the member continues to meet the employment criteria in the event that such member was appointed to fill a seat on the Commission pursuant to Items (1), (2) and (3) of Paragraph (a), *supra*.

17 GCA EDUCATION
CH. 27 GUAM COMMISSION FOR EDUCATOR CERTIFICATION

(e) *If* a member is appointed pursuant to Items (1), (2) and (3) of Paragraph (a), *supra*, and ceases to be employed as such, that member *shall* be considered to have vacated his or her seat effective on the date that such employment was terminated. The Chairperson of the Commission *shall* forthwith notify *I Maga'lahi* that the vacancy exists.

(f) The Superintendent of Education *or* his designee, the Chairman of the Guam Education Policy Board *or* his designee, the President of the Guam Community College *or* his designee, and the President of the University of Guam *or* his designee, *shall* serve as ex-officio member, without vote in proceedings of the Commission.

SOURCE: Amended by P.L. 31-094:2 (Sept. 30, 2011).

§ 27004. Terms: Vacancy.

In the event of a vacancy, *I Maga'lahaen Guåhan* *shall* appoint a replacement in the same class of the member that vacated his *or* her position on the Board for a term of three (3) years.

§ 27005. Officers.

The Commission *shall* elect one (1) of its members to serve as presiding officer for a term of two (2) years. The presiding officer is entitled to vote on all matters before the Commission. The Commission may elect other officers from among its membership.

§ 27006. Compensation.

II. SUMMARY OF TESTIMONY & DISCUSSION

The public hearing was Called-to-Order at 10:23 a.m.

Senator Telena Cruz Nelson, Committee Chairperson: I now like to call on Mrs. Roberta Abaday who has been nominated to serve as a Member-Community-At-Large for the Guam Commission for Educator Certification.

Roberta Abaday, Nominee: Thank you, Chairperson Telena Nelson. Thank you, Vice Chairperson Shelton and thank you, Senator Brown, for being here today and allowing us to talk about the Guam Certification Education Council.

We are very important group and I think the people who are sitting here are all very qualified for the position on the commission. My personal experience started in 1976 teaching in Palau at a middle school, elementary school. Then I moved to Guam in 1981, first teaching at Father Duenas in the private school and then onto JFK in 1987.

I retired after thirty years at the Guam Department of Education and throughout the last ten years, I've been teaching every year at the University of Guam as an Adjunct Professor. So, I have experience in elementary, in high school and in college education. I was involved in the WASC process and that since I retired I have been attending many of the WASC visits and actually chairing the majority of them that are occurring in the Marshall Islands and Maduro.

Most recently we've had to do all those virtually which as we all know is quite an experience. With regard to the educator commission, I started out with the first group and as that first group had to literally write all the laws that were related to it. I was a primary mover in getting all the laws written the first three years and then having them go through the legislature for adjudication. The second three years of my service we worked on the code of ethics and the ethics portion of our law. After the end of the year six I took a break for the three years according to the law we have to stop.

And then I was brought back in as a community-at-large member for the last three years, I've been working on SOP's with the commission members. And we are in the process now of working on the next set of SOP's to try to make more efficient the use of our system. And to make sure that we have everything lined up very clearly so the people can understand exactly what they need to do.

It has been my pleasure and my honor to be able to work with the educator commission, the people that I'm working with including the people in the office and the Executive Director are knowledgeable. They are service friendly and they try to do everything they can to assist teachers in the certification process.

I, firmly ask that you do support the educator commission by allowing the three of us to continue because in front of you, right now. You have the entire office of officers; the chairperson, the vice chairperson and treasurer. So, we would like to continue our work, so please allow all of us to continue and to work for you, for the children of the island and for the education system. Thank you very much and I humbly ask for your support.

Senator Telen Cruz Nelson, Committee Chairperson: Thank you, Mrs. Abaday. So, now I will offer the opportunity for my colleagues to ask any questions or if they have any or to make comments. We'll start with Senator Shelton, the Vice Chairperson.

Senator Amanda Shelton: *Si Yu'os ma'åse'*, Madam Chair. *Buenas yan Håfa adai*, ladies and gentleman, thank you for being here today. The appointees of the teacher certification council, thank you for being here and for your willingness to continue the work as all of you have been serving.

We're happy that you are so willing to do so and I know that it is not a group that we hear much about in the news or out in the community but we know how vital your role is to ensure that we are providing the best education to our children in the school system and so, we thank you for all that you do.

And to Mr. Alcairo, I know were here just a few months ago too and we were very excited to have you on the Guam Education Board and now to see you move onto the charter school council. Thank you very much for your willingness to do so and we look forward to your service. I know you're no stranger here in the legislature as a former Speaker of the Guam Youth Congress and employee here and we thank you for your service to Guam and your willingness to now serve the children in the charter school. Thank you.

Senator Telena Cruz Nelson, Committee Chairperson: Thank you, Senator Shelton. Senator Brown?

Senator Joanne Brown: Thank you very much Madam Chairperson. Certainly, thank you to all of you that are coming here once again to offer your service to the education community. Not all our hearings are as pleasant but I don't really have any questions. I think all of you bring significant credentials to the table with regards to other work for the certification board. Yes, you're right a lot of people in the general community are not aware of the work that you do but it's very important certainly to ensure that our teachers that are out there in the community teaching our students meet the qualifications credentials that they need to in order to educate our children.

So, thank you for the work that you do and the years of experience that you collectively bring to that work so that from your professional perspective you certainly can have a better eye of looking at making sure that everyone else is meeting those credentials and working towards their goals as well.

Senator Joanne Brown: So, good luck to you and thank you for all of you for your continued interest in serving our community. With that I appreciate the opportunity Madam Chairperson, thank you very much for the opportunity to comment.

Senator Telena Cruz Nelson, Committee Chairperson: Thank you, Senator Brown. I don't have any questions for the nominees for the Guam Commission for Educator Certification. It seems or it is apparent that you have done an outstanding job in your careers and also for the commission. And so, I'd like to thank you for your dedication and continued service to our island and our public.

We hope that's also that we can streamline processes to recruit more teachers locally to assist in the Guam Department of Education and also in our Charter Schools and Private Schools. I want to thank you for the great work that you're doing all of the policies that you helped implement and just the hard work and your amazing credentials that you do have is absolutely – it's huge.

You know I'm very grateful to see people who are competent and have the credentials behind them to show that you know a true merit system can be in place with the Government of Guam. So, thank you very much for your dedication, your perseverance especially during the time of the pandemic. And if there's anything that we can do at the legislature to assist you in your mission and vision. Please do not hesitate to reach out to us. So, thank you.

Senator Telena Cruz Nelson, Committee Chairperson: And you have our support too as well as all of the members of the commission. So, thank you very much for coming out here today. We appreciate all the hard work that you do.

And we will conclude this confirmation hearing. It is now 10:46 a.m. and we will now conclude the confirmation hearing. Thank you very much everyone and God Bless.

Thank you.

The public hearing was adjourned at 10:46 a.m.
