Testimony

Good afternoon everyone, my name is Gabby Kim. I am an incoming sophomore at JFKHS and I am also an intern at the Public Policy Institute under ^{vice} Speaker Tina Muna Barnes. First, I would like to thank you for this opportunity to testify in support of Bills 117, 118, 119, 125, 126-36. As a child, I was raised on Saipan, a small island nearby that shares the same Chamorro language and culture as Guam. Throughout most parts of my life I learned the Chamorro language and have been surrounded by its culture. However, as I aged, I began to notice that the Chamorro culture that I am very familiar with isn't known to the world as much as I thought. Especially the Chamorro language. ~~The Chamorro's only take a tiny part of the population which makes it more difficult to preserve its heritage and~~ which is ~~another~~ ^{the main} reason why I support this bill.

With the enactment of these bills with the purpose of changing the official village names to their Chamorro names, I strongly believe it will have an impact on keeping the Chamorro tradition alive on our island. It not only continues the practice of the Chamorro language but also is an effective way to make the Chamorro culture more known to the world. It will greatly affect the new incoming generations as well as the young citizens on the island of Guam. Although this may not seem like anything major, I believe it will be a progressive step in keeping the Chamorro tradition, heritage, and culture alive on our island of Guam.

Thank you for your time and attention.

Testimony

Hafa Adai everyone, my name is Dylan Kim, and I am an incoming junior at John F. Kennedy High School and an intern at the Public Policy Institute Program under Vice Speaker Tina Muna Barnes. Before I begin, I would like to thank everyone for being here and for giving me the opportunity to testify in support of Bills 117-119, 125, and 126-36. As an advocate of cultural preservation, I recognize the importance of this acknowledgement for the Chamorro people. From what I've seen, many young Chamorros today cannot speak their own language. If this cycle continues, Chamorros would end up losing their culture, language and its identity.

With the enactment of Bills 117-119, 125, and 126-36, I truly believe that the Chamorro people will celebrate the preservation and the implementation of their cultural heritage. You may think this bill simply replaces the old Spanish village names, which may seem trivial, but this is a change that's necessary for the native people of Guam. This is a small start to move our island in the right direction to preserve the culture. Although I come from an Asian background, I understand the importance of cultural identity and stand with the Chamorro people on this decision.

Thank you Chairman and Senators for your time.

- Do Hyun Kim (6/24/2021)

Bill No. 117, 118, 119, 125, 126-36

Hafa Adai, my name is Zia Sandoval. I will be a freshman in the University of Guam this fall, and I am currently an intern at the Public Policy Institute under Vice Speaker Muña Barnes. I am excited to begin this testimony by thanking you all for giving me this opportunity to testify my support of bills 117, 118, 119-36, and 125,126-36 today with the intention of changing the names of the following villages: Agat, Merizo, Umatac, Santa Rita, and Talofofo. I am honored to represent my peers who have a passion for preserving Chamorro culture. I am the daughter of two Filipino immigrants who came to Guam for a better life. I have no siblings of blood relation here, but I did not live my entire life believing that I was alone. I learned the culture and history of the Chamorro people through my childhood friend's father. Over the years, I have come to better connect and understand the struggles the Chamorro people have persevered through just as the people of the Philippines suffered throughout the reign of the Spanish.

I support the aforementioned bills as they would continue to revive lost pieces of Guam's history in respect to many of our people's ancestors who have suffered through the drastic cultural changes that had occurred centuries ago. There are many of my close Chamorro friends who are concerned about the culture fading into obscurity; I have been acquainted with many people who have a vast Chamorro family tree on island, and I found myself all the more surprised to discover that a vast amount of those acquaintances were actually unaware of how much the colonization has truly affected the island.

Many of the younger people of Guam have shown a revitalized desire to bring the Chamorro culture back to its former glory after the changes done for the village of Inalåhan. My peers and I believe that this is a push in the right direction to inform our people of our need for the revival of Chamorro cultural practices and traditions. To return something to one's ancestors is a great feat—Guam's people and their ancestors are at least owed this.

Thank you so much Chairman and Senators for your generosity and time.

Honorable Mr. Chairman and Members of the Committee:

I am testifying in favor of all the legislation re-naming the villages of the Southern End of the island in accordance with their traditional CHamoru pronunciation and in accordance with the approved orthography. I am grateful for the Legislature's interest and support on this matter. I would add that this effort is in accordance with public law. The Kumisión I Fino' CHamoru yan I Fina'nā'guen I Historia yan I Lina'la' I Taotao Tāno' has endeavored to meet these requirements in an orderly and systematic manner.

I am suggesting that Bill 125 on the matter of Santa Rita be amended to include Sumai. This was the recommendation of the Kumision and is consistent with the testimony provided by Mayor Dale Alvarez.

I will be happy to answer any questions about these legislative items and any part of the process that the Kumisión has engaged in as the Guam Place Names Commission.

Kon Respetu,

Robert A Underwood

Bills 117, 118, 119, 125 and 126 are Totally Unnecessary! Both Chamorro and English are the Official Languages of Guam!

Dear Senator Joe San Agustin,

I totally oppose the so-called "changing the names" of any and all villages and places in Guam from English to Chamorro.

So I oppose Bill 117 (Agat vs Hagat), Bill 118 (Umatac vs Humåtak), Bill 119 (Merizo vs Malesso'), Bill 125 (Santa Rita vs Sânta Rita), and Bill 126 (Talofofo vs Talo'fo'fo').

These bills are **TOTALLY UNNECESSARY** because these five villages **ALREADY** have Chamorro names.

It is really sad that people do not even know that Chamorro and English are both already the official languages of Guam.

Since Chamorro and English are both the official languages of Guam all of the island's villages already have Chamorro names.

For example, since Chamorro and English are both the official languages of Guam "Agana Heights" is already "Tutuhan."

English: Agana Heights
Chamorro: Tutuhan
Both names are correct.

One is the English name and one is the Chamorro name.

Both English and Chamorro are the official languages of Guam.

Just as "Guam" and "Guåhan" are both correct.

Just as "Agana" and "Hagåtña" are both correct.

Just as "Chamorro" and "Chamoru" are both correct.

Just as "Inarajan" and "Inalåhan" are both correct.

One is the English name and one is the Chamorro name.

Both English and Chamorro are the official languages of Guam.

So "Agat" and "Hagat" are both correct.

So "Umatac" and "Humåtak" are both correct.

So "Merizo" and "Malesso' " are both correct.

So "Santa Rita" and "Sânta Rita" are both correct.

So "Talofofo" and "Talo'fo'fo' " are both correct.

One is the English name and one is the Chamorro name.

Both English and Chamorro are the official languages of Guam.

So it is **TOTALLY UNNECESSARY!**

It is really sad that people do not even know that Chamorro is an official language of Guam.

Thank you and Si Yu'os Ma'åse.'

Subject: BILL-125 Testimonial

To: <speaker@guamlegislature.org>, <senatorjoessanagustin@gmail.com>, <senatortertajeguam@gmail.com>, <sen.cridgell@teleguam.net>, <office@senatorperez.org>, <senatortelct@gmail.com>, <senatortonyada@guamlegislature.org>, <frank.biasjr@gmail.com>, <duenasenator@gmail.com>, <office@senatorjoannebrown.com>

Hafa Adai Senators!

Si Yu'os Ma'ase' for the opportunity to submit my testimony regarding Bill-125. As I commend this bill for its intentions, I disagree with the diacritical mark change of Santa Rita to Sânta Rita. If the intent is to change the name to an indigenous one, then it is recommended that the author and co-sponsors of the bill need to conduct further research.

Simply changing Santa Rita to Sânta Rita does not do justice for the purpose of reverting back to old place names. The village of Santa Rita was established in 1945 post World War II. I do understand that several maps note Sumai (Sumay), Talisai(Talisay) Tipalao(Tiparao), Fo'na(Fugna), Uloti(Orote) as old place names within the boundaries of modern Santa Rita.

It would only be fitting to consider changing it to Sumai as it was noted in many old maps since 1672. Many places names today are part of a larger village. An example of place names are Aniguak, Hulâle' that are technically part of Hagâ'-ña.

The villages we have today have expanded its boundaries overtime. In the 1930's, Talo'fo'fo' was part of Inalâhan(Inarajan Municipality). It eventually became its own village after World War II. Also, through oral history and historical records, the area considered original Talo'fo'fo' settlement is within the vicinity of the Talo'fo'fo' and Ugum rivers.

Personally and based on reviewing old maps through research, I recommend Sumai to be the official village name within the boundaries of the contemporary village of Santa Rita. Place names within the village would still exist as Talisai, Tipalao, Fo'na, and Uloti. Sumai is also fitting as many residents of modern Santa Rita are have roots there. I also support Bill 126 to revise the spelling of Talofofo to Talo'fo'fo' to include the diacritical mark (glottals) that give meaning to the name.

I look forward to further dialogue, research, and discussion of other village names. Please look into changing Tamuning to Apotguan and Barrigada to Tiyan.

I've also attached various maps to support this testimony.

Senator Telo T. Taitague: *Si Yu'os ma'ase'* so just mostly Mr. Chair and I take no offense that I'm not your favorite Taitague, Republican Senator however I know I'm your favorite Taitague Republican Senator. *Si Yu'os ma'ase'* Mr. Chair and colleagues, *Si Yu'os ma'ase'* for joining me in this Public Hearing for five additional bills which proposes to change the official name of five of our southern villages. Mr. Chair with your indulgence, I respectfully request to provide my opening and closing remarks covering all five bills and in the interest of time to allow members of the public to offer comments for one or more of the bills when they testify if they so desire. Mr. Chairman, **Bill 117-118-119-125-126** build upon the work this 36 Guam Legislature has made beginning with the beautiful village of Inalahan, to restore *CHamorro* names of all our village, it's not a change, it's to restore I think, Mr. Chair, I thank you, Mr. Chair and other co-sponsors of these measures of these measures for joining me and recognizing the importance of restoring *CHamorro* names of our village in a broader effort to preserve to perpetuate and to celebrate our indigenous language, culture, tradition in every way possible. The **117, 118, 119, 125** and **126** builds to upon the work this 36 Guam Legislature has made. Beginning with the beautiful village of *Inalajan*, to restore *Chamorro* names of all our villages. It's not a change, it's to restore.

I thank Mr. Chair, I thank you, Mr. Chair and other co-sponsors of these measures for joining me and recognizing the importance of restoring *Chamorro* names of our village in a broader effort to preserve to perpetuate and to celebrate our indigenous language culture tradition in every way possible. The **117, 118, 119, 125** and **126** seek to recognize the villages of Agat, Umatac, Malesso, Merizo, Santa Rita and Talofoto by the names known by generations before us. Namely Hagat, Umatac, Malesu, Santa Rita, Talofoto. Mr. Chair with respect to Santa Rita. I understand the village name may be further modified based on comments offered during the public hearing, conducted by *ikomoshon* which held in what was held in Hagat, on April 13, 2021. I attended the public hearing of the *ikumoshon* on April 13, 2021 and would like to thank Hagat Mayor Kevin Susuico, and Vice Mayor Christopher Fejeran. *Humatuck* mayor John Quinata, Malesso mayor Ernest Chargualaf, Santa Rita mayor Dale Alvarez and Talofoto mayor Vincent Taitague for supporting the restoration of their prospective villages in their *CHamorro* name.

I thank the residents of these villages for showing up to the *ikomoshon* public hearing and for collectively expressing a strong desire to take some but important steps such as the restoration of the *CHamorro* village names in order to connect with the Guam *CHamorro* identity Sumay village, Fina village, Faja bay pre-Spanish settlement areas caves, rivers and springs and fertile fishing grounds are just some of what southern villages are well known for. Mr. Chairman, our *CHamorro* ancestors called these beautiful places our southern villages Haggat, Umatak, Malesso, Santa Rita, Talafoto home and they took good care of the land and water resources so that we and generations after us can forever call Guam home. Mr. Chairman our southern villages are peaceful and picture west with historical sites attracting not only tourists but residents from across our island who perhaps want to discover or rediscover in some cases our island's rich history and culture?

In closing, Mr. Chair, I can reiterate enough some of the comments I offered during discussions during the Inalahan name restoration effort where I quoted Dr. Catherine Hodgins testimony on legislation renaming our island's capital city. Dr Hodgins wrote that decades of colonial administration and the imposition of foreign ideas and concepts

have nearly obliterated our historic, our history heritage and identity as people and that we have had to rediscover ourselves, our thoughts and ideas and perhaps someday we can restore all that we have lost Mr. Chair, well measures such as **Bill 117, Bill 118, and 126** may seem like simple policy proposals. I believe these proposals will help to gradually reshape the lens through our children and young adults identifying our CHamorro history language and culture. I look forward to listening to the testimony today and I am beyond excited that this legislature has recognized how important these bills are to preserving perpetuating and celebrating our *CHamorro* language and culture *Si Yu'os ma'ase'* Mr. Chair.

Chairman Joe S. San Agustin: Thank you, Senator Telo, we'll begin with *Inalahan* mayor you'll be testifying on in reference to **Bill 126-36**. I'm going to identify each bill that you're testifying on so as you testify all right, okay.

Vicente Taitague, Mayor of Talafofo: Yes, Senator, for the record my name is Vicente S. Taitague, mayor of Talafofo, **Bill number 126-36 (COR)** intends to change the official name of the municipality of Talafofo to its *CHamorro* language name for this process is not only mandated by law but in the near *inafrasi*, I never see any controversial issue in doing this or negative impact in the municipality of Talafofo. it's a process that we need to do to correct the mistake of the past so therefore let the records show that the Talafofo MPC support the internal **Bill Number 126-36**. Thank you.

Chairman Joe S. San Agustin: Thank you very much mayor, we will now move to Mayor Quinata from Umatac. He will be testifying on in support of Bill Number 118-36 (COR) sir, mayor.

Johnny Aguon Quinata, Mayor of Umatac: *Si na'an hu si* Johnny Aguon Quinata mayor Umatac and all committee members today is a momentous day for my people of Umatac. Today we celebrate and honor our culture history, our native language by resuscitating the name of our municipality from Umatac. To my people are overjoyed with this amendment as this was one of our many goals to accomplish. This may seem like a small step for others but this is a huge stride for us in our beautiful village. We strive to keep our traditions alive. This is one of the many ways we can continue to sustain and encourage the practice of our culture, we hope that this is will inspire others to do the same by fostering this practice. We are allowing our heritage and culture to beautifully shine through as stated in my written testimony. Umatak is the true name and should, the true official name we thank you, Senator Telo Taitague, Clynton Ridgell, Joann Brown, Therese Terlaje, Christopher Duenas, Anthony Ada, Frank Blas Jr., Joe San Agustin, Sabina Flores, Tina Muña Barnes, Jose "Pedo" Terlaje. My memorial colleagues, the Mayor's Council of Guam and last but not least my beautiful people of Umatac, this is for You biba Umatac and God bless all of you.

Chairman Joe S. San Agustin: BIBA, now we'll have mayor Susuico, from Agat on **Bill 117-36 (COR)** sir, mayor.

Kevin J.T. Susuico, Mayor of Agat: *Buenas and Hafa adai* honorable senator Joe S, San Agustin, honorable senator and author Telo Taitague of **Bill 117-36**, honorable senators of the 36th guam legislature who have co-sponsored this bill and all honorable senators who are present at this hearing today, for allowing me the opportunity to provide testimony in support of **Bill 117-36**. My name is Kevin J. T. Susuico a lifelong resident, a humble public servant and the mayor of the municipality of the beautiful village of Agat, as a young leader of our island it saddens me to not only see but to feel the loss of our culture, our language and our history since taking office in 2015.

It has been my personal promise to myself, to follow the heartfelt pledge of the interference created by the late Dr. Bernadita Camacho throughout history and the long-lived stories of the past. It has been written that our village of Hagat existed since the late 1600s.

Our village of Hagat known as the gateway of the south and is filled with history culture and traditions if we want to preserve what's left. Our generations to come now is the time now is the time for us to do this. Change is what is to preserve what's left of our generations. We must have a positive outlook and start something new. It's a process which occurs from experiences of the past, the present and the future. We can no longer wait while the world evolves into its own creation, while our beloved island follows the movement and loses its identity renaming our village of Agat to Hagat, may be, may not be a huge significance to many but it is of significance to those who have laid the foundation of our history for our people. It is significant for those who are fighting to keep the spirit and the teachings of our ancestors of the *CHamorro* people alive with many efforts in place. To teach and instill the values of our culture, the village of Hagat will continue to take part in that effort. We know that language is a vital part of any culture and we would like to start with the renaming or restoring of our village name from Agat to *Hagat*. We must keep the history alive by addressing the village with this historic name of *Hagat* for future generations and visitors to appreciate the identity and the impact of those who came before us saying *Si Yu'os ma'āse'* to each and every one of you for this opportunity in allowing me to speak on behalf and in support of **Bill 117-36** and a humbly request for your support and the passing of this bill. I also like to mention that our MPC is also in support of this bill *un dungkulo na si Yo'us ma'āse'* thank you mayor

Chairman Joe S. San Agustin: We will now proceed to **Bill 119-36 (COR)**, mayor Chargualaf from the village of Malesso.

Ernest T. Chargualaf, Mayor of Merizo: *Si Yu'os Ma'āse' Chairperson, Buenas and Hāfa Adai* senators, thank you for the opportunity to come before you to express my support for the record my name is Ernesto Chargualaf, the mayor of Merizo. I want to thank you for you thank all of you guys and the members who have signed on to co-author the bill and as you all may know Merizo and Malesso. *Malesso* have always been historically used interchangeably to refer to my village. Merizo being the given name *Malesso* being the culture of *CHamorro* name, as you may all know *Malesso* was derived from and associated with the annual *manahakr*. The juvenile rabbit fish that we are all been famous for as we all have the most abundant and longest run throughout the island. *Malesso* is I would say center, well I got maybe the gateway, we are the heart and soul of the fishing industry down there because we have probably the largest lagoon but *Malesso* is because of the lesser of the *manahakr*. The larger species of the two varieties of the *mayan* and it's abundantly caught every year. Historically and the lesser is the one that can go straight into the net while the hot tank the smaller version have to be hurried in and earth into the nets we have been known as *Malesso* because of that. And you know senators, like all my colleagues say we need to perpetuate our language and make sure that through history our children can identify and if anything, at least like my nephew mayor Chargualaf said at least our small name of our villages can remain but at least do something to perpetuate our language and I thank all of you guys you know, that for the opportunity once again. I'm sure my people the majority of my people will support just as I have supported this because I represent the voices of my village maybe not everybody but the majority and I thank you very much.

Chairman Joe S. San Agustin: *Si Yu'os ma'āse'* marcia thank you mayor Chargualaf, now we'll have **Bill 125-36 (COR)**, I'm not going to say my favorite village from Santa Rita because my wife is from Santa Rita, the *qualafon* family. but mayor Alvarez please.

Dale Alvarez, Mayor of Santa Rita: Good afternoon senators, senator San Agustin, the sponsor for the bill, senator Telo, speaker Terlaje and Joanne, senator thank you for inviting me here to testify for the bill yes, I am in full support of the bill because in reality the name wasn't changed it's just maybe the pronunciation from Santa Rita to Santa Rita. The people of Santa Rita were located after the war. They came from Sumai so that's why I really did like to put Sumai in the name of Santa Rita, Sumai so, like I said with my colleagues here telling their stories about the villages we from Santa Rita came from Sumai with Sumai was the supposed to be the captain of Guam until the war came so it's a very productive village but yes, I am in support of Santa Rita, thank you.

Chairman Joe S. San Agustin: Thank you mayor as a matter of fact I was speaking to senator Telo and she's going to give me the appropriate amendment on the bill so we can add the Sumai on this now that's being said gosh I'm in full support of all the changes. I have family on every village that exists here today testifying and I'm proud and you know many of the folks from all the villages have asked me when I asked him *Hafamoun* what do you think about the name change you know what they say they sent *CHamorro* so you know what that's why we're doing this hearing today, we were supposed to do it last week but timing was scheduling was not good but we're going to do it today and if time permits, we'll wrap it up and I'll convince the speaker to accept it. We add it on to the agenda so we can end the issue with the villages, we do have one testimony that came in that that opposed it and I'm going to go ahead and read it so that you know that we did get received one testimony against it came from Mr. Patrick Zerzan. **(SEE ATTACHED TESTIMONY FROM PATRICK ZERZAN)**

Chairman Joe S. San Agustin: I accept the opposing statement but I'm supporting these bills and we'll move on, okay, I can't please everybody but we can, there's more to please here and with that message I asked Senator Taitague if she has any questions to the panel because we do have a former delegate Underwood outside. This one's testifying on support of the bills and we have two other individuals no just let's sit down first but, Senator Taitague.

Senator Telo T. Taitague: *Si Yu'os ma'āse'* Mr. Chair, just going to say that for the sake of time that we also have another testimony that was brought in by Zia Sandoval who's a freshman at the University of Guam and she's actually in short, she is a daughter of two Filipino immigrants who came to Guam for a better life and had no siblings, blood relations here and that she stands in full support of this legislation to keep the Guam history in respect to many of the people's ancestors who have suffered through drastic cultural changes that had occurred centuries ago.

There are many of my close *CHamorro* friends who are concerned about the culture fading into obscurity. I've been antiquated with many people who have a vascular family tree island and found myself all more surprised discovered that the vast amount of and quantities were actually unaware of how the colonialization has truly affected the island so other than that Mr. Chair, this is in full support of the measure and appreciate her testimony that's all. I have, I just think the mayors that are here today totally respect the jobs that they do and the villages they serve because you know I've always considered myself a southern girl, and I always will until the day I die so, thank you so much for being here mayors thank you *Si Yu'os ma'āse'*.

Chairman Joe S. San Agustin: Thank you Senator Taitague, madam speaker do you have any questions or comments for the panel?

Speaker Therese M. Terlaje: No questions I guess although mayor Alvarez, if I could just ask you about the Sumai so the recommendation is to add Sumai is you're in an agreement with that the s-u-m-a-i also okay and I know what I think one of you said that the municipal, the mayor of Hagatt said that the municipal planning councils also agree a beautiful historic moment. I'm proud to be part of it. I'm happy that the sponsor of the bill is moving this all at the same time and I'm glad for what you've testified that most of you have said that this is going, is something we should do for future generations especially so that they are going to be very, very clear as to the history of their villages and I think that your testimonies have also helped to revive that in debating the name and where are the boundaries that we have kind of you know stumbled upon also just a lot of more talk about the history of these villages so I want to thank you for all that and again of course thank you for all your work but most especially thank you for being here today and *Si Yu'os ma'ase'*.

Chairman Joe S. San Agustin: Thank you, thank you madam speaker, Senator Brown do you have any comments or questions to the panel?

Senator Joanne M. Brown: Thank you very much Mr. Chairman and certainly thank you to all our mayors that certainly I echo my comments and my fellow colleagues in recognizing to have all our southern mayors and also to have mayor Chargualaf from Inalahan. I was not too long ago we were down in his village to celebrate the formal name change back to the original from Inarajan as we grew up in Inarajan as we grew up listening and hearing to Inalahan and the sense of pride certainly that he and the residents in his village expressed. I was even more impressed going because I didn't realize too the extent, the celebration of pride that would come out and being there being able to share that time with your residents down there.

Mayor in recognizing you know our history of who we are, where we come from and we've certainly gone through a time in our history where a lot of efforts were made to erase who we are and the Americanization of Guam, all of us may come from you know our *CHamorro* our *CHamorro* ancestors and part of us have a little mix here and there including myself but being from Guam living here most of my life being raised here I have a greater and greater appreciation for our history. A greater appreciation for my well my mom was born after the war but my grandparents that lived through the wars many of us the hardships that our people have gone through to get to where we are today and I think it's important to acknowledge that it's important to have that sense of pride and certainly for the young people coming up now that they have an opportunity in this whole revitalization of our culture and our history and our sense of pride.

I look at Guam as the center of the world, we can go anywhere from here and the fact that we are from here, more the reason that we have to support and display what is special and what is unique of us at a time when the world is almost becoming the same so I'm definitely supportive of it thank you to each of you for coming and expressing your support and we look forward to sharing and seeing more of who we are and expressing more of who we are as a people through things like this some people might think oh it's insignificant but it says a lot about who we are and where we're from and the pride that we have in our own home village, that we come from so I'm definitely supportive and

thank you also you know to Senator Taitague for moving forward this initiative and doing what has been a long time in coming and it really is a greater expression of who we are and who our

identity is as a people some people think it's just a simple name change but there's a lot of meaning, there's a lot of meaning in this so with that thank you very much Mr. Chairman, thank you again to our mayors for coming in down and providing your testimony this afternoon, thank you.

Chairman Joe S. San Agustin: Thank you Senator Brown, I'd ask now the panel, thank you for your testimony. We have three other individuals that will be coming in and we won't have any more questions from the mayors. We have Delegate Underwood coming in and two other individuals are all in support of the bills okay so thank you for coming take care BIBA *taotao* Guam. All right and thank you for the people of Guam for being patient.

We have three individuals to speak, I'll have them address their name and their title if any or the office they represent and we'll begin with first of Delegate, former delegate Robert Underwood, sir.

Dr. Robert A. Underwood, History, Commission on CHamoru Language and the Teaching of the History and Culture of the Indigenous People of Guam: *Buenas Tardes, Håfa adai*, I'm Robert Underwood, I'm Chair of the naming Committee of the *KumisÓN* final samurai. I'm just here testifying in favor of all the legislation. It's not really renaming the villages and people should understand that we're not renaming the villages, we're just spelling them according to their *CHamorro* pronunciation so no one is renaming these villages on the southern end of the island, in accordance with the traditional *CHamorro* pronunciation and in accordance with the approved orthography. I'm grateful for the legislature's interests and support on this matter. I would add that this effort is totally in accordance with public law that's what public law asks that be done hasn't been done up to now.

The commission has endeavored to meet these requirements in an orderly and systematic manner. I am requesting as acknowledged by mayor Alvarez that **Bill 125** on the matter of Santa Rita be amended to include Sumai, this was the recommendation of the commission and is consistent with the testimony provided at that time by mayor Dale Alvarez. I'd be happy to answer any questions about these legislative items and any part of the process that the *KumisÓN* has engaged in as the Guam plays name commission thank you.

Chairman Joe S. San Agustin: Thank you sir and I know we have I think is Dylan Kim and Gabby Kim, both okay we'll begin with ladies first okay we'll start with you. Thank you.

Gabby Kim, Intern, Public Policy Institute: (SEE WRITTEN TESTIMONY).

Chairman Joe S. San Agustin: Thank you and you sir, can we get a copy of her testimony after today.

Dylan Kim, Intern, Public Policy Institute: (SEE WRITTEN TESTIMONY).

Chairman Joe S. San Agustin: Thank you, sir thank you very much I really appreciate it we'll begin with Senator Telo, do you have anything for the panel.

Senator Telo T. Taitague: *Si Yo'us ma'áse'* Mr. Chair and I'd like to thank you especially the youth being here today and inspiring us people like my age you know to remind us of the importance of the next generation and why we're here today to preserve this for you, and I greatly appreciate for you coming today thank you so much, and to the *Kumison* try to make all the

meetings that your having out there and try and be there to hear what the villages have to say and what the mayors have to say so that I can bring back to my colleagues. You know the comments and concerns that are brought down and I greatly appreciate you being here today to provide your testimony, Dr. Underwood and for the work you're doing. I know it's important to you, it's very important to me as well it's about restoring the names back, it's not changing, it is restoring so thank you so much Dr. Underwood for continuing this quest and this journey to make the wrong right, again *Si Yo'us ma'áse*'.

Chairman Joe S. San Agustin: Thank you, Senator Taitague, Delegate Underwood, I'm reading your testimony, you wanted to add Sumai on **Bill 120** with Santa Rita how did you propose that, it'll say Santa Rita and then slash or dash.

Dr. Robert A. Underwood, History, Commission on *CHamoru* Language and the Teaching of the History and Culture of the Indigenous People of Guam: Dash.

Chairman Joe S. San Agustin: Oh, okay, all right Speaker Therese, do you have any questions for the panel?

Speaker Therese M. Terlaje: No, I guess it's just that the Sumai one that's kind of confusing once somebody texted me about this a two-village municipality or one and it's just one, was is the original Sumai includes also this whole area or were they originally two areas?

Dr. Robert A. Underwood, History, Commission on *CHamoru* Language and the Teaching of the History and Culture of the Indigenous People of Guam: I'm not sure, I'm sure that you know the boundaries of that are approximately the same and so it's the definition of that, is that currently as Santa Rita is described in the law, it includes Sumai

Speaker Therese M. Terlaje: Right, I see that.

Dr. Robert A. Underwood, History, Commission on *CHamoru* Language and the Teaching of the History and Culture of the Indigenous People of Guam: So that's always been there it's the same thing I just might add that the same thing with Yigo and Anderson, Air Force Base and most of Anderson Air Force Base before the war was called Upi so you know it would be similar to that you know calling it, I guess you could call it Yigo, Anderson Air Force Base or you could call it *Yigo upi* or you could just leave it at Yigo. You know that's, those are all kind of live options but in this one, we certainly wanted to recognize Sumai because it was the originator of the area and Santa Rita is sort of came later you know of course I'm just trying to clarify whether the original Sumai also included the area, that area all the way up the hill okay

Speaker Therese M. Terlaje: So, the boundaries here are it looks like Naval Magazine?

Dr. Robert A. Underwood, History, Commission on *CHamoru* Language and the Teaching of the History and Culture of the Indigenous People of Guam: It includes a Naval Magazine.

Speaker Therese M. Terlaje: So, all right so I'll just one more time so all of that was originally.

Dr. Robert A. Underwood, History, Commission on *CHamoru* Language and the Teaching of the History and Culture of the Indigenous People of Guam: Sumai.

Speaker Therese M. Terlaje: So, I have no further questions but just want to thank you all for your work and I know that you've been going to all these hearings through are conducting hearings so get public input on this it can.

Dr. Robert A. Underwood, History, Commission on *CHamoru* Language and the Teaching of the History and Culture of the Indigenous People of Guam: It can be a lot of fun as you know.

Speaker Therese M. Terlaje: I want to thank you and I thank you both for your testimony very helpful as well. I think it's important your perspective as younger generation because some of the mayors came in here and said we're doing this in part for the younger generation so I appreciate that you are also in support and you recognize that value as well thank you, *Si Yo'us ma'áse'*.

Chairman Joe S. San Agustin: Thank you madam speaker, Senator Brown do you have any comments or questions for the panel?

Senator Joanne M. Brown: Thank you very much Mr. Chairman, I certainly echo my appreciation to Dr. Underwood and his continued service to our people and working on what is a very important project and very important process in our community so thank you Dr. Underwood for your continued contribution and your expertise and the heart that you put into the work that you do and certainly thank you to our young people here from our public policy institute and providing your testimony, it's really appreciated because having your insight and your engagements important to our community. I hope you continue to do this in the future as issues arise that are of interest or importance to you to come forth and provide that for our community, with that Mr. Chairman, I have no further comments thank you.

Chairman Joe S. San Agustin: Thank you very much Senator Brown, Senator Taitague the author of the bills, do you have any closing statement, please?

Senator Telo T. Taitague: Thank you Mr. Chair and Mr. Chair I'm grateful for all the mayors and the vice mayors and residents of the southern villages and others offering their comments on these measures. Some of the testimonies I've received have been very positive. I hope and I remain hopeful that these bills will help to inspire children and young adults to learn more about their language and reconnect with their *CHamorro* identity. The challenges we as people continue to endure and the responsibilities, we share in protecting the resources the Lord has blessed us with so the future generation will always have a safe and beautiful Guam to call home. *Si Yo'us ma'áse'*.

Chairman Joe S. San Agustin: Yes, madam speaker you want to know at the hearings on the bills that are before us were there any controversy?

Dr. Robert A. Underwood, History, Commission on *CHamoru* Language and the Teaching of the History and Culture of the Indigenous People of Guam: No, there you know there were some people on the side just asking about why this process but you know just and you know the hearings are on file so we explain what the origin of this is so pretty much once people understand that we didn't just invent this out of you know nothing it was kind of a prescription that was been in law for a while. I think people comprehend it so you know i think there's going to be obviously more controversy with the place names and so those place names are then you know are coming up. I think probably in a couple of months.

Speaker Therese M. Terlaje: So, all right thank you, very much, thank you, thank you.

Chairman Joe S. San Agustin: Thank you Madam Speaker there being no other testimony on this bill the committee will conclude this public hearing on the following bills, **Bill Number 117-36 (COR) AN ACT TO AMEND § 403(k) OF CHAPTER 4, TITLE 1, GUAM CODE ANNOTATED, RELATIVE TO CHANGING THE OFFICIAL NAME OF THE MUNICIPALITY OF “AGAT” TO ITS NAME IN THE CHAMORU LANGUAGE, NAMELY “HĀGAT.”** to its name in the *CHamorro* language namely Hagat and **Bill 118-36 (COR) AN ACT TO AMEND § 403(j) OF CHAPTER 4, TITLE 1, GUAM CODE ANNOTATED, RELATIVE TO CHANGING THE OFFICIAL NAME OF THE MUNICIPALITY OF “UMATAC” TO ITS NAME IN THE CHAMORU LANGUAGE, NAMELY “HUMĀTAK.”** **Bill 119-36 (COR) AN ACT TO AMEND § 403(i) OF CHAPTER 4, TITLE 1, GUAM CODE ANNOTATED, RELATIVE TO CHANGING THE OFFICIAL NAME OF THE MUNICIPALITY OF “MERIZO” TO ITS NAME IN THE CHAMORU LANGUAGE, NAMELY “MALESSO’.** **Bill 125 (COR) AN ACT TO AMEND § 403(l) OF CHAPTER 4, TITLE 1, GUAM CODE ANNOTATED, RELATIVE TO CHANGING THE OFFICIAL NAME OF THE MUNICIPALITY OF “SANTA RITA” TO ITS NAME IN THE CHAMORU LANGUAGE, NAMELY “SĀNTA RITA-SUMAI’.** and will amend the bill Sumai and **Bill 126-36 (COR) AN ACT TO AMEND § 403(g) OF CHAPTER 4, TITLE 1, GUAM CODE ANNOTATED, RELATIVE TO CHANGING THE OFFICIAL NAME OF THE MUNICIPALITY OF “TALOFOFO” TO ITS NAME IN THE CHAMORU LANGUAGE, NAMELY “TALO’FO’FO’.** All bills were introduced authored by Senator Telo Taitague and co-sponsored by many of the senators even the senators are present today, we have Senator Brown, myself, Senator – Speaker Terlaje, Senator Clynton Ridgell, Senator Christopher M.
