Comments on Bill No. 13-36 (COR)

1/: Bill No.13-36 (COR) is an Act to add a new Article 3a to Part 1 of Chapter 12, Division 1, Title 10, Guam Code Annotated, relative to adopting the Nurse Licensure Compact; and to add a new § 12307(d) of Article 3, Part 1, Chapter 12, Division 1, Title 10 Guam Code Annotated, relative to establishing additional duties of the Guam Board of Nurse Examiners to facilitate the Licensure of Nurses under the Compact; and to further appropriate the sum of six thousand dollars from the Health Professional Licensing Office Revolving Fund to the Department of Public Health and Social Services to fund the annual membership fee to the Nurse Licensure Compact in fiscal year 2022.

The Nurse Licensure Compact (NLC) allows a nurse to have one multistate license with the ability to practice in the home state and other compact states. To date, 33 U.S. States have implemented NLC legislation and 1 U.S. State is awaiting NLC implementation.

Section 1 of this bill notes the establishment of the Interstate Commission of Nurses Licensure Compact Administrators. §123A07(h)(2) adds, "The Commission may also levy on and collect an annual assessment from each party state to cover the cost of its operations, activities and staff in its annual budget as approved each year."

Section 2 of this bill notes the Guam Board of Nurse Examiners shall facilitate the multistate licensure of nurses under the Nurse Licensure Compact. According to the section. All applicants shall pay a fee, to be established by the Department, to offset the costs of operating and administering a fingerprint-based criminal background check system. In addition, the Board shall establish and collect fees from every applicant for multistate licensure pursuant to § 12308 of this Article. Funds from such fees may be used for the annual membership fee of the Nurse Licensure Compact for future fiscal years.

Section 3 of the bill states, "Notwithstanding any other provision of law, rule, or regulation, the sum of Six Thousand Dollars (\$6,000) is appropriated from the fees generated through the Guam Board of Nurse Examiners that are deposited to the Health Professional Licensing Office Revolving Fund (Account No. 324156344) to the Department of Public Health and Social Services to fund the annual membership fee to the Nurse Licensure Compact in Fiscal Year 2022.

It should be noted that the total appropriation given to DPHSS for the FY2021 Health Professional Licensing Office Revolving Fund was \$286,085. The appropriation level for the FY2022 HPLO Revolving Fund is yet to be determined until such time the FY2022 Executive Budget Request has been submitted and the Legislature approves of the HPLO funding level for FY 2022.

The proposed legislation may also pose a fiscal impact on the operations of DPHSS if such legislation were to be enacted. However, absent additional information from the department (DPHSS), the Bureau is unable to determine an approximate fiscal impact at the time.
