**Comments on Bill No. 3-36 (COR)**

The proposed legislation seeks to increase the gross threshold for limited exemptions on Business Privilege Tax (BPT) remittances above 3% of the business's gross proceeds from \$250K to \$500K. The proposed legislation states that the amended threshold will be in effect retroactively to January 1, 2021 and shall expire on December 31, 2022.

Per the November 2020 Consolidated Revenue and Expenditure Report, BPT collections have experienced an approximate \$7.6M collection shortfall below adopted levels per P.L. 35-99. Absent information from the Department of Revenue and Taxation regarding businesses that collect \$500K in gross income, the Bureau is unable to determine an approximate financial impact at this time. However, the Bureau notes that additional exemptions from BPT remittances will exacerbate the shortfall noted above for FY21 and the potential first quarter collections for FY22.
