**Section 1. Legislative Intent.**

*I Liheslaturan Guåhan* acknowledges the sacrifices of local Veterans to the island of Guam and recognizes their importance in the community in which they are actively a part of.

*I Liheslatura* further finds that the island wide Veterans Convention is a platform for local veterans to be able to share concerns and issues that are impacting them. In addition to this, the Veterans Convention seeks to continue to support the Veterans on Guam with available resources and to be able to have networking capabilities that further strengthen and bridging the gap for information and resources available to them.

It is the intent of *I Liheslaturan Guåhan* to support our local veterans with resources through the Guam Office of Veterans Affairs by funding the Veterans

2 that the island offers for them.
