Bill No. 95-34 (LS)

Introduced by:

Michael F.Q. San Nicolas

Thomas C. Ada

Wm. Castro

**AN ACT TO ADD A NEW SUBSECTION (c) TO §  
61543 OF SUBARTICLE 5, ARTICLE 5, CHAPTER 61,  
TITLE 21, GUAM CODE ANNOTATED, RELATIVE  
TO ELECTRONIC SIGNAGE.**

**BE IT ENACTED BY THE PEOPLE OF GUAM:**

**Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds that existing and authorized electronic signage businesses have incurred legitimate costs that may cause the Government of Guam to be liable; and that such businesses have been operating and pursuing operations in good faith.

*I Liheslaturan Guåhan* finds that as the Government of Guam seeks to modernize its electronic signage laws, it is necessary to ensure that those currently operating and authorized to operate are not unduly harmed by the government.

*I Liheslaturan Guåhan* further finds that antiquated laws should not impede legitimate businesses that are socially responsible.

It is therefore the intent of *I Liheslaturan Guåhan* that those businesses which have been granted variances or been issued a Notice of Action by the Guam Land Use Commission for such signage shall be legally authorized to operate, provided that all business license requirements are met and are thereafter maintained in good standing by adding a new (c) to §61543 of Subarticle 5, Article 5, Chapter 61, Guam Code Annotated.
