3 **Section 1.** A new subsection (e) is *added* to Article 3, Chapter 3, Title 10 Guam  
4 Code Annotated to read as follows:

5 “(e) Nothing herein shall be construed or interpreted as to prevent the Department  
6 of Public Health and Social Services from implementing a *School-located*  
7 *Vaccination* (SLV) program in any school or institution of higher learning on  
8 Guam for the purpose of administering vaccines required by subsection (a), *supra*.  
9 Such SLV program *may* additionally include, but not be limited to, the  
10 administering of tuberculin skin tests (TST), Human papillomavirus virus (HPV)  
11 vaccines, annual influenza (Flu Shot) vaccines or any other vaccines not required  
12 by subsection (a), *supra*, but recommended by the *United States Centers for*  
13 *Disease Control and Prevention* (CDC). Such SLV programs *may* be implemented  
14 in public schools, individually or on a system-wide basis subject to a memorandum  
15 of understanding between the Department of Public Health and Social Services and  
16 the Guam Department of Education.

1 To the extent allowable and practical, the Department of Public Health and Social  
2 Services *may* bill any health insurance/plan company, Medicaid, the Medically  
3 Indigent Program (MIP), the Child Health Insurance Program (CHIP) or any other  
4 party providing coverage for which the child is covered for the cost of the  
5 Vaccines/immunizations, supplies to administer Vaccines/immunizations and the  
6 administering of the Vaccines/immunizations. The Department of Public Health  
7 and Social Services is not permitted to bill any party for any vaccines or supplies  
8 that were received through federal programs or donations where the acceptance of  
9 such vaccines and supplies prohibits such billing. Revenues realized from such  
10 billing activities shall be used to cover the costs of the Department of Public  
11 Health and Social Services and the Guam Department of Education related to the  
12 SLV program and maintained in separate fund and bank account. Billing and  
13 accounting services may be administered by the Department of Administration or  
14 may be outsourced to a private accounting firm. All receipts, expenditures and  
15 financial statements shall be subject to audit and review periodically as determined  
16 by the Guam Office of Public Accountability.”
