2016 (SECOND) Regular Session

Bill No. 374-33 (COR)

As amended by the Committee on Transportation,
Infrastructure, Lands, Border Protection,
Veterans' Affairs and Procurement.

Introduced by:

T. C. Ada
B. J.F. Cruz
Judith T. Won Pat, Ed.D.
R. J. Respicio
V. Anthony Ada
FRANK B. AGUON, JR.
Frank F. Blas, Jr.

T. R. Muña Barnes
Dennis G. Rodriguez, Jr.
Mary Camacho Torres
N. B. Underwood, Ph.D.

AN ACT TO RESERVE A PORTION OF LOT NO. 5173-1-R2-NEW-R6 IN THE MUNICIPALITY OF *TAMUNING*, CONTAINING AN AREA OF UP TO FIVE (5) ACRES ± FOR USE AS A *CHAMORRO* NATIONAL SHRINE AND THE REINTERMENT OF ANCESTRAL REMAINS.

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds
3 that ancestral remains have been discovered over time from sites throughout the
4 island. Public Law 21-104 directed the Department of Parks and Recreation (DPR)
5 to establish a *Chamorro* Shrine, to be called “*Nåftan Mañaina-ta*,” for the

1 entombment of ancestral remains, but P.L. 21-104 did not designate a parcel of land
2 for the establishment of the Shrine. According to DPR, there are at least two
3 thousand (2,000) remains, including the *Hornbostel Collection* repatriated from the
4 Bishop Museum in Hawaii, that have been found, collected, and stored at the DNA
5 Building and the Guam Museum that need to be reinterred. Pursuant to Executive
6 Order 89-24, there are four (4) burial sites for disinterred ancestral remains: within
7 the Hyatt Hotel grounds; within the Nikko Hotel grounds; across the street from the
8 Lotte Hotel (formerly known as the Okura Hotel); and sites relative to the *Layon*
9 landfill. These sites are for post-1989 remains.

10 *I Liheslaturan Guåhan* further finds that *Ypao* Point (also known as Oka Point
11 or Old Hospital Point) in *Tamuning* is the most suitable location for the Shrine
12 because of its importance in the *Chamorro* cultural landscape and *Chamorro* history
13 as the site of the only *Chamorro* victory in the *Spanish-Chamorro* Wars. Public Law
14 25-179 placed the property under the administrative jurisdiction of the *Chamorro*
15 Land Trust Commission.

16 *I Liheslaturan Guåhan* further finds that there are no existing commercial
17 leases on this portion of the basic lot, and intends to prohibit the *Chamorro* Land
18 Trust Commission from commercially leasing this portion.

19 It is the intent of *I Liheslaturan Guåhan* to reserve a portion of up to five (5)
20 acres, but not less than two (2) acres, to include the coral outcropping known as “The
21 Rock”; and an appropriate buffer zone of land at *Ypao* Point for the Department of
22 Parks and Recreation to establish the *Chamorro* Shrine in order to pay homage to
23 our ancestors and provide them a final resting place on *Chamorro* lands. This
24 *Chamorro* Shrine will be for pre-1989 disinterred ancestral remains.

25 **Section 2. Reservation of Land for a *Chamorro* National Shrine.**

26 Notwithstanding any other provision of law, rule, or regulation, up to five (5) acres,
27 but not less than two (2) acres, including any geodetic triangulation survey

1 monuments and an appropriate buffer zone, of Lot No. 5173-1-R2-NEW-R6 in the
2 municipality of *Tamuning*, as shown on Map No. 076FY2013 and attached as
3 Exhibit B, *shall* be reserved for use as a *Chamorro* Shrine, to be called “*Nåftan*
4 *Mañaina-ta*,” and for the reinterment of all ancestral remains disinterred prior to
5 September 25, 1989. The *Nåftan Mañaina-ta* Shrine *shall* be contiguous to Lot No.
6 5173-1-R2NEW-4 in the municipality of *Tamuning* (the *Sågan Kotturan Chamoru*
7 lot). A digital aerial view of the area is also attached as Exhibit C. The *Chamorro*
8 Land Trust Commission is further prohibited from commercially leasing this
9 portion. Access and utility easements to the reserved portion *shall* be provided.

10 **Section 3. Development and Funding of a *Chamorro* National Shrine.**

11 Within one hundred eighty (180) days of the enactment of this Act, the Department
12 of Parks and Recreation, through the State Historic Preservation Office, *shall*
13 develop and submit plans for *Nåftan Mañaina-ta* to *I Liheslatura* (the Legislature)
14 for information and concurrence by Legislative Resolution.

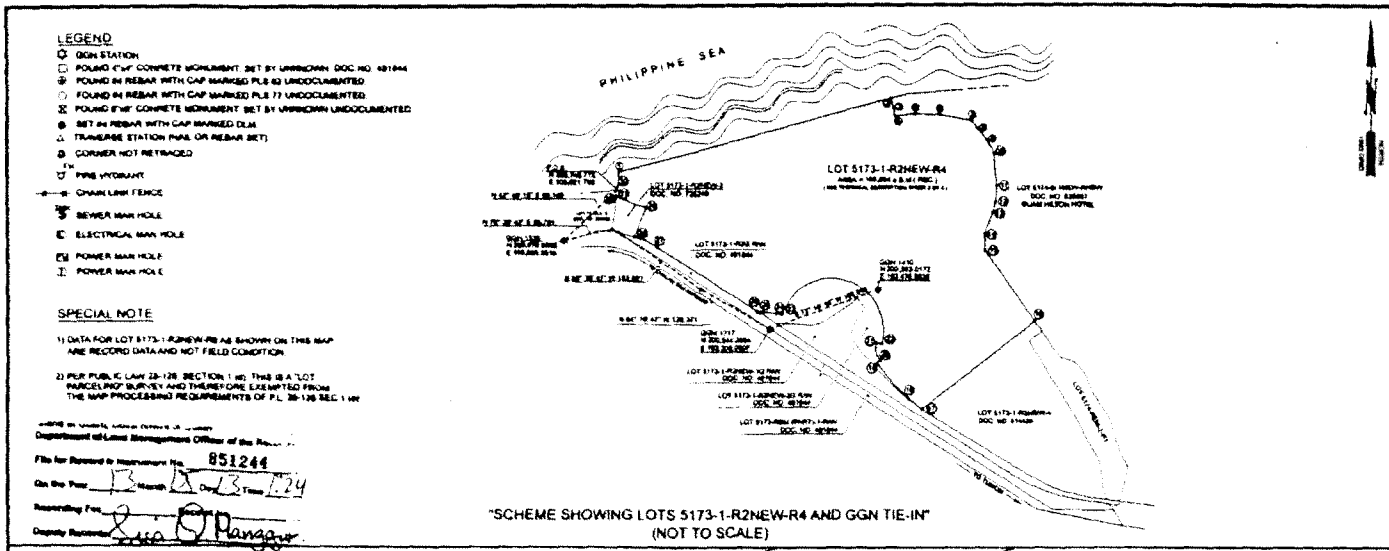

15 **Section 4. Survey and Severance of Property.** The Department of Land

16 Management *shall* survey, sever, and map the subject property in Section 2 of this
17 Act.

18 **Section 5. Severability.** If any provision of this law or its application to

19 any person or circumstance is found to be invalid or contrary to law, such invalidity
20 *shall not* affect other provisions or applications of this law that can be given effect
21 without the invalid provisions or applications and to this end the provisions of this
22 law are severable.
