**AN ACT TO AUTHORIZE *I MAGA'LAHEN GUÅHAN* TO
CREATE A MEMORIAL TO THE VICTIMS OF THE
CHAGUI'AN MASSACRE.**

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings Intent.** *I Liheslaturan Guåhan* finds that
3 on August 8, 1945, forty-five Chamorro young men were discovered brutally
4 murdered and beheaded by retreating enemy forces as the Liberation of Guam in
5 World War II was coming to an end. Most of the victims have never been
6 identified.

7 Known by survivors as the Chagui'an Massacre, Marianas Variety Reporter
8 Mar-Vic Cagurangan in her July 8th, 2008 story referred to the incident as the
9 "Forgotten Massacre."

1 Chagui'an, like the atrocities committed by occupying Imperial forces of the
2 Empire of Japan during World War II at Fena, Menengon and through the island
3 bare testament to the strength, fortitude, courage and patriotism of the Chamorro
4 people. Nowhere else in United States did regular citizens, including women and
5 children, face such acts of unimaginable barbarism by occupying enemy forces
6 during the second World War.

7 So that horrors of war may never again repeat itself, the sacrifices of those
8 who gave their lives at Chagui'an must never be forgotten.

9 It is the intent of I Liheslatura to create a permanent and lasting memorial to
10 the fallen sons of Guam who gave their lives at the Chagui'an Massacre.

11 **Section 2. Authorization to Acquire and designate land for the**
12 **Chigui'an Memorial.** (a) *I Maga'Lahen Guåhan* is authorized if necessary, to

14 land in Yigo encompassing the site of the August 8, 1944 Chagui'an Massacre for
15 the purpose of creating a memorial to the victims. To accomplish the provisions of
16 this Section, *I Maga'Lahen* is authorized to exchange, on an equitable basis; any
17 private land or government land lease by private persons.

18 (b) In addition to the land requirements of Item (a) of this Section, *I Maga*
19 *Lahen* is authorized if necessary, to exchange, on an equitable basis; any private
20 land or government land lease by private persons for the purpose of providing
21 access by motor vehicles to the site of the memorial.

22 **Section 3. Creation of the Memorial.** *I Maga'Lahen Guåhan* is authorized
23 to erect a monument on the site designated by Section 2 of this Act. *I*
24 *Maga'Lahen* shall determine the methods and processes necessary to select the
25 design and inscriptions for the monument that may include, but not be limited to, a
26 contest among school children.

1 **Section 4. Appropriation.** The sum of Twenty Five Thousand Dollars
2 (\$25,000) is appropriated from the General Fund to the Department of Parks and
