**AN ACT TO AMEND SUBSECTIONS (a) (b) (c) (d) (e)
AND TO ADD SUBSECTIONS (f) (g) AND (h) OF
SECTION 3811 AND TO ADD SUBSECTIONS (6) AND
(7) TO SECTION 3814 OF CHAPTER 3 OF ARTICLE 8
OF TITLE 10 GUAM CODE ANNOTATED RELATIVE
TO THE ESTABLISHMENT AND USE OF THE
COMMUNITY HEALTH CENTER REVOLVING FUND.**

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan*
3 finds that our Community Health Center's has matured into a full service
4 Community Health Center which provides primary healthcare, acute
5 outpatient healthcare, and preventive health services to the community. Its
6 health professionals provide a full range of essential primary care services.
7 Its target population consists of the low income, uninsured, and medically
8 underserved families, individuals and now extends services to individuals
9 with insurance. A Fee Schedule has been approved and adopted. This Fee
10 Schedule gives discounts based on a formula using the Federal Income
11 Poverty Guidelines. Families who fall below the Federal Income Poverty
12 Guidelines *shall* apply for subsidized medical services through the
13 Medically Indigent Program or other medically subsidized program.

1 *I Liheslaturan Guåhan* further finds that the Fees implemented by the
2 Department are collected and deposited into the General Fund and not into a
3 Special Bank Account separately maintained and administered by the
4 Director of the Department. The growth and complexity of the Regional
5 Community Health Centers require that the bureaucracy for processing
6 expenses should be done at the Regional Community Health Center level.
7 The respective Community Health Center Council and the Administrator,
8 Bureau of Primary Care Services who is also the executive Director for both
9 the Northern Regional Community Health Center (NRCHC) and the
10 Southern Regional Community Health Center (SRCHC) should be
11 authorized to open a checking account for the exclusive use by Community
12 Health Centers and are to be responsible for approving the expenses charged
13 against the account.

14 It is the intent of *I Liheslaturan Guåhan* to authorize the Community
15 Health Centers Administrator of the Department of Public Health and
16 Human Services and the respective Community Health Center Council to
17 establish a Checking Account for the purpose of complying with the
18 enabling legislation.
