LEGISLATIVE COUNCIL  
JAN 17 2010  
*De*

**AN ACT TO AMEND §18114 OF CHAPTER 18 OF TITLE 10, GUAM CODE ANNOTATED RELATIVE TO THE ELIGIBILITY AND QUALIFICATION FOR RECIPROCITY UNDER THE BARBERING AND COSMETOLOGY ACT OF 2000.**

1        **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2        **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guáhan* finds  
3        that the purpose of allowing reciprocity for individuals who hold a cosmetology  
4        and barbering license in another state or territory of the United States is to  
5        recognize and give full effect to those licenses issued under the laws of the license  
6        granting state or territory.

7        *I Liheslaturan Guáhan* further finds that uniformity and consistency dictate  
8        that a manicurist, electrologist, and esthetician who is currently licensed in another  
9        state or territory of the United States is eligible and qualified for reciprocity under  
10       the laws of Guam and allowed to practice in their respective field of expertise so  
11       long as the they meet the requirements as set forth by the Barbering and  
12       Cosmetology Board of Guam.

13           Therefore, *I Liheslaturan Guåhan* intends to *amend* §18114 Chapter 18 of  
14 Title 10, Guam Code Annotated.

15           **Section 2. §18114 Chapter 18 of Title 10, Guam Code Annotated is**  
16 ***amended to read:***

17           “An applicant who holds a current and unrestricted license issued by a state  
18 or territory of the United States and is in good standing with the previous licensing  
19 body may be issued a license to practice ~~the art of cosmetology or barbering as a~~  
20 cosmetologist, barber, electrologist, manicurist, and esthetician; provided that such  
21 applicants meet or exceeds the requirements as established by the Board.”

22           **Section 3. Severability.** *If* any provision of this law or its application to any  
23 person or circumstances is found to be invalid or contrary to law, such invalidity  
24 shall *not* affect other provisions or applications of this law, which can be given  
25 effect without the invalid provisions or applications, and to this end the provisions  
26 of this law are severable.
