Bill No. 447-30(L)

Introduced by:

J.V. Espaldon
T.R. Muna Barnes

AN ACT TO *AMEND* SECTION 3 AND SECTION 4 OF
PUBLIC LAW 28-91, RELATIVE TO LEASING A
PORTION OF NO. 10142 NEW PTN TRACT 100, ALSO
KNOWN AS THE DEDEDO SPORTS COMPLEX.

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Intent. Public Law 24-259, authored by then-Senator Felix P. Camacho, authorized a lease of government property to “*Strike Zone*,” a commercial interest offering to construct and operate a baseball and softball training center adjacent to other developments at the Dededo Sports Complex. This authorization was subsequently amended by Public Law 28-91, which changed the location of the lease from Dededo to Paseo. This amendment was prompted by a change in the plans to *not* construct baseball and softball fields at the Dededo Sports Complex. The original plans to construct baseball fields will now be realized in late 2010 when the current construction is completed. As such, the commercial interest is requesting a change in the authorization to return to the Dededo Sports Complex for the purposes already approved and in accordance with the terms and conditions set out in Public Law 28-91. By passage of this legislation, *I Liheslaturan Guahan* affirms its intent to authorize the lease of land for the purposes previously approved.
