9           **WHEREAS**, *I Mina Bente Nuebi na Liheslaturan Guahan* adopted Resolution No. 95 which  
10 requested Guam’s Delegate to Congress to include Guam in the “*Civilian Agent Orange Act of*

12           **WHEREAS**, Congress now has before it H.R. 2254 and S.1939, “*The Agent Orange Equity*  
13 *Act of 2009*”, which seek to amend and clarify the presumptions used by the VA in their review and  
14 approval of claims submitted by “*Blue Water Navy*” veterans who believe they were exposed to  
15 Agent Orange during their tours of duty in the Republic of Vietnam inland waterways, ports, and  
16 harbors and while serving in Johnston Island during the period of April 1, 1972 until September 30,  
17 1977; and

1           **WHEREAS**, Guam has a number of veterans that would qualify for compensation under the  
2 proposed amendments and, if granted inclusion, would be treated as equitably as all those who  
3 previously had been made eligible by action of the United States Congress; now, therefore, be it

4           **RESOLVED**, *I Mina' Trenta na Liheslaturan Guåhan* does support the inclusion of Guam  
5 and her veterans in H.R. 2254 and S.1939; and, be it further

6           **RESOLVED**, *I Liheslaturan Guåhan* does wholeheartedly support the passage of H.R. 2254  
7 and S.1939 in the hopes of equitably including all veterans exposed to the ravages of Agent Orange,  
8 regardless of whether they had “boots on the ground” or “*boots in the water*”; and be it further

9           **RESOLVED**, *I Liheslaturan Guåhan* respectfully request Guam’s Delegate to Congress to  
10 make every effort to ensure Guam’s “*Blue Water Navy*” veterans, and all “*Blue Water Navy*”  
11 veterans are afforded the same ability to seek compensation for exposure as those persons currently  
12 eligible; and be it further

13           **RESOLVED**, that the Speaker certify, and the Secretary of the Legislature attest to, the  
14 adoption hereof and that copies of the same be thereafter transmitted to: to the Honorable Eric K.
