WHEREAS, last year, AGA National kicked-off its Sixth (6th) Annual Government Finance Case Challenge, inviting the best undergraduate accounting/financial management/business students in the country to compete. Sazon and Mr. Russell Jon Miranda Bala-an entered the AGA National’s competition to prepare a citizen-centric report for the Loudoun County Public Schools, Virginia; to include a paper that summarizes the criteria and the justification the team used to decide what information to include and exclude in the performance report; and

WHEREAS, the UOG team of Nieto, Delgado, Sazon and Bala-an, successfully placed as one of the top two (2) finalist teams, along with North Carolina State University; and
WHEREAS, all finalist teams were awarded scholarships to attend the AGA’s 2013 National Leadership Conference in Washington, D.C., which the UOG team accepted; and

WHEREAS, through the adoption of Resolution No. 25-32(COR), I Liheslaturan Guåhan recognized, commended and offered its well wishes to the UOG team, who attended the Conference held on February 12-13, 2013; and

WHEREAS, all two (2) finalist teams presented their finalized solutions on February 12, 2013 before a panel of judges comprised of federal, state and local government leaders; corporate partners; and chief financial officers; and

WHEREAS, on February 13, 2013, the judges’ selection was announced, and the UOG team was selected as this year’s AGA Government Finance Case Challenge winners. In addition to the honor and recognition of holding the position as this year’s winning team, each member of the team will also receive a cash prize and a free one (1) year AGA membership; and

WHEREAS, the AGA followed through on its promise that this experience would challenge students' moral reasoning, raise their awareness of the importance of government accountability, and open doors to a future career in government; and
