Relative to commending and congratulating Ms. Barbara Aflague Guerrero on the occasion of her retirement from the Department of Public Health and Social Services; and to further extending a sincere Un Dåŋkolo Na Si Yu’os Ma’äse’ to her for her service and dedication to the health and well-being of the people of Guam.

BE IT RESOLVED BY I MINA'TRENTAI DOS NA LIHESLATURAN GUÅHAN:

WHEREAS, Ms. Barbara Aflague Guerrero, fondly known as “Bobbie,” has worked for the Guam Department of Public Health and Social Services for thirty-two (32) years. She began her public health career on August 10, 1981, working as a Community Program Aide with the Food Stamp Program, and she later moved to the Medically Indigent Program and the Division of Social Services; and
WHEREAS, on December 13, 1988, Bobbie began her social services work as a Social Worker II with the Bureau of Social Services Administration. She remained with the Bureau and held various positions, including as a Social Worker III, and she was finally promoted to the position of Social Service Supervisor I with the Child Protective Services Intake/Crisis Unit, where she served until her retirement; and

WHEREAS, Bobbie has dedicated 25 years of her life to her career in helping children and their families during times of crisis. For many years, she had the responsibility of ensuring that the thousands of child abuse and neglect referrals received annually by the Bureau were processed, and that crisis referrals were immediately assessed to ensure the safety of children at high risk. She was also involved with the Healing Hearts Steering Committee, and she was a Field Instructor for Social Work and Psychology student interns; and

WHEREAS, throughout Bobbie’s years of service, funding constraints in the government had provided many challenges for the Bureau, to include the lack of adequate staffing, resulting in the system being stretched beyond capacity. In the face of all of this, Bobbie had worked in the evenings, and on weekends and holidays, and she has always remained unwavering and dedicated to her work. Because of her commitment and passion for her work, children and their families are now in a better place; and

WHEREAS, Bobbie will always be fondly remembered by her colleagues for her good-natured spirit, her friendliness, and her smile. She is rarely ever seen getting upset, despite the daily stresses that are known in the child protection environment. On the contrary, Bobbie has always kept her composure and is jokingly known as the Bureau’s “diva,” as she is often seen touching up her makeup and usually arrives at work every Monday with a new hair style or color; and
WHEREAS, in her private life, Bobbie enjoys spending time with her two boys, Jordan and Joaquin. Upon her retirement, she plans to give back to her children and family the time that was taken away from them due to her career in helping others. Bobbie looks forward to doing the things she enjoys, such as socializing, gathering with family and friends, watching the Cooking Channel and her favorite soap opera, “The Young and the Restless,” listening to music, and finally relaxing. As simple and uncomplicated as her plans may seem, these are the things Bobbie never had much opportunity to do while she was working; now therefore, be it
