Relative to commending and congratulating Mr. Calvin Akira Saruwatari on the occasion of his retirement from the Bureau of Statistics and Plans; and to further extending a warm Un Dâŋkolo Na Si Yu’os Ma’âse to him for his thirty-three (33) years of dedicated service to the Government of Guam and the people of Guam.

BE IT RESOLVED BY THE COMMITTEE ON RULES OF I MINA'TRENTAI DOS NA LIHESLATURAN GUÅHAN:

WHEREAS, Mr. Calvin A. Saruwatari, a Planner III with the Bureau of Statistics and Plans (Bureau of Planning), has served the Government of Guam and
the people of Guam for thirty-three (33) years, and will be officially retiring from
government of Guam service on September 20, 2013; and

WHENBLACK, Mr. Saruwatari had attended the University of Hawaii at Manoa,
where he received his Bachelor of Science degree in Civil Engineering in 1975; and
he went on to earn a Bachelor of Science degree in Geology-Geophysics in 1977. He
further obtained his Master of Science degree in Agricultural Engineering in 1981;
and

WHENBLACK, Mr. Saruwatari began his career in public service working as an
Agricultural Engineering Instructor at the University of Guam, College of Agriculture
and Life Sciences, from 1981 to 1989. In 1989, Mr. Saruwatari accepted the Planner
III position with the Bureau of Statistics and Plans and worked under the Planning
Information Program, where he served up to the time of his retirement; and

WHENBLACK, Mr. Saruwatari was an active member of several working groups
and technical committees involving statistics, actively participating in the Department
of Mental Health and Substance Abuse PEACE Council’s data committee addressing
substance abuse and suicides on Guam. He was also an integral member of Guam’s
2010 Census Interagency Committee, and the 2010 Census Geography Working
Committee; and

WHENBLACK, Mr. Saruwatari had provided key support to the Guam Civilian
Military Task Force in the monitoring of federal defense contracts and spending on
Guam; and

WHENBLACK, Mr. Saruwatari was also the Government of Guam’s lead person
for all activities related to the Compacts of Free Association. Knowledgeable and
well-informed on compact impact issues and regulations relative to Guam, Mr.
Saruwatari prepared the Annual Compact Impact Report, as submitted by Governor
Edward Calvo to the U.S. Department of Interior. This annual report provides critical
information on the financial costs to Guam for providing educational and social
services to immigrants from the Federated States of Micronesia, the Republic of the
Marshall Islands, and the Republic of Palau. He also worked extensively with local
and federal officials, including the Office of Insular Affairs, the Government
Accountability Office, and the U.S. Census Bureau, in addressing compact migration
to Guam and the affected jurisdictions; and

WHEREAS, during his service at the Bureau of Statistics and Plans, Mr. Saruwatari coordinated, with key stakeholders, efforts towards the delineation of Census Designated Place (CDP) boundaries for Guam in 2010. He was further instrumental in increasing the number of Census Designated Places - from 32 CDPs in 2000 to 57 CDPs in 2010. Mr. Saruwatari received recognition for his participation in the delineation of Guam’s Census Designated Places by the U.S. Department of Agriculture (USDA). In an announcement made during the 5th Annual Affordable Housing Conference in June 2013, the Dededo community now has 100% financing available to potential first-time homeowners who desire to reside in Dededo. Prior to 2010, Dededo residents were ineligible to participate in home loans offered by the USDA because population counts did not meet USDA eligibility requirements. Because of Mr. Saruwatari’s extensive knowledge in census geography and his work with U.S. Census Bureau officials, the people of Guam now have improved access to federal housing programs offered by the U.S. Department of Agriculture; and

WHEREAS, Mr. Saruwatari’s technical expertise and extensive knowledge in census data and processing has resulted in generating quality census data products used by government and business officials for planning and community development improvements. He is recognized for his extensive contributions in the compilation and formulation of Census Bureau data products for Guam, including the “2010 Guam Populations and Housing Units by Census Designated Place”; the “2010 Guam
Census Demographic Profile Selected Comparative”; and the “2010 Guam Demographic Profile Summary File: Island-wide, Municipality, and Census-Designated Place,” to name a few. Throughout the years, Mr. Saruwatari has been resourceful and innovative in producing specialized, user-friendly census tables and summary reports to meet data user needs; and

WHEREAS, Mr. Saruwatari is commended for his contributions towards the compilation and release of the “Guam Statistical Yearbook” and the “Guam Facts and Figures – At a Glance” brochure. These statistical products provide a wealth of social, economic and environmental information for our government and community leaders to make informed decisions and provide for a brighter future for all the people of Guam; and

WHEREAS, as a long-time staff member of the Bureau of Statistics and Plans, Mr. Saruwatari is recognized for his outstanding work for the Bureau; and he will be missed for his invaluable and institutional knowledge, and his contributions to the island’s social, physical, economic and environmental development; and

WHEREAS, Mr. Saruwatari will be genuinely missed and remembered by his colleagues for his technical expertise and support in addressing computer hardware and software issues, and for his research skills in locating hard to find plans, reports and special studies on Guam; and

WHEREAS, as he enters his retirement, Mr. Saruwatari will now be able to enjoy spending some time with his brothers, Steven and Norman; his sister-in-law, Penelope (Penny); and his nephew, Ryan, who reside in Hawaii. He will also enjoy his leisure time travelling, reading, shopping at bookstores, and delighting in Star Trek movies and collectables; now therefore, be it

RESOLVED, that the Committee on Rules of I Mina’Trentai Dos Na Lihesluran Guåhan does hereby, on behalf of I Lihesluran Guåhan and the people
of Guam, commend and congratulate Mr. Calvin Akira Saruwatari on the occasion of
his retirement from the Bureau of Statistics and Plans after thirty-three (33) years of
service to the government of Guam; and does further extend a warm Un Dångkolo Na
Si Yu’os Ma’dse to him for his dedication to serving the needs of our island
community; and be it further

RESOLVED, that the Speaker and the Chairperson of the Committee on Rules
certify, and the Legislative Secretary attest to, the adoption hereof, and that copies of
the same be thereafter transmitted to Mr. Calvin Akira Saruwatari; and to the
Honorable Edward J.B. Calvo, I Maga’lahen Guåhan.

DULY AND REGULARLY ADOPTED BY THE COMMITTEE ON RULES OF
I MINA'TRENTAI DOS NA LIHESLATURAN GUÅHAN ON THE 27TH DAY OF
SEPTEMBER 2013.
