Relative to recognizing and commending the members of the 2014 “Red Ribbon Campaign” Committee for their outstanding dedication, commitment, and leadership in taking a pro-active stance against drug and alcohol abuse, on the occasion of “Red Ribbon Month” during the month of October 2014; to extending Un Dångkolo Na Si Yu’os Ma’äse’ to these individuals and organizations for the significant contributions they have made, and continue to make, to eliminate drug and alcohol abuse on the island of Guam; and to further encouraging the people of Guam to support activities that raise awareness about the dangers of drug and alcohol abuse, and to wear a red ribbon during “National Red Ribbon Week,” from October 23 through October 31, 2014, in recognition of our commitment to being a safe and healthy community.

BE IT RESOLVED BY THE COMMITTEE ON RULES OF I

MINA'TRENTAI DOS NA LIHESLATURAN GUÅHAN:
WHEREAS, drug and alcohol abuse has devastating consequences on the community at large, most especially on families and youth who have endured firsthand the harmful effects of this widespread epidemic. As an island community, we value the health and safety of our residents, especially Guam’s youth. Today, we face many challenges as we try to protect our loved ones from the ongoing battle against substance abuse; and

WHEREAS, substance abuse either through the use of drugs or alcohol, not only has a negative effect on individuals, families, businesses and schools, but it is also a contributing factor in the three (3) leading causes of death among adolescents, which are accidents, homicides, and suicides; and

WHEREAS, the “Red Ribbon Campaign” began in 1985 after drug traffickers in Mexico City murdered Drug Enforcement Administration (DEA) agent Enrique “Kiki” Camarena. His friends and neighbors wore red badges of satin signifying their utmost respect and admiration for his courage, determination, and his honorable and ultimate sacrifice; and to show that they would continue to take up his fight against illegal drug activities. The mission of the “Red Ribbon Campaign” is to present a unified and visible commitment towards the creation of a “Drug-Free America”; and

WHEREAS, recognizing the seriousness of this threat, the National Family Partnership initiated the first “Red Ribbon Campaign” in 1986. This grassroots effort emphasized education and the importance of teaching children, teenagers, families, and communities about the dangers of drug and alcohol abuse. It is now the oldest and largest drug prevention program that reaches millions of youth, families and communities in every corner of the country. Significant progress has been made in reducing drug and alcohol abuse among young adults; and

WHEREAS, Guam’s participation in this national effort was started in 1988 by the Dededo Drug-Free Organization (now known as Youth for Youth LIVE! Guam).
WHEREAS, the 2014 “Red Ribbon Campaign” theme is: “Love Yourself. Be Drug Free!” and some of this year’s activities include: an essay contest; a school gate/wall decorating contest; a Red Ribbon Wave in Hagåtña; a community outreach at the Micronesia Mall; a “Say Boo to Drugs” community event; school presentations; and numerous print, television, and radio media events; and

WHEREAS, education, prevention and outreach activities are critical weapons in the community’s effort to fight substance abuse. It is the goal of the “Red Ribbon Campaign” Committee to involve families, schools, businesses, churches, law enforcement agencies and service organizations to establish an atmosphere that supports awareness and education that will help to prevent illegal drug related activities; and

WHEREAS, on the occasion of the 2014 “Red Ribbon Month,” I Mina’Trentai Dos Na Lihesluran Guåhan encourages all the residents of Guam to consider ways to participate in this important effort. As we build upon the successes of the past, we strengthen the Guam of tomorrow; and with strong resolve and creative leadership, we must strive to protect our community from the preventable dangers of alcohol, tobacco, and drug abuse; and

WHEREAS, these “Red Ribbon Campaign” activities are being made possible by the “Red Ribbon Campaign” Committee. The ongoing awareness efforts will concentrate on promoting healthy choices and lifestyles that are drug, alcohol, and violence-free; now therefore, be it

RESOLVED, that the Committee on Rules of I Mina’Trentai Dos Na Lihesluran Guåhan does hereby, on behalf of I Lihesluran Guåhan and the people
of Guam, recognize and commend the members of the “Red Ribbon Campaign” Committee on the occasion of “Red Ribbon Month” during the month of October 2014, and extend Un Dångkolo Na Si Yu'os Ma'åse' to these individuals and organizations for the significant contributions they have made, and continue to make, to eliminate drug and alcohol abuse on the island of Guam; and does further call upon and encourage the people of Guam to support the “Red Ribbon Campaign” activities, and to be involved in the events and programs that aim to protect our community from the dangers of alcohol, tobacco and drug abuse; and to wear a red ribbon during “National Red Ribbon Week,” from October 23 to October 31, 2014, in recognition of our commitment to a safe, healthy, and drug-free community; and be it further

RESOLVED, that the Speaker and the Chairperson of the Committee on Rules certify, and the Legislative Secretary attest to, the adoption hereof, and that copies of the same be thereafter transmitted to the “Red Ribbon Campaign” Committee; to the Honorable Madeleine Z. Bordallo, Guam’s Delegate to the United States Congress; and to the Honorable Edward J.B. Calvo, I Maga’lahen Guåhan.

DULY AND REGULARLY ADOPTED BY THE COMMITTEE ON RULES OF I MINA'TRENTAI DOS NA LIHESLATURAN GUÅHAN ON THE 26TH DAY OF SEPTEMBER 2014.
