BE IT RESOLVED BY THE COMMITTEE ON RULES OF IMINA’TRENTAI DOS NA LIHESLATURAN GUÅHAN:

WHEREAS, the Western Pacific Regional Veterans Community Living Center (WPRVCLC) is a project that is spearheaded by Veterans and other community
stakeholders who desire to improve Veterans' access to medical care, treatment, and facilities to address the specific needs of Veterans residing on Guam and the Western Pacific Region. This project will be the first Veterans based facility on Guam that will be inclusive of all Veterans services; and

WHEREAS, with great hopes to garner the VA’s support for this project, the WPRVCLC is anticipated to restore faith in the VA’s ability to serve the needs of Veterans who reside in the Western Pacific Region by consolidating all the VA agencies into one location, which will be based in a community setting; as well as, providing transportation for Veterans and their dependents from their homes to the Center; providing home-based primary care; providing services to treat various medical conditions of Veterans and ensure the continuity of quality of care for Veterans; providing transitional services for service members returning from deployment; and providing short-term and long-term stay at the Center for Veterans who are in need of continuous specialized care. This Center will help alleviate the need for Veterans to travel to VA clinics in the U.S. mainland; and

WHEREAS, the WPRVCLC is anticipated to assist our Veterans with employment through the VA Compensated Work Therapy Program; additionally, the development of this project is also anticipated to create employment for the people of Guam before, during and after the construction of the Center; and

WHEREAS, this Center will also serve as a symbol of gratitude that our island community has for the Veterans of Guam, the Federated States of Micronesia, the Marshall Islands, the Commonwealth of the Northern Mariana Islands, Palau, and the Philippines. The service of all of these Veterans will always be remembered, and support and services ought to be duly afforded to our Veterans for their service and sacrifice for the people of Guam, the Western Pacific region, and the nation; now therefore, be it
RESOLVED, that the Committee on Rules of I Mina'Trentai Dos Na Liheslaturan Guåhan does hereby, on behalf of I Liheslaturan Guåhan and the people of Guam, recognize the Western Pacific Regional Veterans Community Living Center Project as a much-needed endeavor to address the needs of Veterans on Guam and the Western Pacific Region; and does further extend Un Dângkolo Na Si Yu’os Ma’âse’ to the Team Competent Organized Reliable Efficient (CORE) members and the Veteran stakeholders who are committed to providing our Veterans with the support and services they need and deserve through this project; and be it further
