Relative to recognizing the Judiciary of Guam, the U.S. District Court of Guam, and the Guam Bar Association for their commitment in the promotion of "Law Week 2019," from April 28 through May 4, 2019; and commending them for their advocacy of justice and equality for the people of Guam on the occasion of "Law Day" on May 1, 2019.

BE IT RESOLVED BY I MINA TRENTAI SINGKO NA LIHESLATURAN GUÁHAN:

WHEREAS, the American justice system is at the helm of sustaining and protecting the rights, freedom and justice of all Americans. "Law Day" is a significant occasion for the recognition and celebration of our nation's great heritage of liberty, justice and equality under the law. In 1958, "Law Day" was established and proclaimed by President Dwight D. Eisenhower, and it was reaffirmed through a Joint Resolution by the members of the U.S. Congress in 1961; and

WHEREAS, "Law Day" is celebrated annually on May 1st as a special day of celebration by the people of Guam and the nation, to join in the appreciation of every citizen's liberties, and to provide a unique time for reflection and dedication to the ideals of equality and justice for all people under the laws of the land; and

WHEREAS, America's legal system is central to protecting the constitutional principles on which our Nation was founded; and as we observe "Law Day," we celebrate "Free Speech, Free Press, Free Society" - the cornerstones of our representative government; and

WHEREAS, this year's "Law Day" theme calls us to understand and protect these rights to ensure, as the U.S. Constitution proposes, "the blessings of liberty for ourselves and our prosperity." Additionally, as Guam commemorates the seventy-fifth (75th) year anniversary of the liberation of Guam from Japanese occupation during World War II, "Law Day" is a reminder of what was lost during that period, and the rights and freedoms that we have been fighting for and protecting here in the western Pacific; and

WHEREAS, "Law Week 2019" will provide the people of Guam with a chance to understand and appreciate the many challenges that confront the legal community today, and to consider the transformation of the justice system and the many programs that continue to support the island community; and

WHEREAS, "Law Day" is an occasion for Guam's people to celebrate the tenets of the U.S. Constitution and the Organic Act of Guam, and to honor the men and women of the Guam Bar Association, the Judiciary of Guam, and the U.S. District Court of Guam who work to uphold and serve its collective principles in dispensing justice for all; now therefore, be it
