TESTIMONY:

The Order of the PURPLE HEART for Military Merit, commonly called "The Purple Heart," is an American decoration-the oldest military decoration In the world in present use and the first award made available to a common Soldier. II. COMMITTEE PRECEEDINGS

Ran Care Bldg., Suite 3, 2nd Floor, 761 S. Marine Corps Dr., Tamuning, Guam 96913

Wednesday, June 12, 2017. Second notice was Friday, June 16, 2017. For the record today is June 21, 2017, and the time is now 9:04am. I am chairing this hearing this morning on behalf of Senator Joe San Agustin who is the chairman of this committee, who is unable to make it this morning. The committee will hear and accept testimonies oral and written on the following: Bill 103-34, this is relative to expeditiously producing special recognition to veterans license plate. And as well as Bill 42-34 relative to establishing the Guam able savings program. Providing tax exempt bank account for persons with disabilities and exempting them from execution. If you wish to testify, I ask that you please sign up at the table that's located right outside the door. As I call your name and you wish to provide oral testimony, I ask you to please come forward. Take a seat in the table in from of us. The others here have signed up to make oral testimonies or just here to support.

CROWD: Support

Senator Rodriquez: Great okay. So, we have Ms Jane Sasai, Mr Frank Mendiola, Cil Mendiola, Tom Mendiola , Tom Mendiola, David Sayama, Teresita Shimizu, Jane Shimizu, Peter Cruz and Anthony Perez. All as signifying the support measure. Just as to briefly discus what this bills about, Bill 103 is introduced from, myself, Senator Joe San Agustin , Senator Frank Aguon, Jr and Senator Fernando B. Esteves. What this does is amend existing law that has designated $5,000 dollars for the design of the special recognition plates. With our discussions with the Department of Revenue and Tax. We understand that the designs of the plates will cost significantly less the $5,000.00 set aside, and I know that different organizations such as the purple heart have been working very hard to get these plates produced, and brought in here so that our Veterans, will be able to have display these plates honored having these plates displayed on their vehicles. And so this legislation ladies and gentleman speeds up the process. Number one it takes the remaining balance of the 5,000 about 3,500 I believe that's available. From the initial appropriation so that is allows the department of revenue and taxation to use those funding now to produce the plates because we know that the designs have been approved and are ready. And so this legislation directs the use of these funds production on the plates and also, this legislation directs the first batch to be produced by the military order of the purple heart license plates. Pursuant to the registration list approved by the Guam Veterans Affairs Office, we did consult with the department of Revenue and Taxation and that they are in support of this measure and they would be providing written testimony at a later time. So now I would like to recognize Mr Nick Francisco, for your testimony.

Mr Nick Francisco: Thank you Mr. Chairman, I am Nick Francisco, I am the Senior Vice Commander of the Asia Pacific Guam. I like to first thank you for expediting this amendment public law 33-185, the special recognition towards license plate. I also like to thank you with your committee for putting the language in that amendment, that the first batch will be produced for the military order of the purple heart. I thank you for that because its already over one year since we asked the good senators, Senator Tom Ada, Frank Aguon, and Tina Muna Barnes to help us expedite this purple heart license plate I know that the time go by fast. But I'd like to thank you for expediting this. I hope that expediting this and the remaining balance of the 5,000 will be enough to produce the license plate for the legible purple heart recipient. I only like to add another amendment to be included in the application. The application stated that to verify verification with the medal 214-214. I'd like to add after the DD 214, DD215 and 53- 55 general order. I was called by some members of the chapter that their name is not showing on the DD 214 its so showing on general order. So I'd like to include that on DD 215, 53-55 general order. Mr Chairman, I hope that you help us expedite this, efficiently and collaborate with the revenue and tax. So we can see this license plate ready for distribution by August 7th, purple heart day. I think that the members here today supporting the amendment, asking for your support, that will expedite this and remember, August 7, purple heart day. Thank you, Mr. Chairman, I trust in you that your gonna help us get our license plate.

Senator Rodriquez: Si Yu'os ma 'ase Mr. Francisco, we will consider the testimony that you have provided especially adding the DD 215 and the 355 general order, as a means to be able to show a veteran receipt of this award. And also, the committee and Senator San Agustin intends to complete this committee report and

have it ready for session. Which is scheduled for the end of this month. And so we will work hard to move it forward and hopefully we could get this passed and get the license plates, by August 7, but we are gonna have to work with Department of Revenue and Taxation to get this moving. So thank you very much for your testimony. Vice Speaker, thank you very much for joining us this morning . Is there anyone else that wishes to provide a written testimony for this bill? If not, Vice Speaker, you have anything to say? ... Okay I want to thank you all for being here, its on the record that you are all here, in support of this measure. We will work with our colleagues to move this forward and get it passed us, as soon as possible. So thank you very much for your time this morning. On the agenda is 42-34. We will go ahead and take a two minute recess.

Introduced: 5/26/17

AN ACT TO AMEND PUBLIC LAW 33-185 CHAPTER XI, SECTION 11 RELATIVE TO EXPEDITOUSLY PRODUCING SPECIAL RECOGNITION VETERANS LICENSE PLATES.

After review, Legislative Counsel finds that the bill complies with *I Mina' Trentai Kuåttro Na Liheslaturan Guåhan* Standing Rules as to form and style and accurately reflects the Guam Code Annotated, updated through P.L. 33-240 (Jan. 27, 2017).

Compliance as to form and style and single-subject rules:

☒ **Heading** – conforms to format rules

☒ **Title** – conveys accurate idea of content, indicative of scope, object to be accomplished, and changes to any existing Code Sections

☒ **Sections** – for amendments of more than one (1) section, bill contains separate sections for each section amended; otherwise divided into short sections

☒ **Changes to existing law** – repeals and amendments to existing law are reflected by omissions appearing with strikethrough and new matters underline

☒ **Conforms with GCA** – consistent with the style and placement of enacted law on the same subject

☒ **One-subject Matter** – contains no more than one (1) subject matter, and does not contain unrelated subjects or pertain to multiple projects

Please consider the following preliminary comments/recommendation(s):

- Please see the track changes attached in the "legalrevised1" version for more detailed stylistic suggestions.

AN ACT TO AMEND PUBLIC LAW 33-185 CHAPTER XI, SECTION 11 RELATIVE TO EXPEDITOUSLY PRODUCING SPECIAL RECOGNITION VETERANS LICENSE PLATES.

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Findings and Intent. Since the establishment of Special Recognition Veterans License Plates for veterans who are recipients of a military award for valor (Medal of Honor, Distinguished Service Cross, Silver Star, Navy Cross, or Bronze Star w/"V" device) or a Purple Heart who resides on Guam, the Department of Revenue and Taxation, the Guam Veterans Affairs Office, the Guam Veterans Commission and other stakeholders have been working tirelessly to finalize a license plate template that truly provides honor and recognition to our distinguished veterans. Through the hard work of the Department Revenue and Taxation Motor Vehicle Division staff, the cost for the development of the different special recognition designs have been kept to a minimum and under the $5,000 initial appropriation. It is therefore the intent to utilize the remaining balance to fund the initial production of special recognition license plates for veterans.

Section 2. Amendment of Section 11. of Public Law No. 33-185. Section 11. of Public Law No. 33-185 is amended to read:

"**Section 11. Appropriation to the Department of Revenue and Taxation for the Special Recognition Veterans License Plate.**Notwithstanding any other provision of law, the sum of Five Thousand Dollars ($5,000) is hereby appropriated from the Fiscal Year 2017 Tourist Attraction Fund to the Department of Revenue and

Taxation, Motor Vehicle Division, for the purposes of funding a template and production for the Special Recognition Veterans License Plate authorized in § 7120.5 of Chapter 7, Title 16, GCA. After all Special Recognition License Plate templates have been completed and funded, all remaining balance shall be used for the production and delivery of license plates. The first batch to be produced shall be the Military Order of the Purple Heart License Plates pursuant to the registration list approved by the Guam Veterans Affairs Office.In the event a non-profit organization such as the *Military Order of the Purple Heart* offers to fund the template and production of the Purple Heart license plate, the Department of Revenue and Taxation may accept such offer to offset production costs. Should such an offer occur, a Memorandum of Agreement (MOA) shall be executed by an official representative of a non-profit organization and the Director of the Department of Revenue and Taxation clearly indicating the terms and conditions of such offer."

Section 3. Additional Funding Requirement. Upon the initial order and production of Special Recognition License Plates utilizing the funding source per Section 2 of this Act, the Director of the Department of Revenue and Taxation shall immediately provide to *I Liheslaturan Guahan* the additional amount needed to produce the remaining special recognition license plates, which shall be included as an additional amount to the Department's FY 2018 annual budget request.

Section 4. Effective Date. This Act shall become effective upon enactment.

Hafa adai! Senator San Nicolas:

The Bureau requests that Bill No. 103-34 (LS) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

> Legislative Bill No. 103-34 seeks to amend Sections 11, Chapter XI of P.L. 33-185 relative to expeditiously producing special recognition veterans license plates. The bill authorizes all remaining balances from the $5,000 appropriations made in P.L. 33-185, Chapter XI, Section 11 to be used for the production and distribution of such license plates after all Special Recognition License Plate templates have been completed. The bill also requires execution of an MOA (Memorandum of Agreement) between the Department of Revenue and Taxation and an official representative of a non-profit organization which clearly defines the terms and conditions of such offer.

The proposed amendments are administrative in nature and would not fiscally impact the appropriations for the Department of Revenue and Taxation in FY 2017.

Si Yu'os Ma'ase,

LESTER L. CARLSON, JR.
