*Hafa adai!* Senator Biscoe-Lee:

The Bureau requests that Bill No. 128-34 (COR) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

The proposed legislation seeks to add a new § 12420 with respect to the licensing of military professional dentists stationed on Guam to treat indigent patients on a voluntary basis. Such license would be issued at no charge to the applicant for the period of two years. The issuance of this license is contingent upon the good standing of the applicant as a dentist in another state. The applicant is also required to maintain his credentials within the Military Credentialing Office.

This proposed addition has been reviewed by the Bureau of Budget and Management Research (BBMR). BBMR has concluded that such addition would have no fiscal impact on DPHSS' FY 2017 appropriation level and further concluded such addition is administrative in nature.
