*Hafa adai!* Senator Biscoe-Lee:

The Bureau requests that Bill No. 232-34 (LS) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

The intent of this proposed legislation, which is cited as "The Unborn Child Protection Act of 2018, is to prohibit the abortion of a fetus which has been determined to be twenty weeks or more in age. Such determination is to come from the attending physician. Abortion would be allowed only when such pregnancy imposed a medical necessity to the mother. Any person who intentionally or recklessly performs or attempts to perform an abortion in violation of the proposed Section 91B104 would be guilty of a third degree felony. No penalty would be assessed against the woman upon whom the abortion is performed. There are no fiscal penalties other than the recovery of attorney fees by the woman upon whom the abortion is performed or to the plaintiff.

This proposed legislation is, therefore, administrative in nature.
