Hafa Adai Senator Lee:

The Bureau requests that Bill No. 232-35 (COR) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

Bill 232-35 (COR) is an act to amend Items (A) and (B) of §715(l)(13) of Chapter 7, Title 1, Guam Code Annotated relative to defining the one hundred eighty (180) instructional days equivalent for Guam public schools and requiring the Superintendent of Education to develop a standard operating procedure for the arrangement of loss instructional time. Per P.L. 34-105, the one hundred eighty (180) instructional days was converted to nine hundred (900) instructional hours for elementary schools and one thousand two hundred sixty (1,260) instructional hours for secondary schools.

Per the Guam Department of Education Board's Resolution Number 2019-10, implementing the same equivalent instructional units of conversion for all public school levels is critical to ensure uniformity and efficiencies may be achieved in managing and supervising the day to day operations of all forty-one (41) schools at all levels, ranging from the maximization and assignment of personnel, scheduling of classroom instruction, school activities, and school based services.

As such, the Bill is administrative in nature and poses no fiscal impact upon any funds of the Government of Guam.

Senseramente,

LESTER L. CARLSON, JR.
