This letter is to inform you that, effective immediately, I hereby tender my resignation as a member of the board of directors for the Guam Council on the Arts and Humanities Agency due to my intention to seek employment, which may prevent my continued active participation in board meetings and activities. It has been a pleasure to work with CAHA staff and board members. I am proud of all that we have accomplished, and I have no doubt that the board will continue these successes in the future.

Please feel free to contact me through email anytime in the near or distant future. I will be happy to do everything in my power to help CAHA continue to bring art appreciation to everyone in the community.
