JOSEPH F. ADA
GOVERNOR

GIOVANNI T. SGAMBELLURI
DIRECTOR

FRANK F. BLAS
LT. GOVERNOR

TESTIMONY
OF
GIOVANNI T. SGAMBELLURI
DIRECTOR, BUREAU OF BUDGET AND MANAGEMENT RESEARCH
ON
BILL NOS. 44(LS) AND 48(LS)
APRIL 28, 1993

Bill Nos. 48(LS) and 44(LS) proposes to appropriate a combined total of Two Million Two Hundred Fifty Thousand Dollars (\$2,250,000) from the Tourist Attraction Fund (TAF) to the Department of Public Works for the design and construction of an overhead light system along the entire San Vitores Boulevard as well as to install additional streetlights along Camp Watkins Road and Fahrenholt Drive.

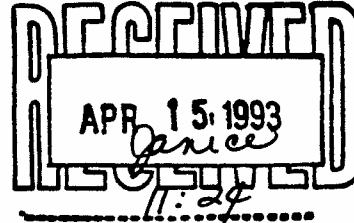

Information received from the Traffic and Engineering Section, Department of Public Works revealed that the amount of \$2.25M proposed to be appropriated is inadequate to fund the cost of both projects listed. Although no cost estimate was provided, DPW projects that the San Vitores Boulevard project alone would exceed the total amount being proposed for appropriation in both bills. Also, the bills failed to provide funding for the maintenance, repair, as well as the annual utility costs of the proposed lighting system. This is the same major concern previously raised by the department in the original San Vitores walkway Lighting Project.

The Bureau supports the intent of Bills No. 48(LS) and 44(LS). However, given the concerns listed above, as well as the strong likelihood that the General Fund would ultimately be the fund source to pay for the annual utility costs, the Bureau is concerned about further financial drains upon the already beleaguered General Fund.

GIOVANNI T. SGAMBELLURI

APR 08 1993

The Honorable John P. Aguon
Vice-Speaker
Chairperson, Tourism & Transportation
Committee
Twenty-Second Guam Legislature
155 Hessler Street
Agana, Guam 96910

Reference: Bills 44 and 48 (Streetlighting)

Dear Vice-Speaker Aguon:

The Department of Public Works would like to take this opportunity to comment on the referenced bills involving the installation of street lighting in the Tamuning area.

Firstly, we are very supportive of the Chalan San Vitores street lighting project intended to replace the badly damaged low level walkway lighting. This area has the highest concentration of pedestrians on Guam and crossing Chalan San Vitores, especially during hours of darkness, can be extremely hazardous.

We are concerned about the proposed project limits and respectfully suggest that the area extend from the Traffic Circle at Chalan San Antonio to Route 1 (Marine Drive) at the old Australian Cable Station. This would involve eighty-nine (89) new poles and luminaires with wiring underground. The "extension" of San Vitores, actually Cogna Street, to the Nikko Hotel is presently reasonably well illuminated by privately installed fixtures and we feel there is not a need to include this leg.

Because of escalating construction costs we feel the proposed appropriation of one million five hundred thousand dollars (\$1,500,000) may only be sufficient to install lighting for the area defined above. The design of this project has been completed for some time and, if funded, the project could be bid out very quickly.

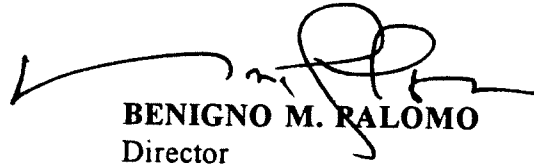

The Camp Watkins/Farenholt link is presently under design for both reconstruction and street lighting. However, funding for the lighting is not funded. Based on current construction costs we estimate the required eighty poles and luminaires would also be about one million five hundred thousand dollars (\$1,500,000.00).

Letter to Vice-Speaker J. P. Aguon
Reference to Bills 44 and 48 (Streetlighting)
Page 2

A third area in need of improved lighting is Chalan San Antonio from Route 1 (Marine Drive) to the Traffic Circle at Chalan San Vitores old GMH). This commercial strip is seven lanes wide, has heavy volumes of high speed traffic, and frequent night crossings by pedestrians. We strongly urge inclusion of this area for lighting upgrading if funds can be identified. Again, based on current charges, we estimate installation costs of nine hundred thousand dollars (\$900,000.00).

Should you wish to discuss any of the above, please feel free to contact our Traffic Engineering & Control Section at 646-3210.

Sincerely yours,

BENIGNO M. RALOMO
Director

Re: Bill No. 44

Dear Mr. Chairman:

Thank you for seeking the Guam Visitors Bureau's position on Bill No. 44. The Bureau urges the prompt passage of this legislation.

Tumon Bay's various attractions are being utilized by many local residents in addition to Guam's visitors. Chalan San Vitores also serves as an alternate route for rush hour traffic. Much of the vehicular and pedestrian traffic occurs during the early evening hours. Combining these two elements with the limited lighting presently in operation has a great potential for accidents.

In an attempt to reduce this potential, the Bureau has been working with the Department of Public Works (DPW) and the Guam Power Authority (GPA) to design and install overhead lighting from the Hotel Nikko Guam to the intersection of Chalan San Vitores and Chalan San Antonio. DPW and GPA have estimated that this project would cost \$1.2 million. Copies of this estimate can be provided to the committee.

Again, the Bureau seeks your immediate support for passage of this bill.

Sincerely,

JOEY B. CEPEDA
General Manager

GUAM HOTEL & RESTAURANT ASSOCIATION

28 April 1993

Senator John P. Aguon
Chairman, Committee on Tourism & Transportation
22nd Guam Legislature
155 Hessler Place
Agana, GU 96911

Dear Chairman Aguon:

The Guam Hotel & Restaurant Association (GHRA) supports Bill No. 44 and Bill No 48, but to varying degrees. Passage of Bill No. 44 will have the greatest impact on the visitor industry at the least cost. The design and construction of overhead lighting and underground electrical distribution lines along Camp Watkins Road and Fahrenholt Drive, as provided for in Bill No. 48, are less cost effective, in our opinion. The design and construction of adequate overhead lighting and underground electrical distribution lines along Tumon Bay are sorely needed to protect visitors and residents alike.

The Guam Hotel & Restaurant Association has no objection to using the Tourist Attraction Fund for the design and construction of overhead lighting and underground electrical distribution lines along Camp Watkins Road and Fahrenholt Drive as long as there are sufficient funds to do so without jeopardizing the viability of existing ventures such as the Guam Visitors Bureau's marketing program and the Guam Community College's Tourism and Marketing program. One million five hundred thousand dollars (approximately 8% of the annual take) is a lot of money to glean from a fund with decreasing revenues.

In short, our members especially would like to see that GVB's marketing efforts are maintained, if not intensified, to offset the current tourism slow-down.

Sincerely yours,

Kenneth L. Carriveau
President

SENATOR JOHN PEREZ AGUON
Vice Speaker
Chairman, Committee on Tourism
& Transportation
22nd Guam Legislature
155 Hessler Street
Agana, Guam 96910

SUBJECT: BILLS NO. 44 & 48

Dear Senator Aguon:

The continuing series of tourist pedestrian accidents on San Vitores Road has long been of concern to us and requires an immediate response to the problem.

Numerous efforts have been conducted over the years to eliminate pedestrian accidents, yet to this day they still occur. To be sure, with the installation of additional traffic lights, pedestrian crossings, and a reduced speed limit, the frequency of pedestrian accidents appears to have diminished, however, they still exist.

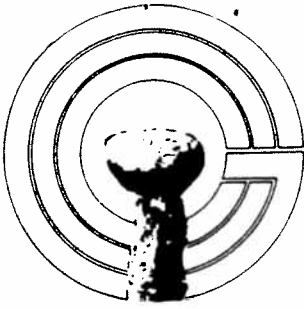

The issue of lighting on San Vitores Road has been debated at all levels and the overwhelming response has been that the existing lighting system is both inadequate and for all practical purposes non-existent. If one were to refer to the "**2010 HIGHWAY MASTER PLAN TUMON BAY TRAFFIC STUDY**", the very first recommendation made in the Executive Summary is to improve lighting. The Tourist Industry Relations Committee of the Guam Visitors Bureau, in conjunction with the Traffic Engineering Division of Department of Public Works, has worked tirelessly on this issue for years and submitted a detailed lighting plan to the current administration, only to have it disappear somewhere. The G.V.B. has written numerous letters as have we, to implement the D.P.W. lighting plan for San Vitores Road. It appears that perhaps our efforts would have been more effective had we directed our correspondence to this committee.

It is our opinion, that with the advent of a comprehensive lighting system as detailed by the Traffic Engineering Division of D.P.W., a major step will be taken to increase both the safety of residents and visitors alike. We believe that **Bills No. 44 & 48** will assist in achieving the desired results and we wholeheartedly endorse this legislation.

Sincerely,

HIDEO KOBAYASHI
President

**RE: TESTIMONY ON BILL NOS. 44 AND 48 RELATIVE TO TAF
APPROPRIATIONS FOR OVERHEAD LIGHT SYSTEMS AND
STREETLIGHTS**

Dear Mr. Chairman and Committee Members:

Thank you for the opportunity to present our comments on Bill Nos. 44 and 48 relative to appropriations from the Tourist Attraction Fund (TAF) for overhead light systems and streetlights along specific locations on our island.

The Guam Chamber of Commerce supports the purpose of both measures. It is our recommendation that the bills include language supportive of the procurement of the projects within the private sector.

We thank you for your time and attention.

Sincerely yours,

ANTOINETTE D. SANFORD
Chairwoman, Board of Directors

Guam Visitors Bureau
Setbision Bisitan Guahan

Re: Bill No. 48

Dear Mr. Chairman:

Thank you for seeking the Guam Visitors Bureau's position on Bill No. 48. The Bureau supports the intent of the legislation to place streetlights along Chalan San Vitores, Fahrenholt Drive, and Carlos Camacho Way (formerly Camp Watkins Road).

As the Bureau's testimony on Bill No. 44 indicated, any measure taken to make Guam's streets better lit to protect both pedestrian and vehicular traffic is strongly urged. The areas to be improved have considerable local and tourist traffic in the evening hours. The use of the Tourist Attraction Fund to accomplish this end is another example of what Guam's tourism industry, and the tax revenues it generates, can do to improve the standards of living on our island. Legislation such as Bill Nos. 44 and 48 would not be possible without a healthy tourism industry. All efforts should be made by both the government and the business community to ensure that our tourism industry continues to provide these needed improvements.

The Bureau urges the prompt passage of this legislation.

Sincerely,

JOEY B. CEPEDA
General Manager

Date 4/20/93

Dear Mr. Cepeda,

Hafa adai. The Committee on Tourism & Transportation will be conducting a joint Public Hearing with the Committee on Federal and Foreign Relations at 9 a.m. on Wednesday, April 28, 1993, on the following:

RESOLUTION NO. 37: Relative to opposing the federal government's proposed entry into the hotel business through the development of a 100 room lodge facility and requesting them to seek alternative measures to identifying temporary housing solutions.

Immediately thereafter, the Committee on Tourism & Transportation will conduct a hearing on the following:

REAPPOINTMENT OF: MS DORIS FLORES THOMASSON to serve as a member of the Board of Directors, Guam Mass Transit Authority, to expire on March 18, 1996.

REAPPOINTMENT OF: MR. ANTHONY PETER SGRO to serve as a member of the Board of Directors, Guam Airport Authority, to expire on March 18, 1996.

APPOINTMENT OF: MR. RALPH C. SCHULZ to serve as an alternate member of the Board of Directors, Guam Visitors Bureau, to expire on April 19, 1995.

BILL NO. 44: An act to appropriate seven hundred and fifty thousand dollars (\$750,000) from the Tourist Attraction Fund to the Department of Public Works for the design and construction of the overhead light system from the Ypao Road/San Vitores Boulevard intersection to the Hotel Nikko

BILL NO. 48: An act to appropriate one million five hundred thousand dollars (\$1,500,000) from the Tourist Attraction Fund to the Department of Public Works for the design and construction of the overhead light system from the Ypao Road-San Vitores Boulevard intersection to the Hotel Nikko and to install additional overhead streetlights along Camp Watkins Road leading to the hospital and along Fahrenheit Drive

You are cordially invited to comment on any of the matters listed. Please note that the above two bills were originally to be heard on April 7 but no Fiscal Notes were available at that time and the hearing had to be postponed. The Fiscal Notes are now in hand; your presence and participation will be appreciated.

Copies of the resolution, bills and reappointment documents are enclosed for your perusal. If you wish to testify, please bring 20 copies of your testimony to the hearing. Your presence will be appreciated.

Sincerely,

JOHN PEREZ AGUON

REAPPOINTMENT OF: MR. ANTHONY PETER SGRO to serve as a member of the Board of Directors, Guam Airport Authority, to expire on March 18, 1996.

APPOINTMENT OF: MR. RALPH C. SCHULZ to serve as an alternate member of the Board of Directors, Guam Visitors Bureau, to expire on April 19, 1995.

BILL NO. 44: An act to appropriate seven hundred and fifty thousand dollars (\$750,000) from the Tourist Attraction Fund to the Department of Public Works for the design and construction of the overhead light system from the Ypao Road/San Vitores Boulevard intersection to the Hotel Nikko

BILL NO. 48: An act to appropriate one million five hundred thousand dollars (\$1,500,000) from the Tourist Attraction Fund to the Department of Public Works for the design and construction of the overhead light system from the Ypao Road-San Vitores Boulevard intersection to the Hotel Nikko and to install additional overhead streetlights along Camp Watkins Road leading to the hospital and along Fahrenheit Drive

You are cordially invited to comment on any of the matters listed. Please note that the above two bills were originally to be heard on April 7 but no Fiscal Notes were available at that time and the hearing had to be postponed. The Fiscal Notes are now in hand; your presence and participation will be appreciated.

Copies of the resolution, bills and reappointment documents are enclosed for your perusal. If you wish to testify, please bring 20 copies of your testimony to the hearing. Your presence will be appreciated.

Sincerely,

JOHN PEREZ AGUON

Dear Mr. Carriveau,

Hafa adai. The Committee on Tourism & Transportation will be conducting a joint Public Hearing with the Committee on Federal and Foreign Relations at 9 a.m. on Wednesday, April 28, 1993, on the following:

RESOLUTION NO. 37: Relative to opposing the federal government's proposed entry into the hotel business through the development of a 100 room lodge facility and requesting them to seek alternative measures to identifying temporary housing solutions.

Immediately thereafter, the Committee on Tourism & Transportation will conduct a hearing on the following:

REAPPOINTMENT OF: MS DORIS FLORES THOMASSON to serve as a member of the Board of Directors, Guam Mass Transit Authority, to expire on March 18, 1996.

REAPPOINTMENT OF: MR. ANTHONY PETER SGRO to serve as a member of the Board of Directors, Guam Airport Authority, to expire on March 18, 1996.

APPOINTMENT OF: MR. RALPH C. SCHULZ to serve as an alternate member of the Board of Directors, Guam Visitors Bureau, to expire on April 19, 1995.

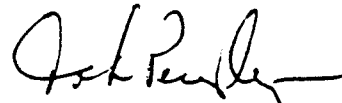

BILL NO. 44: An act to appropriate seven hundred and fifty thousand dollars (\$750,000) from the Tourist Attraction Fund to the Department of Public Works for the design and construction of the overhead light system from the Ypao Road/San Vitores Boulevard intersection to the Hotel Nikko

BILL NO. 48: An act to appropriate one million five hundred thousand dollars (\$1,500,000) from the Tourist Attraction Fund to the Department of Public Works for the design and construction of the overhead light system from the Ypao Road-San Vitores Boulevard intersection to the Hotel Nikko and to install additional overhead streetlights along Camp Watkins Road leading to the hospital and along Fahrenholt Drive

Bill No.: 48 (LS)
Introduced By:

J. P. AGUON *JPA*
C. T. C. GUTIERREZ *CTC*
D. L. G. SHIMIZU *DLG*

AN ACT TO APPROPRIATE ONE MILLION FIVE HUNDRED THOUSAND DOLLARS (\$1,500,000) FROM THE TOURIST ATTRACTION FUND TO THE DEPARTMENT OF PUBLIC WORKS FOR THE DESIGN AND CONSTRUCTION OF THE OVERHEAD LIGHT SYSTEM FROM THE YPAO ROAD SAN VITORES BOULEVARD INTERSECTION TO THE HOTEL NIKKO AND TO INSTALL ADDITIONAL OVERHEAD STREETLIGHTS ALONG CAMP WATKINS ROAD LEADING TO THE HOSPITAL AND ALONG FAHRENHOLT DRIVE.

1 BE IT ENACTED BY THE PEOPLE OF THE TERRITORY OF GUAM:

2 Section 1. **Legislative findings and intent.** The Legislature finds that
3 the existing walkway lights along San Vitores Boulevard, the streetlights
4 along Camp Watkins Road and along Fahrenholt Drive are inadequate to
5 provide for the safety of pedestrians and vehicles. The Legislature further
6 finds that an overhead light system is the best form of lighting from the
7 intersection of Ypao Road and San Vitores Boulevard to the Hotel Nikko due
8 to the continuing development in the area. The Legislature also recognized
9 that placing all electrical distribution lines underground will increase the
10 safety and reliability of the power system for residents and visitors alike.
11 Therefore, it is the intent of the Legislature to provide funding to the
12 Department of Public Works for the design and construction of overhead
13 light system to replace the existing walkway lights, to install, as needed,
14 additional overhead streetlights along Camp Watkins Road and Fahrenholt
15 Drive and to place all electrical lines underground along these routes.

16 Section 2. **Appropriation.** ONE MILLION FIVE HUNDRED THOUSAND

1 DOLLARS (\$1,500,000) are appropriated from the Tourist Attraction Fund to
2 the Department of Public Works for the design and construction of overhead
3 light system from the Ypao Road and San Vitores Boulevard intersection to
4 the Hotel Nikko, to install additional overhead streetlights along Camp
5 Watkins Road and Fahrenholt Drive and to place all electrical distribution
6 lines underground along these routes.

Members, Committee on Federal & Foreign Affairs

FROM: Chairman, Committee on Tourism & Transportation
Chairman, Committee on Federal & Foreign Affairs

SUBJECT: Joint Public Hearing

Please be advised that the Committee on Tourism & Transportation and the Committee on Federal & Foreign Affairs will conduct a joint Public Hearing at 9 a.m. on Wednesday, April 28, 1993, on the following:

RESOLUTION NO. 37: Relative to opposing the federal government's proposed entry into the hotel business through the development of a 100 room lodge facility and requesting them to seek alternative measures to identifying temporary housing solutions.

Immediately following, the Committee on Tourism & Transportation will conduct a hearing on the following:

REAPPOINTMENT OF: MS DORIS FLORES THOMASSON to serve as a member of the Board of Directors, Guam Mass Transit Authority, to expire on March 18, 1996.

REAPPOINTMENT OF: MR. ANTHONY PETER SGRO to serve as a member of the Board of Directors, Guam Airport Authority, to expire on March 18, 1996.

APPOINTMENT OF: MR. RALPH C. SCHULZ to serve as an alternate member of the Board of Directors, Guam Visitors Bureau, to expire on April 19, 1995.

BILL NO. 44: An act to appropriate seven hundred and fifty thousand dollars (\$750,000) from the Tourist Attraction Fund to the Department of Public Works for the design and construction of the overhead light system from the Ypao Road/San Vitores Boulevard intersection to the Hotel Nikko

BILL NO. 48: An act to appropriate one million five hundred thousand dollars (\$1,500,000) from the Tourist Attraction Fund to the Department of Public Works for the design and construction of the overhead light system from the Ypao Road-San Vitores

... Hearing Room April 19, 1999 Page 2

Boulevard intersection to the Hotel Nikko and to install additional overhead streetlights along Camp Watkins Road leading to the hospital and along Fahrenholt Drive

Please note that the above two bills were originally scheduled to be heard on April 7 but no Fiscal Notes were available at that time. They are now in hand; your presence and participation will be appreciated.
