Dear Speaker Unpingco:

Enclosed please find a copy of Substitute Bill No. 173 (COR), "AN ACT TO ADD A NEW §80105.2 TO TITLE 10, GUAM CODE ANNOTATED, RELATIVE TO HEALTH CARE PROFESSIONAL FEES FOR GUAM MEMORIAL HOSPITAL, AND TO CITE THE ACT AS THE HEALTH CARE PROFESSIONAL FEES SCHEDULE ACT OF 1997.", which I have signed into law today as **Public Law No. 24-32**.

This legislation puts in place a specific fee schedule for the hospital which allows the collection of professional service fees for which nothing is presently charged in most cases. This fee schedule will also allow the Guam Memorial Hospital Authority to bill Medicare for 1996 and 1997 costs which were never recovered.

I am hopeful that this legislation will proceed to move forward towards putting our only public hospital on a more financially secure footing.

Very truly yours,

Governor of Guam

**TWENTY-FOURTH GUAM LEGISLATURE  
1997 (FIRST) Regular Session**

**Bill No. 173 (COR)**

As substituted by the Committee  
on Health and Human Services.

Introduced by:

E. J. Cruz

J. C. Salas

L. F. Kasperbauer

**AN ACT TO ADD A NEW §80105.2 TO TITLE 10,  
GUAM CODE ANNOTATED, RELATIVE TO  
HEALTH CARE PROFESSIONAL FEES FOR GUAM  
MEMORIAL HOSPITAL, AND TO CITE THE ACT  
AS "THE HEALTH CARE PROFESSIONAL FEES  
SCHEDULE ACT OF 1997."**

1           **BE IT ENACTED BY THE PEOPLE OF THE TERRITORY OF GUAM:**

2           **Section 1. Legislative Intent.** The Committee on Health and Human  
3 Services (the "COMMITTEE") finds that in 1995, the proposed Guam  
4 Memorial Hospital Health Care Professional Fee was disapproved by the  
5 Twenty-Third Guam Legislature at the request of the Hospital. If passed the  
6 Health Care Professional Fees would have generated Two Million Dollars  
7 (\$2,000,000.00) in potential revenues for the Hospital. Furthermore, the  
8 Hospital has expressed that the Guam Legislature act urgently in favor of Bill  
9 No. 173 before June, 1997. By doing so, the Hospital would be able to realize  
10 One Million Dollars (\$1,000,000.00) in revenue by billing Medicare for services  
11 rendered but un-collectable for the past two (2) years. And in addition, the  
12 Guam Legislature finds that the Hospital has been providing health care

1 professional services to patients through the hospital health care professional  
2 staff which includes licensed physicians, nurses and allied health care  
3 providers. The services of these health care professionals have not been  
4 included as part of the hospital fees and therefore patients and the insurers  
5 have not been duly billed. Furthermore, the Guam Legislature finds that the  
6 Hospital is in dire need of revenue to pay for its operations and maintenance  
7 as well as for medication and supplies. Payment from Medicare and other  
8 sources amounting to approximately Two Million Dollars (\$2,000,000.00) to  
9 Three Million Dollars (\$3,000,000.00) annually is not being realized because  
10 the Hospital as yet has not implemented a Health Care Professional Fees. The  
11 implementation of Health Care Professional Fees will provide the Hospital  
12 with additional cash that can help resolve its fiscal problems including  
13 payment of the Twenty-seven Million Dollars (\$27,000,000.00) Million Loan.  
14 The fee schedule attached hereto and known as, "Exhibit 1," is derived from  
15 the 1996 Physicians Fee Reference. Most importantly, the Committee on  
16 Health and Human Services, on behalf of the Guam Legislature, finds that  
17 during a January 28, 1997 Committee Oversight Hearing on Health Care,  
18 Robert Bath, the Health Care Financing Administration ("HCFA"), Region IX  
19 Pacific Area Representative and Dr. Bernard Fong (Medicare Part B  
20 Contractor) informed the Committee that monies from Part B of the Medicare  
21 Program were still available and that the Hospital has not billed Medicare for  
22 Part B services. However, if legislation establishing a Health Care  
23 Professional Fee Schedule is enacted, the Hospital can recover monies for  
24 these services.

1           **Section 2. Title.** This Act may be cited or referred to as, "The Health  
2 Care Professional Fees Schedule Act of 1997."

3           **Section 3.** A new §80105.2 is added to Title 10 Guam Code Annotated  
4 to read as follows:

5                   **"Section 80105.2. Health Care Professional Fees Schedule. (a)**  
6           **Authorization to Implement Health Care Professional Fees.** The  
7 Guam Memorial Hospital Authority (the "AUTHORITY") is hereby  
8 authorized to implement the attached Health Care Professional Fees  
9 known as, "Exhibit 1," as part of the Hospital's fee schedule.

10                   **(b) Revisions of the Health Care Professional Fees Schedule.**  
11 The provision of this Act shall be repealed upon subsequent submission  
12 and approval of the Health Care Professional Fees through the  
13 Administrative Adjudication Law."

## TESTIMONY:

Appearing before the Committee was Ms. Teofila Cruz, Acting Hospital Administrator. [Attachment 3] In her testimony, Ms. Cruz informed the Committee that passage of Bill No. 173 would enable the Hospital to obtain adequate compensation to cover the costs of its physician services. Ms. Cruz elaborated saying that the Hospital is in the process of preparing its new Professional Fee Schedule for implementation and that a copy will be transmitted to the Committee for its review.

According to Ms. Cruz, the establishment of Professional Fee Schedule by the Hospital represents a potential revenue source for prospective revenues and will also enable the facility to bill for Medicare revenues for the past fiscal year. She went on to say that the implementation of Professional Fees will provide the Hospital with additional monies that can be applied toward the resolution of its fiscal problems.

During questioning by the Chairperson as to the type of services provided by the Hospital, Ms. Cruz stated that the Hospital provides free hospital based physician services in the Emergency Department, the Laboratory (Pathology), the and Anesthesiology service. Ms. Cruz further stated that the costs for these services including the services provided to patients without insurance or any responsible paying party cost about \$3 to \$5 million annually.

Discussion then centered on whether the Hospital Authority would be required to promulgate the Professional Fees without having to go through the adjudication process. Senator Aguon recommended that the Hospital be allowed to the establish the Health Care Professional Fees and that the Legislature be provided a 30 calendar day period for its review and comment. He also stated that any adjustments to the fees after the initial implementation would be then subject to the Administrative Adjudication Law.

There being no further witnesses, the Chairperson adjourned the Committee hearing on Bill No. 173 at 10:45 a.m.

## FINDINGS:

The Committee finds the following:

- \* It is the intent of the Guam Legislature to implement Health Care Professional Fees for the Hospital based on Codes of Procedural

- \* Technology (CPT). The fees consist of 2 parts. Part One is the "General Fees," and Part Two is a section addressing "Anesthesia Fees."
- \* The Committee finds that the Health Care Professional Fees were developed by taking the 1996 Medicare Fee for each CPT (Codes of Procedural Technology).
- \* Medicare at this time does not acknowledge the Hospital's current Anesthesiology Fees because it is not linked to a procedural code (CPT). The Anesthesiology Fees proposed are based upon the 1996 American Society of Anesthesiologist Relative Value Guide. Therefore, Medicare has refused to pay for services that the Hospital has billed because there is no established CPT.
- \* The Hospital currently provides services in the Emergency Department, the Laboratory (Pathology), and the Anesthesiology service to patients without compensation.
- \* Without an established Health Care Professional Fee, the Hospital loses revenue amounting to \$3 to \$5 Million annually for these services.
- \* The Committee, cognizant of the Hospital's precarious financial condition, finds that by implementing the established guidelines for the Medicare Regional Fees for Guam, the Hospital would be able to realize an additional revenue source and at the same time be able to bill Medicare for services the last 2 years.
- \* Passage of Bill No. 173 will provide for the implementation of Professional Fees thus enabling the Hospital to obtain adequate compensation to cover the costs of its physician services.
- \* Implementation of a Health Care Professional Fees schedule represents a significant revenue source for the Hospital while at the same time allowing the Hospital to bill for Medicare services.

Dear Mr. Chairman and Members of the Committee on Health and Human Services

My name is Teofila Cruz, and I am the Acting Hospital Administrator. I am pleased to provide written testimony on Bill no. 173(COR) regarding professional fees for the Hospital.

The Guam Memorial Hospital provides hospital based physician services in the Emergency Department, Laboratory (Pathology), and Anesthesiology services to patients without compensation. Costs for these services average about 3 to 5 million dollars annually including the costs for house patient services provided to patients without insurance or any identified provider. Combined, these represent the costs for which the Hospital receives very limited reimbursement on an annual basis.

Passage of this bill will provide for the implementation of professional fees and will enable the Hospital to obtain adequate compensation to cover the costs of its physician services. The Hospital is in the process of preparing its new Professional Fee Schedule for implementation and will be transmitting this document for the Committee's review and information by the end of next week.

The establishment of these Professional Fees by the Hospital represents a potential revenue source for prospective revenues and will also enable the facility to bill for Medicare revenues for the past fiscal year. The implementation of Professional Fees proposed by this Bill will provide the Hospital with additional cash that can be applied towards the resolution of its fiscal problems. Your favorable consideration of the Professional Fee Schedule presented with this testimony and the passage of the Bill will be greatly appreciated.

Dear Mr. Chairman,

I have been advised that the GMHA Medical Staff have indicated their support for the proposed professional service fees provided that they are based on the 50<sup>th</sup> percentile of the nationwide survey of professional fees as outlined in the Physician Fee Reference (PFR) Comprehensive Fee Report for 1996, which is a nationally accepted billing reference for such fees.

For the information of your Committee, we have prepared a professional fee schedule which reflects this proviso. This information is provided as a supplement to GMHA's prior submission for the establishment of a professional service fee schedule. I trust that you will find this additional information to be useful in your Committee's deliberations.

Sincerely,

## APPENDIX A GEOGRAPHIC MULTIPLIERS

To help refine PFR fee information for your area we calculated geographic adjustment factors (PFR Multiplier) for over 250 geographic areas. These geographic areas and corresponding multiplier values were derived from a modified version of the government's RBRVS geographic adjustment factors. Note: we have modified some geographic areas and factored regional economic information to assist you in finding a more precise multiplier. Do not use these factors for Medicare.

PFR multipliers describe overall relative differences of physicians' costs between communities and do not take into consideration economic disparities within large urban areas. This approximation adds a degree of error or uncertainty - perhaps up to +/- 5%. Geographic multipliers have their limitations but are found to be the best available measurement of the relative differences among areas in medical practice costs. Also, multipliers are most accurate at the middle or median (50%) of a distribution.

For example: The PFR multiplier for Birmingham, AL is .950. The adjusted 50%, 75% & 90% percentiles for CPT 10040 Acne Surgery are 50% = \$65 x .950 = \$62, 75% = \$93 x .950 = \$88 & 90% = \$145 x .950 = \$138.
