1 BE IT ENACTED BY THE PEOPLE OF GUAM:

2 Section 1. Legislative Findings and Intent. I Liheslatura finds that the
3 Department of Parks and Recreation needs assistance in the prevention of vandalism of
4 Guam's parks and park facilities over which it has jurisdiction. The mission of the Parks
5 Division of the department is to provide clean, safe and attractive parks for the recreational
6 and aesthetic enjoyment of island residents and visitors. Currently, Department of Parks
7 and Recreation has three Park Rangers delegated to the enforcement of mandates in place
8 to allow the department to accomplish its mission.

9 I Liheslatura further finds that there are ~~four~~ three parks identified by the department
10 that experience high volumes of vandalism, including Matapang Beach Park in Tumon,
11 Asan Memorial Beach Park in Asan, ~~Apotguan Beach Park in East Agaña,~~ and Fort Soledad
12 in Umatac. It is therefore the intent of I Liheslatura to deappropriate Twenty-Five Thousand
13 Dollars (\$25,000.00) from the budget allotted to the Office of Vice Speaker Joanne M.S.

Senator Judy Won Pat

II. SUMMARY OF TESTIMONY

Individuals that appeared before the Committee to present oral and written testimony on the bill were as follows:

Tom Morrison, Director, Department of Parks & Recreation provided oral and written testimony in support of Bill No. 209 (EC). Mr. Morrison testified that the Gated Parks Program, initiated in 2003, has been instrumental in deterring and preventing vandalism of the island's public parks and facilities. He added that the proposed legislation will allow the department to move forward with protecting isolated parks which park rangers cannot secure at night.

Concerns/Questions from committee and individuals who presented testimony:

Senator J. Won Pat asked if Asan Memorial Beach Park was under federal jurisdiction. **Mr. Morrison** clarified that the area adjacent to the memorial park was local property. It will cost about two-thousand dollars (\$2,000) to install and construct a gate to prevent vandals from driving vehicles into the area and destroying property, he added.

Senator Won Pat asked the location of Apotguan Beach Park. It was stated that this is the park adjacent to Alupang Beach Towers. **Speaker M. Forbes** sought clarification on whether structures were recently demolished in this area. **Cynthia Jackson** of the Department of Public Works stated restroom facilities were torn down because they were in violation of FEMA regulations.

Speaker Forbes said this park is popular with the community, and asked Ms. Jackson if she had any recommendations on how to restore its restroom facilities. **Ms. Jackson** said the Recovery Coordination Office is best suited to answer this question. **Speaker Forbes** then asked Mr. Morrison to probe into the Apotguan park's restroom reconstruction. **Mr. Morrison** said the parks department will monitor whether there is an increase in permit requests. **Speaker Forbes** said this was beside the point and reiterated the area's importance, and the lack of restroom facilities poses an inconvenience to the community.

Senator Won Pat inquired with Mr. Morrison whether the department thought of entering into some form of partnership with the neighboring hotel. **Mr. Morrison** noted they have sent a letter to Alupang Beach Towers pertaining to this, but have not received a response.

Senator L. Kasperbauer asked if the word “restroom” should be omitted from the bill since there is no longer a facility, therefore, no need for security gates to be constructed. **Mr. Morrison** concurred, explaining that at the time the bill was written, the former parks administrator did not foresee the demolition of facilities.

Speaker Forbes asked if there were other parks with razed infrastructure, and whether it is a new policy of the parks department to tear down underutilized park facilities to deter vandals. **Mr. Morrison** responded that these areas do not serve the intended purposes and have become a haven for crime and vandalism, it is a 30-year-old problem due to poor planning. **Speaker Forbes** asked that the legislature and the community be notified of parks slated for closure. **Mr. Morrison** responded that this is made already public.

Vice Speaker Brown said if this is an issue for discussion, her committee can dialogue with the Department of Parks & Recreation. She noted that relative to Apotguon Point Park, the figures were provided by the parks department, and she and parks officials can work on necessary amendments to the legislation to address changes. She further inquired about updates specific to arrangements made between the government and the hotel adjacent to Matapang Beach Park in Tumon. **Mr. Morrison** stated that this is before the Office of the Attorney General and did not want to comment further.

Speaker Forbes said that the institution of barbequing at beaches or public parks – although seemingly insignificant – is important because it holds great social value. He explained that Tumon is catered to tourists, therefore, the island’s public parks in other parts of the island are important to the community – this is why the Department of Parks and Recreation exists – to benefit the people and not just the parks.

III. FINDINGS AND RECOMMENDATION

The Executive Committee finds that the intent of Bill No. 209 (EC) is to assist the Department of Parks and Recreation in its efforts to protect the island’s public parks from acts of vandalism and other crimes.

I Liheslatura further finds that money, which will be provided through funds from the Office of Vice Speaker Joanne M.S. Brown, will assist the Department of Parks and Recreation with its Gated Parks Program to protect the island’s public parks and facilities, so that the community may be able to enjoy and benefit from their use during recreational and social gatherings.

Accordingly, the Executive Committee to which BILL No. 209 (EC) was referred does hereby submit its findings and recommendations to I Mina' Bente Ocho Na Liheslaturan Guåhan **TO DO PASS BILL No. 209 (EC), as amended, “An Act To Appropriate Twenty-Five Thousand Dollars (\$25,000.00) From The Funds Of The Office Of Vice Speaker Joanne M.S. Brown To The Department Of Parks And Recreation For The Installation And Repair Of Entry Gates And Equipment And Supplies For Tø Public Parks Around The Island”.**

Hearing on Cook School transfer today

By Steve Limbaco
Pacific Daily News

A historic former school building in the heart of Merizo, once used as a village youth center, has been boarded up for years and has become a target for vandals.

Officials are working on a grant from the Guam Preservation Trust, which spent \$300,000 to repair the building in 1997, to repair the Marilyn G. Cook School, and lawmakers today will hear public testimony on a bill that would transfer the school from the Department of Parks and Recreation to the village mayor's office.

Santiago is one of the older residents in the village, but she has a connection to the building and says they went to school there, and using the facility regularly would help keep it maintained.

Former Mayor Ignacio "Buck" Cruz, who was a student at the Cook School, said typhoons damaged the building several years ago, then rock-throwing youths broke more windows and damaged it further.

Dear Speaker Forbes:

Hafa Adai! The Department of Parks and Recreation (DPR) is in full support of the referenced bill which would provide funding for the repair and installation of entry gates at various park facilities throughout the island. The incorporation of park entry gates into our existing park system continues to be instrumental in the deterrence of vandalism.

The newly expanded Territorial Park Patrol Program, in combination with the gated park system has proved effective in our mission to provide clean, safe, and attractive park and recreational facilities for our island residents and visitors alike. We would also like to extend our sincere appreciation to Vice Speaker Brown for her continued support of the department. If you have any questions, please feel free to contact me directly at 475-6296. Thank you for the opportunity to comment.
