**CHAPTER II.**

**PART IV – ROAD AND POTHOLE REPAIR.**

**Section 1.** A new Section 1513 is hereby *added* to 5GCA to read:

**“§1513. 2005 Revenue Road and Pothole Repair Bonds.**

**(a) Authorization of Issuance of Revenue Road and Pothole Repair Bonds.** *I Maga’lahen Guåhan* is authorized to issue new bonds of the government of Guam in an aggregate principal amount *not to exceed* Twenty-Six Million Six Hundred Eight Thousand Dollars (**\$26,608,000**) for the purposes of funding all or a portion of the road and pothole repair projects described herein, and paying expenses incurred in connection with the issuance of such new bonds; provided, however, that the issuance of the new bonds shall not cause a violation of the debt limitation provisions of 48 U.S.C. §1423a.

**(b) Terms and Conditions Determined by Indenture.** The terms and conditions of the bonds shall be as determined by *I Maga’lahi* by the execution of an indenture securing the bonds upon or prior to the issuance of the bonds. The indenture shall contain such terms and conditions as are consistent with this Section.

**(c) Valid and Binding Obligation.** To the extent that the debt limitation provisions of 48 U.S.C. §1423a are not violated, any bonds authorized by this Section shall constitute the valid and legally binding limited obligations of the government of Guam payable solely from and secured by a pledge of the revenues pledged pursuant to Subsection (d) of this Section.

**(d) Pledge of Revenues; Not a General Obligation.** There is established the Road and Pothole Repair Fund, hereinafter known as the ‘RPRF’. Notwithstanding the provisions of Section 7161, 16 GCA, all fees deposited and maintained in the Street Light Fund shall be transferred and henceforth, deposited and maintained in the RPRF. All revenues contained in the RPRF may be

1 pledged to secure the repayment of any bonds issued under this Section and to  
2 pay costs incurred in the issuance or administration of the bonds. Any pledge  
3 made to secure the bonds shall be valid and binding from the time the pledge is  
4 made. The revenues pledged and thereafter received by the government of Guam  
5 or by any trustee, depository or custodian shall be deposited in a separate account  
6 and shall be immediately subject to the lien of such pledge without any physical  
7 delivery thereof or further act, and the lien of such pledge shall be valid and  
8 binding against all parties having claims of any kind in tort, contract or otherwise  
9 against the government of Guam or such trustee, depository or custodian,  
10 irrespective of whether the parties have notice thereof. The indenture or  
11 agreement by which such pledge is created need not be recorded. All such fees  
12 and penalties, to the extent so pledged, are hereby continuously appropriated for  
13 such purpose. Any annual balances in the RPRF not required for annual debt  
14 service, on an annual basis, or such other use as detailed in the indenture may be  
15 reverted to the Abandoned Vehicle/Streetlight Fund. The bonds shall not be, and  
16 shall state on their face that they are not, general obligations of the government of  
17 Guam.

18 **(e) Waiver of Immunity.** Notwithstanding any substantive or procedural  
19 provision of Chapter 6 of Title 5 of the Guam Code Annotated, the government  
20 of Guam waives immunity from any suit or action in contract on the bonds, but  
21 does *not* waive sovereign immunity as to the personal liability of elected officials  
22 and employees of the government of Guam.

23 **(f) Form of Bonds; Covenants; Appointment of Fiduciaries.** The technical  
24 form and language of the bonds, including provisions for execution, exchange,  
25 transfer, registration, paying agency, lost or mutilated bonds, negotiability,  
26 cancellation and other terms or conditions not inconsistent with this Section,  
27 including covenants relating to the maintenance of revenues, shall be as specified

1 in the indenture approved by *I Maga'lahi*, authorizing the issuance of the bonds.  
2 The indenture may appoint one (1) or more trustees or other fiduciaries  
3 authorized to receive and hold in trust the proceeds of the bonds and revenues  
4 relating thereto, to protect the rights of bondholders and to perform such other  
5 duties as may be specified in the indenture. *I Maga'lahi* is also authorized to  
6 execute, on behalf of the government of Guam, any appropriate agreements,  
7 certificates or other instruments relating to the bonds, the sale of the bonds and  
8 payment of the bonds being refunded. The indenture shall be subject to the  
9 approval of *I Liheslaturan Guåhan*.

10 **(g) Authorization for Credit Enhancement.** *I Maga'lahi* is authorized to  
11 enter into such contracts or agreements with such banks, insurance companies or  
12 other financial institutions as he determines are necessary or desirable to improve  
13 the security and marketability of the bonds issued under this Section. Such  
14 contracts or agreements may contain an obligation to reimburse, with interest,  
15 any such banks, insurance companies or other financial institutions for advances  
16 used to pay principal or interest on the bonds. Any such reimbursement  
17 obligation shall be payable *solely* from, and may be secured by a pledge of, the  
18 revenues described in Subsection (d) of this Section.

19 **(h) Use of Proceeds from the Sale of the Bonds.** Proceeds from the sale of  
20 the bonds shall be used *solely* to fund all or a portion of the projects enumerated  
21 in Subsection (j) of this Section, and to pay expenses relating to the authorization,  
22 sale and issuance of the bonds and the payment of the bonds being refunded,  
23 including, without limitation, printing costs, costs of reproducing documents,  
24 bond insurance premiums, underwriting, legal and accounting fees and charges,  
25 fees paid to banks or other financial institutions providing credit enhancement,  
26 costs of credit ratings, fees and charges for execution, transportation and  
27 safekeeping of bonds, escrow agent fees and other costs, charges and fees in

1 connection with the issuance, sale and delivery of the bonds and the payment of  
2 the bonds being refunded.

3 **(i) No Personal Liability Except for Failure to Perform Ministerial Duty.**

4 No employee or elected official of the government of Guam shall be individually  
5 or personally liable for the payment of any amounts due on any bonds issued  
6 under this Section, or for any other liability arising in connection with the bonds;  
7 provided, however, that nothing in this Section shall relieve any employee or  
8 elected official from the performance of any ministerial duty required by law.

9 **(j) Proceeds.** The proceeds shall be expended for the following road and  
10 pothole repair projects:

11 1. Repair of potholes not determined to be caused by the Guam  
12 Waterworks Authority or its contractors, the Guam Power Authority or its  
13 contractors, or any autonomous agency of the government of Guam or its  
14 contractors, as determined by the Director of Public Works. The Director  
15 of Public Works shall prioritize the order in which potholes shall be  
16 repaired, taking into account usage of the effected road or highway,  
17 severity of the pothole and risk to public safety.
