1        **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2        **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guáhan* finds  
3 that safety and proper barbering and cosmetology practices should be held to the  
4 greatest standards to ensure that the products and practices in this profession are  
5 performed in a manner that is not detrimental to the health and safety of our people.

1 New practices found nationwide and possibly in Guam have been found to be  
2 conducted without authorization by public law and may violate the very health and  
3 safety these laws are meant to protect. Additionally, *I Liheslaturan Guåhan* further  
4 finds that in order to maintain standards with national requirements, Guam must  
5 enhance requirements to fulfill reciprocity regulations that will provide for  
6 opportunities for barbering and cosmetology professionals.
