Re: Bill No. 42-35 (COR) – “An Act To Grant The Title Of Ownership Of A Six Thousand One Hundred Twenty (6,120) Square Meter Portion Of Lot 5109-REM In The Municipality Of Tamuning To The Guam Regional Transit Authority”

Dear Madame Speaker:

Bill No. 42-35 (COR), which I have signed into law as **Public Law 35-26**, is an investment towards a safe, reliable and accessible transit system for our community. Our recent purchase of additional buses is the first of many I hope to add to our fleet for public transportation. It is our responsibility to make sure that these vehicles are well maintained and are always in good operation for Guam's commuters. My administration is committed to protect these investments with the building of this maintenance and administrative facility. When completed, the Guam Regional Transit Authority will be one step closer in reaching its mission to provide quality public transportation.

Senseremente,

LOURDES A. LEON GUERRERO

Maga'hågan Guåhan

Governor of Guam
