Re: **Bill No. 126-35 (COR) – An Act To Add A New § 57107 To Chapter 57 Of Title 10, Guam Code Annotated, Relative To Requiring The Department of Revenue And Taxation To Establish An Exceptions Process For Homeless Individuals And Unaccompanied Homeless Youth Obtaining A Guam Identification Card; And To Further Citing This Act As The “Homeless Youth And Families Identification Act”.**

Dear Madame Speaker:

Photo identification is a necessity in daily life on Guam. For most of us, having identification is taken for granted and rarely poses a problem when we forget to carry it with us. However, photo identification problems are particularly acute for persons facing homelessness. Homeless people are often in desperate need of shelter, food, clothing, and other services. Without identification, they cannot obtain lawful employment or receive basic social and needed medical services. Often, they are denied access to certain public benefits and assistance that are designed to help move the homeless out of poverty.

Since taking office in January, Lieutenant Governor Joshua Tenorio has been active in trying to alleviate the issues affecting Guam's homeless population. Bill No. 126-35, which I have signed into law as **Public Law 35-32**, helps his plan to provide the homeless a path towards self-sufficiency.

It will come as a cost to the Department of Revenue and Taxation. The law does not provide additional funding to plan or implement a prepared program within the 180 days as mandated. Even so, it is a worthwhile investment if it allows our brothers and sisters and their children access to a safer way of living. While the law cannot overcome all the recent federal mandates surrounding photo identification, it does give the homeless population a source of documentation.

I hope the Legislature will continue to work with the Lieutenant Governor to advance his initiative to reduce the number of homeless members of our community. **Public Law 35-32** is certainly a good start toward this goal.

Senseremente,

LOURDES A. LEON GUERRERO

AN ACT TO *ADD* A NEW § 57107 TO CHAPTER 57 OF TITLE 10, GUAM CODE ANNOTATED, RELATIVE TO REQUIRING THE DEPARTMENT OF REVENUE AND TAXATION TO ESTABLISH AN EXCEPTIONS PROCESS FOR HOMELESS INDIVIDUALS AND UNACCOMPANIED HOMELESS YOUTH OBTAINING A GUAM IDENTIFICATION CARD; AND TO FURTHER CITING THIS ACT AS THE "*HOMELESS YOUTH AND FAMILIES IDENTIFICATION ACT*."

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds
3 that it is a legitimate government interest to address the island's growing homeless

1 population. According to preliminary data from the Guam Homeless Coalition’s
2 (GHC) 2019 Point-in-Time Count, the number of homeless households on Guam
3 grew from 13.2% to 16% and the number of people whose primary nighttime
4 residence is not designed to accommodate regular sleeping increased from seven
5 hundred twenty-seven (727) in 2018 to seven hundred sixty-five (765) in 2019.

6 *I Liheslaturan Guåhan* further finds that individuals who are homeless are
7 often without personal identification documents as the transient and unstable nature
8 of homelessness increases the likelihood of such documents getting stolen or lost.
9 Based on the GHC’s most recent Point-in-Time Count Report, the number of
10 responses citing “no identification as a barrier to employment” doubled between
11 2017 and 2018. While identification is necessary for obtaining employment or
12 certain public benefits, fees for acquiring or replacing personal identification
13 documents are often prohibitive to a homeless individual.

14 *I Liheslaturan Guåhan* therefore finds that removing barriers that prevent
15 homeless individuals from obtaining identification documents may enable these
16 individuals to achieve greater financial stability and a permanent home.

17 **Section 2.** A new § 57107 is hereby *added* to Chapter 57 of Title 10, Guam
18 Code Annotated, to read:

19 **“§ 57107. Guam Identification Card for Homeless Individuals**
20 **and Unaccompanied Homeless Youth.**

21 The Department of Revenue and Taxation *shall* establish an exceptions
22 process for a person who is homeless or is an unaccompanied homeless youth
23 to apply for a Guam Identification Card and to waive any fees associated with
24 obtaining the identification card; provided further, that said process *shall*
25 allow for a person who is homeless or is an unaccompanied homeless youth
26 to submit proof of residency by providing documentation satisfactory to the
27 Department of Revenue and Taxation from a homeless, social service, or other

1 public assistance provider on Guam. For the purposes of this Section, the term
2 *homeless, shall* mean a person as defined by the *Stewart B. McKinney*
3 *Homeless Assistance Act of 1987*, § 103(a), 42 U.S.C. § 11302(a), as amended
4 from time to time, and the term *unaccompanied homeless youth, shall* mean a
5 person twenty-four (24) years of age or younger who is not in the physical
6 custody or care of a parent or legal guardian and who lacks a fixed, regular,
7 and adequate nighttime residence.”

8 **Section 3.** The exceptions process *shall* be established within one hundred
9 eighty (180) calendar days from the date of enactment.
