Re: Bill No. 186-35 (COR) – An Act Making Appropriations for the Operations of the Executive, Legislative, and Judicial Branches of the Government of Guam for Fiscal Year Ending September 30, 2020, Making Other Appropriations, and Establishing Miscellaneous and Administrative Provisions.

Dear Madame Speaker:

In April, I transmitted Bill No. 75-35, my proposed budget for fiscal year 2020. That proposal represented a change from the status quo of previous years, and is meant to continue the momentum of the past eight months. We have been on track to strengthen public safety and to finally make progress in addressing the woes of our health agencies. It also ensured that education continued to be a priority under our leadership. With the proposal of a true Rainy-Day fund, my budget bill signaled to potential investors that Guam aspires to be credit-worthy.

Those goals were not immediately apparent in the first iteration of Bill No. 186-35 and I credit my fiscal team for working diligently to safeguard funding for my policies and agenda. My administration strove to ensure that our hardworking government of Guam employees are treated fairly by lifting the freeze on increment pay and authorizing a pay study. They made sure to protect vital programs such as medical cannabis, the foster care group home, suicide prevention, inpatient detoxification, and the safe school's initiative. And while the executive

branch suffered cuts to its budget, when the other branches of government saw an increase, Bill No. 186-35 is now something that we can work with.

Today, I am signing Bill No. 186-35 into law as **Public Law 35-36**, not because I fully agree with the Legislature's decisions on appropriations, but because I trust that it has presented me with this budget after exercising due diligence in its duties under the Organic Act. The past eight months, while short, should show the Legislature that my administration will be able to accomplish its goals even with these cuts to the executive budget. When we do, I hope that the accusatory and political rhetoric will finally take a back seat to a collaborative environment. And hopefully a year from now, the Legislature will trust that just as it has done its duty to appropriate funds, I will do mine to govern.

We will work with it.

Senseremente,

LOURDES A. LEON GUERRERO
