Re: Bill No. 150-35 (COR) – An Act to Amend § 2104 of Chapter 2, Title 5, Guam Code Annotated, Relative to Expanding the Scope of Function and Membership of the Islandwide Beautification Task Force

Dear Madame Speaker:

The Lt. Governor and I believe we all have a responsibility to build and maintain a clean, green, and beautiful Guam. Litter and illegal dumping affect not only our island's aesthetics, but can also have a significant impact on the environment by threatening wildlife and leading to long-term contamination of our land and water.

Bill 150-35, which I have signed into law as **Public Law No. 35-56**, increases the membership of the Island Beautification Task Force and expands its mandate to include implementing beautification projects, preventing littering and illegal disposal of waste, and implementing education and training programs. Every person must do their part in preserving our island, and with further government support, we will be closer to the day we will see a pristine Guam.

Senseremente,

LOURDES A. LEON GUERRERO

Maga'hågan Guåhan

Governor of Guam
