Re: Substitute Bill No. 181-35 (COR) – An Act to Add a New Article 13 to Chapter 1 of Division 1, Title 5, Guam Code Annotated, Relative to Creating a Guam War Claims Fund to Compensate Adjudicated Claims of the Greatest Generation of Guam for the Atrocities Suffered During the World War II Occupation of Guam

Dear Madame Speaker:

Over 75 years ago, our people suffered unspeakable harm from Imperial Japanese military forces. After 75 years of waiting, our Greatest Generation can now begin to heal old wounds.

Their loyalty is recognized, their courage is honored, and, soon, a memorandum of agreement with the Department of Treasury can begin the process of healing old wounds.

Signing this bill into law is more than just paying long overdue debt; it acknowledges the pains of the past, is symbolic of the peace of the present, and is about making our Greatest Generation whole.

This meaningful work could not have been accomplished without your courage and tenacity and the partnership you forged on the floor of the 35th Guam Legislature. While a small chorus of cynics have questioned this measure’s motive or timing, each of us recognized that those directly impacted by this bill no longer had time to wait.
With the enactment of this law, the long struggle of our manåmko’ will finally be fully recognized.

While the creation of this local program is essential for those running out of time, this Administration maintains its support for the passage of H.R. 1365. Passage of H.R. 1365 is vital to the payment of all claims adjudicated under federal law.

It is with my deepest honor that I sign Bill 181-35 into **Public Law 35-61**.

_Senseremente,_

LOURDES A. LEON GUERRERO  
Maga’hågan Guåhan  
Governor of Guam

AN ACT TO ADD A NEW ARTICLE 13 TO CHAPTER 1
OF DIVISION 1, TITLE 5, GUAM CODE ANNOTATED,
RELATIVE TO CREATING A GUAM WAR CLAIMS
FUND TO COMPENSATE ADJUDICATED CLAIMS OF
THE GREATEST GENERATION OF GUAM FOR THE
ATROCITIES SUFFERED DURING THE WORLD WAR
II OCCUPATION OF GUAM.

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Findings and Intent. During World War II, on
December 8, 1941, the Imperial Japanese Military invaded and occupied Guam for
nearly three (3) years. During the period of the island’s occupation, approximately
twenty thousand (20,000) of its residents comprised largely of CHamoru ancestry,
suffered and were subjected to death, rape, severe personal injury, personal injury,
forced labor, forced march, or internment.

On July 21, 1944, U.S. military forces returned to Guam and liberated the
island from Japanese occupation. On November 15, 1945, the U.S. Congress passed
the Guam Meritorious Claims Act, which was signed into law by President Harry S.
Truman as U.S. Public Law 79-224. The Guam Meritorious Claims Act authorized
the Secretary of the Navy to grant immediate relief to the residents of Guam by
adjudicating and settling claims for property damage, death, or personal injury.
Claims in excess of Five Thousand Dollars ($5,000) needed additional congressional
approval and, unlike most claims for property damage, residents of Guam did not
receive adequate settlements.

In 1947, Dr. Ernest M. Hopkins chaired a committee appointed by the
Secretary of the Navy to evaluate the U.S. Navy’s execution of the Guam
Meritorious Claims Act. The report generated by the committee, known as the
“Hopkins Report,” determined that the implementation of the Guam Meritorious
Claims Act was not sufficient and payments of claims were made too slow. The
Hopkins Report recommended to Congress that changes were necessary to address
the inefficiencies; however, Congress failed to adopt any of the recommendations in
future war claims legislation.

On December 23, 2016, nearly seventy-two (72) years after the passage of the
Guam Meritorious Claims Act, the Guam World War II Loyalty Recognition Act
was signed into law as U.S. Public Law 114-328. U.S. Public Law 114-328
recognizes the suffering and loyalty of the people of Guam during the Japanese
occupation and authorizes the Foreign Claims Settlement Commission to accept and
adjudicate claims, and further directs the U.S. Secretary of the Treasury to make
payments of adjudicated claims.
In 2019, which is the seventy-fifth (75th) year anniversary commemorating the Liberation of Guam, I Maga’hågan Guåhan and I Lihesturan Guåhan learned that additional congressional action is necessary to fully implement U.S. Public Law 114-328; and, while congressional action is pending, the remaining survivors of Guam’s World War II occupation with adjudicated claims continue to wait for payment of their awards.

Therefore, it is the intent of I Maga’hågan Guåhan and I Mina’trentai Singko Na Lihesturan Guåhan to do right by our war survivors.

**Section 2. Creating a Guam War Claims Fund.** A new Article 13 is hereby added to Chapter 1 of Division 1, Title 5, Guam Code Annotated, to read as follows:

"**ARTICLE 13**

GUAM WAR CLAIMS FUND

§ 11301. Fund Structure and Administration.

(a) There is hereby established the Seventy-fifth (75th) Guam Liberation War Claims Fund (Fund), which shall be administered by the Department of Administration.

(b) The purpose of the Fund is to receive deposits to pay for certified claims to Compensable Guam Victims, as defined in Section 1704(c)(2) of U.S. Public Law 114-328, by the Foreign Claims Settlement Commission, as referenced in Section 1705 of U.S. Public Law 114-328.

(c) I Maga’hågan Guåhan is authorized to transfer such sums as are available from the General Fund to pay adjudicated claims as of the passage of this Act from the General Fund appropriations contained within Public Law 34-116 and Public Law 35-36 for the purposes outlined in Subsection (d) of this Section.

(d) Any funds transferred to the Fund shall only be used to pay Compensable Guam Victims with certified claims by the Foreign Claims Settlement
Commission and such use shall be consistent under a Memorandum of Agreement between the Guam Department of Administration and the U.S. Department of the Treasury. This Fund shall be exempt from the Governor’s transfer authority; and, any funds remaining shall be subject to legislative appropriation.

(e) All money reimbursed to the Government of Guam for payment of claims as authorized in Subsection (d) of this Section shall be deposited in the Fund.

(f) The Department of Administration and the Bureau of Budget and Management Research shall submit a report every six (6) months to I Liheslaturan Guåhan and I Maga'hågan Guåhan on the status of payments and reimbursements to Compensable Guam Victims pursuant to this Article until all payments and reimbursements of claims are exhausted. Information provided by the United States Government to the Government of Guam concerning the identity of war survivors and their application for war claims shall be protected and shall not be part of the public record.”

Section 3. Effective Date. This Act shall be effective upon the execution of a Memorandum of Understanding between the United States Government and the Government of Guam which sets out the administrative process that must be adhered to for the Government of Guam to pay awards; provided, that this Memorandum of Understanding must be filed with I Liheslaturan Guåhan prior to any funds being transferred for the payment of claims.

Section 4. Severability. If any provision of this Act or its application to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this Act that can be given effect without the invalid provision or application and to this end the provisions of this Act are severable.
