I MINA 'TRENTAI SINGKO NA LIHESLATURAN GUÅHAN
2019 (FIRST) Regular Session

Bill No. 19-35 (COR)

As amended on the Floor.

Introduced by:

James C. Moylan

AN ACT TO ADD A NEW § 54102(b)(1) TO ARTICLE 1 OF CHAPTER 54, TITLE 5, GUAM CODE ANNOTATED, RELATIVE TO PROHIBITING THE AUTHORIZATION OF ANY WITHDRAWAL OR TRANSFER OF CASH OR FUNDS FROM THE TERRITORIAL HIGHWAY FUND TO THE GENERAL FUND FOR ANY NON-PRESCRIBED PURPOSE, AND TO MAKE SUCH AN ACT A MISDEMEANOR.

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Findings and Intent. *I Liheslaturan Guåhan* finds that the Territorial Highway Fund (“Fund”) receives monies from liquid fuel taxes, licenses, fees, and permits paid by the residents of Guam, with the intent of providing monies for maintenance, repairs, and construction of roads. While the Fund has existed for decades with clear mandates of its objectives, in recent times, the Fund has unfortunately been utilized to fund other expenditures for the government of Guam, including bond pledges, public education, transportation, and the mass transit system.

In Fiscal Years 2016 and 2017, an average of \$2.15M was transferred annually from the Fund to the General Fund for other government expenditures. The Fund has generated nearly \$20M annually over recent years, with a very small percentage

1 truly being utilized for its intent, which is for road repairs. In 2017, the taxpayers
2 were asked to pay more at the fuel pumps, as the liquid fuel tax was increased at the
3 start of 2018.

4 The expenditures of the Territorial Highway Fund need additional scrutiny of
5 those expenses not related to the Fund’s objectives, and those not in accordance must
6 eventually be removed. In the last two (2) years, we have seen public laws enacted
7 to provide more scrutiny on the mismanagement of other funds, like the Guam
8 Cancer Trust Fund and the E911 Fund; and, it is only vital to take similar steps to
9 protect the Territorial Highway Fund and to provide our residents with improved
10 roads and highways.

11 **Section 2:** A new § 54102(b)(1) is hereby *added* to Article 1 of Chapter
12 54, Title 5, Guam Code Annotated, to read as follows:

13 “(1) No authorization for the withdrawal or transfer of cash or
14 funds shall be made from the Territorial Highway Fund account to the
15 General Fund, other than for the purposes enumerated in § 54102(a),
16 (b), (c), (d), (e), and (f) of this Section as well as any bond pledges
17 towards capital improvement funds. Notwithstanding any other
18 provision of law, rule or regulation, any person deemed to be in
19 violation of this Subsection or any rule or regulation governing the
20 Territorial Highway Fund *shall* be guilty of a misdemeanor.”

21 **Section 3. Effective Date.** This Act *shall* be effective on October 1, 2019.

22 **Section 4. Severability.** If any provision of this Act or its application to any
23 person or circumstance is found to be invalid or contrary to law, such invalidity *shall*
24 *not* affect other provisions or applications of this Act that can be given effect without
25 the invalid provision or application, and to this end the provisions of this Act are
26 severable.
