AN ACT TO *AMEND* SECTION 2(b) OF PUBLIC LAW 34-112, RELATIVE TO PROVIDING A FIVE (5) YEAR EXTENSION TO THE DEADLINE FOR THE GUAM CUSTOMS AND QUARANTINE AGENCY TO DEVELOP A FUNCTIONING CUSTOMS SATELLITE INSPECTION, HOLDING, AND SECURED STERILE FACILITY AREA.

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds
3 that Public Law 34-112 granted administrative jurisdiction of a four (4) acre portion
4 of Parcel 1-3 in the municipality of *Piti* to the Guam Customs and Quarantine
5 Agency to develop a Customs Satellite Inspection, Holding, and Secured Sterile
6 Facility Area; provided, that the agency develops a functioning facility within three
7 (3) years, or the property would revert to the government of Guam.

8 Public Law 34-112 was enacted into law on July 17, 2018, and since a facility
9 is not presently in place and not in the development process, the parcel of property

1 will revert to the government of Guam in July 2021. A functioning facility would
2 provide many benefits for the island, to include addressing the devastating impacts
3 of invasive species on Guam’s economy and ecological system, as well as the drug
4 epidemic adversely impacting many residents. A functioning inspection facility
5 would also be able to house an X-ray Scanning Portal which would scan containers
6 and large bulk cargo for illegal substances; and this process would efficiently reduce
7 the importation of such substances through the seaport.

8 Therefore, it is the intent of *I Liheslaturan Guåhan* to provide an extension of
9 an additional five (5) years for the agency to develop the facility; and this measure
10 would provide the government of Guam with additional time and opportunities to
11 seek various financing mechanisms to achieve the objectives which Public Law 34-
12 112 set out to accomplish. Between discussions on financing options and attaining
13 the support of a plan, which both *I Liheslaturan Guåhan* and *I Maga'hågan Guåhan*
14 would approve, it would take at least one (1) to two (2) years. It will further take
15 another year to develop the facility, considering potential delays in this process.
16 Accordingly, this Act provides a five (5)-year extension to what the law originally
17 provided for under Public Law 34-112.

18 **Section 2.** Section 2(b) of Public Law 34-112 is hereby *amended* to read as
19 follows:

20 “(b) If the property is not developed into a functioning Customs
21 Satellite Inspection, Holding, and Secured Sterile Facility Area within (8)
22 eight years from the date of enactment, July 17, 2018, administrative
23 jurisdiction of GCQA shall expire and the property shall revert to the general
24 jurisdiction of the government of Guam.”

25 **Section 3. Severability.** If any provision of this Act or its application to any
26 person or circumstance is found to be invalid or contrary to law, such invalidity shall
27 not affect other provisions or applications of this Act that can be given effect without

1 the invalid provision or application, and to this end the provisions of this Act are
2 severable.

3 **Section 4. Effective Date.** This Act shall be effective upon enactment.
