Notes:
1/ The proposed legislation intends to amend the powers of customs officers, guard on vessels, place of inspection, and release of sealed cargo at Guam's ports of entry, and further updating the penalties in violation of these statutory requirements. These penalties include the imposing of fines which will result in a positive impact on revenue collections under the Customs, Agriculture, and Quarantine Inspection Services Fund. However, absent additional information from the Guam Customs and Quarantine Agency, an estimated cost impact cannot be determined at this time.
