**Notes:**  
1/  
The intent of Bill No. 133-36 (COR) is to include employees of the Guam Community College (GCC) who hold certifications such as Certified Public Accountant (CPA); Certified Government Financial Management (CGFM); Certified Fraud Examiner (CFE); and Certified Internal Auditor to be included as eligible to receive Certification Pay Differential, as described in P.L. 33-18.  
Pursuant to P.L. 33-18, a Guam Licensed CPA would receive a 15% increase in their base pay. An eligible employee holding CGFM, CFE, and CIA certification(s) would receive a 10% increase in their base pay. The pay differential is limited to one certification and is subject to the availability of funds by the employee's agency or department budget.  
The GCC notes that there is no anticipated financial impact on the institution's funds at this time. However, the Bureau notes that upon passage of the proposed legislation, should the GCC later have employees who obtain certifications described in the proposed legislation or hire individuals who do hold those certifications, those employees would be eligible for the Certification Pay Differential. The cost of paying an eligible employee's Certification Pay Differential would be paid out of the GCC's annual budget for this FY and their annual budget moving forward.
