**2023 (FIRST) Regular Session**

**Bill No. 194-37 (LS)**

Introduced by:

Sabina Flores Perez *SFP*  
Therese M. Terlaje *TMT*  
Chris Barnett *CB*

**AN ACT TO *AMEND* § 6209 (c) OF ARTICLE 2, *AMEND* § 6306 AND § 6308 OF ARTICLE 3, *AMEND* § 6401, § 6402, AND § 6405, ALL OF ARTICLE 4, AND *AMEND* § 6603 OF ARTICLE 6, ALL OF CHAPTER 6, TITLE 11, GUAM CODE ANNOTATED, RELATIVE TO UPDATING FINES AND PENALTIES FOR TOBACCO AND NICOTINE VIOLATIONS.**

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds  
3 that between 2018 and 2022 the Department of Revenue and Taxation cited a total  
4 of 106 violations from tobacco outlets on Guam from a total of 329 vendors licensed  
5 to sale tobacco products. Violations consisted of sales to those under 21 years of age  
6 and failing to post ‘21+ Only Sales’ signages for public view.

7 *I Liheslatura* further finds that the World Health Organization, Framework  
8 Convention on Tobacco Control (WHO-FCTC) recognizes that consistently  
9 revisiting violation penalties along with taxation are the two highly effective  
10 initiatives to tackle tobacco and nicotine consumption among youth worldwide.

11 *I Liheslatura* finds that in Chapter 6 of Title 11 in the Guam Code Annotated  
12 was established in October of 1998 through Public Law 24-278 that required tobacco  
13 products to obtain tobacco licenses and to enforce the prohibition of sales of tobacco  
14 products to minors. Twenty five years later, updates to Chapter 6 of Title 11 have

1 included the licensing requirements for the retail and wholesale of tobacco products  
2 and the restrictions of tobacco products to manufacturer’s representatives, and  
3 tobacco taxation through Public Law 28-170. The passage of Public Law 32-200  
4 restricted the engagement of any sellers to offer any tobacco multi-product discounts  
5 and promotions. In 2017, Public Law 34-01 defined electronic cigarettes into  
6 Chapter 6 and raised the consumer age of tobacco and nicotine products to twenty-  
7 one years of age. Among the many regulations established on Guam, tobacco and  
8 nicotine consumption and tobacco marketing strategies continue to evolve, as well  
9 as, the need for policy changes.

10 *I Liheslatura* finds that according to the Annual Synar Report published by  
11 the Guam Behavioral Health and Wellness Center, as of 2017 there were 106  
12 violations with majority being first and second time offenders. According to the  
13 Department of Revenue and Taxation as of September 2023 there are 347 active  
14 retail Tobacco Business Licenses and eight active Wholesale Tobacco Business  
15 Licenses. Between 2018 and 2019, one third-time offender paid a \$5,050.00 penalty  
16 and had their tobacco license suspended.

17 Despite a downward trend of violations for selling tobacco and nicotine  
18 products without a license or selling tobacco products to minors, data published in  
19 August of 2023 finds that consumption of tobacco and nicotine remains higher in  
20 Guam compared to the U.S. among adults and youth. According to the State  
21 Epidemiological Outcomes Workgroup (SEOW) Epi Profile, the use of electronic  
22 nicotine delivery devices or “vaping” is high amongst Guam youth, with one in four  
23 (26.5%) high school students and nearly one in four (23.5%) middle school students  
24 reporting current use. Tobacco use figures display marked disparities across socio-  
25 economic gradients with poor and less-educated individuals more likely to smoke  
26 than rich and well-educated persons who are less likely to have smoked at all.

27 Therefore it is the intent of *I Liheslaturan Guåhan* to protect our island’s  
28 youth by updating statutes, which are nearly two decades old, by requiring training

1 and certification of businesses who sell tobacco and nicotine products to promote  
2 compliance with tobacco control laws and regulations and to deter non-compliance  
3 by increasing fines and suspension of licenses for first time violators for those  
4 businesses that sell to minors.
