I MINA'TRENTAI SIETTE NA LIHESLATURAN GUÅHAN 2024 (SECOND) Regular Session

Bill No. 232-37 (COR)

Introduced by:

Therese M. Terlaje TMT

AN ACT TO ADOPT THE 48 NEW HOSPITAL FEES PROPOSED BY THE GUAM MEMORIAL HOSPITAL AUTHORITY AND RECEIVED BY I MINA' TRENTAI SIETTE NA LIHESLATURAN GUÅHAN ON JANUARY 9, 2024

1 BE IT ENACTED BY THE PEOPLE OF GUAM:

2 Section 1. Section 1. Legislative Findings and Intent. I Liheslaturan

3 Guåhan notes that the Guam Memorial Hospital Authority (GMHA) submitted a fee

4 package to the legislative body on January 9, 2024, containing a total of 48 new

hospital fees relative to interventional radiology, pharmacy, surgery and recovery,

laboratory, and special services. The fee package is appended to this Act and

identified as "Exhibit A".

8 I Liheslaturan Guåhan recognizes that the (GMHA) retains the power to

"Establish a schedule of fees, in accordance with Title 10 GCA, § 80105, to be

charged for care and services at or by the hospital. The schedule of fees shall be

sufficient to recover the operating costs and fixed costs and to generate revenue as

is necessary to enable the Hospital to meet its financial obligations, operating

13 expenses, and capital improvement needs.".

I Liheslaturan Guåhan finds that Chapter 80, Title 10, Guam Code Annotated, §80109(b) mandates that "...public hearings must be conducted by the Authority (referring to GMHA) for any new fee or rate increase more than five percent (5%). GMHA conducted a public hearing on December 15th, 2023, regarding the introduction of new hospital fees, but no public discussion occurred during this juncture. Considering the potential economic impact of this proposed fee package and the 410 previous fees proposed in 2023 alone, including past increases on room and board rates effected on November 15th, 2023, it is of utmost importance that the public and all affected stakeholders are adequately informed of these new fees and are given suitable opportunity to scrutinize the proposed fee schedule.

Therefore, it is the intent of *I Liheslaturan Guåhan* to ascertain that the people of Guåhan are afforded ample opportunity to fully review and comment on the Guam Memorial Hospital Authority's 48 new proposed fees by adopting the fee schedule and subsequently conducting a public hearing that will provide a platform for citizens and other stakeholders to discuss the proposed fees.

Section 2. Adoption of Guam Memorial Hospital Authority Fee Schedule; Exhibit "A". Notwithstanding any other provision of law, *I Mina' Trentai Siette Na Liheslaturan Guåhan* hereby adopts the fee scheduled transmitted by the Guam Memorial Hospital in GHMA Board of Trustees' Resolution No. 2024-15 relative to approving forty-eight (48) new fees subject to revisions based on public testimony and recommendations received during the Guam Legislature's public hearing process and appended to this Act as "Exhibit A".

Section 3. Effective Date. This Act shall become immediately effective upon enactment.

"RELATIVE TO APPROVING FORTY-EIGHT (48) NEW FEES"

WHEREAS, Public Law 26-66, places the rate making authority of the Guam Memorial Hospital Authority under the GMHA Board of Trustees; and
