**Comments on Bill No. 153-37 (LS)**

Bill No. 153-37 (LS) is an act to add a new Subsection 80.37(b) to Article 2, Chapter 80, Title 9, Guam Code Annotated, relative to the possession or use of an explosive or an improvised explosive device in the commission of a felony.

The proposed legislation would make the possession or use of an explosive device or an improvised explosive device, in addition to the punishment imposed for the commission of such felony, be imprisoned for a term of not less than ten (10) years nor more than twenty-five (25) years.

The Office of Attorney General's response to Bill No. 153-37(LS) states that the bill does not ascertain any immediate fiscal impact. However, the Bureau is of the opinion that there will be a potential impact to the Department of Corrections relative to incarceration-specific costs, such as cost for meals, healthcare, clothing, rehabilitative services and other associated costs and services for imprisonment.
