**Notes:**

1/ The proposed legislation intends to extend and rollover the current Government of Guam Group Health Insurance Plan to the next fiscal year ending September 30, 2024, with all payment terms, promises, requirements, conditions, provisions, and representations to remain the same. Per the Director of Administration, it is neither possible nor practical to comment on the proposed legislation as the ongoing procurement of the FY2024 Government of Guam Group Health Insurance Program inhibits further discussion.
