Notes:
 Bill No. 187-37 proposes to amend most of Chapter 6 of Title 11, Guam Code Annotated relative to prohibiting the sales of tobacco, nicotine products, and vape products through vending machines on Guam. The Bill amends sections within the chapter specific to the sales of these type of products through vending machines. Based on the legislative findings cited in the Bill, the last tobacco vending machines licensed through DRT to sell tobacco products was issued in 2015 and expired in June of 2018 with no applications and renewals processed at present. As such, the proposed legislation may not have any affect on tobacco sales, however, absent comment and information from the Department of Revenue and Taxation, the Bureau is unable to ascertain the fiscal impact of this proposed legislation.
