**Re: Memorandum of Agreement Between the Government of Guam and the United States Department of the Treasury Bureau of the Fiscal Service**

Dear Madame Speaker:

Our *manåmko*' have walked a long road toward receiving recognition for their experiences during the Japanese occupation. Along the way, we have had strong advocates such as my predecessors, our delegates to congress, members of our Legislature past and present who had worked tirelessly to lay the foundation for the path that we can finally see an end to today. And as I sign this Memorandum of Agreement with the United States Department of Treasury, I must say that I am proud and appreciative of how our two branches have collaborated to achieve what critics have repeatedly doubted and intervened to prevent. Together, we have shown those who we serve that there is a way to govern for the sole benefit of our people.

Pursuant to Public Law 35-61, I hereby transmit this Memorandum of Agreement to the Legislature.

*Senseremente,*

**MEMORANDUM OF AGREEMENT  
BETWEEN  
THE GOVERNMENT OF GUAM  
AND  
THE UNITED STATES DEPARTMENT OF THE TREASURY  
BUREAU OF THE FISCAL SERVICE**

**ARTICLE I  
PARTIES AND PURPOSE**

This Memorandum of Agreement (MOA) is entered into between the Government of Guam (GovGuam) and the United States Department of the Treasury, Bureau of the Fiscal Service (Fiscal Service), to assist GovGuam in carrying out its plan to make payments to certain living persons whose claims have been adjudicated under the Guam World War II Loyalty Recognition Act, Public Law 114-328, Title XVII (the Act). These payments, using GovGuam funds, are provided for under Guam Public Law 35-61.

**ARTICLE II  
DEFINITIONS**

1. For purposes of this MOA:
  - a. "Compensable Guam Victim(s)" means an individual who was not deceased as of the date of enactment of the Act and who is determined under section 1705 of the Act to have suffered, as a result of the attack and occupation of Guam by Imperial Japanese military forces during World War II, or incident to the liberation of Guam by United States military forces, any of the following: (A) rape or severe personal injury (such as loss of a limb, dismemberment, or paralysis); (B) forced labor or a personal injury not under subparagraph (A) (such as disfigurement, scarring, or burns); or (C) forced march, internment, or hiding to evade internment.
  - b. The term "GovGuam Payment Program" means a program that GovGuam established under Guam Public Law 35-61 to pay certain Compensable Guam Victims with adjudicated claims under the Act.

RESPONSIBILITIES**

2. Fiscal Service will:
  - a. Contact Compensable Guam Victims who were awarded compensation on or before January 17, 2020, by the U.S. Department of Justice for claims submitted under the Act. Such contact will (i) use information provided by the U.S. Department of Justice in connection with each adjudicated claim, and (ii) consist of a cover letter and a

release form (the Release Form) that are substantially similar to Exhibits A and B to this MOA.

- b. Prepare a list of the Compensable Guam Victims described in subparagraph 2.a who consented, using the Release Form, to allow Fiscal Service to share their personal information and award amount with GovGuam in connection with the GovGuam payment program.
- c. Provide the list of Compensable Guam Victims described in subparagraph 2.b to GovGuam, including their names, addresses, and award amounts, for the purpose of facilitating the administration by GovGuam of the GovGuam Payment Program.
- d. Review claimant documentation at GovGuam's request to determine whether the documentation is complete and otherwise meets Fiscal Service's requirements.

3. GovGuam will:

- a. Determine, in its sole discretion, which Compensable Guam Victims are eligible to receive a payment of local funds from GovGuam.
- b. Answer any inquiries from Compensable Guam Victims regarding the payment program and assist them in preparing all documents necessary for the GovGuam Payment Program, including the Release Form and Assignment of Claim Form attached to this MOA as Exhibits B and C.
- c. Use the Release Form and Assignment of Claim Form that are attached to this MOA as Exhibits B and C. Fiscal Service reserves the right to reject any other release or claim assignment form.

of the Treasury and its components do not sponsor, endorse, or approve the GovGuam Payment Program.

6. GovGuam acknowledges that Fiscal Service cannot pay any claim assigned to GovGuam until Fiscal Service has verified that the assignment and claim are valid and that appropriated funds are legally available to pay the claim.
7. GovGuam and Fiscal Service acknowledge that (a) nothing in this MOA obligates the expenditure of funds by either party, (b) each party is responsible for its own compliance with applicable laws and regulations, and (c) nothing in this MOA requires either party to take any action that would violate any applicable legal requirement.
8. GovGuam acknowledges that the federal payment of an assigned claim may be offset for debts owed by the assignor, as required by federal law, and that the amount of any offset cannot be determined until the payment is made. Any such offset will not be deemed a violation of this MOA.

Dear «Claimant\_First» «Claimant\_Middle» «Claimant\_Last»:

The Foreign Claims Settlement Commission (FCSC) at the U.S. Department of Justice has reached a final decision on the claim you submitted under the Guam Foreign Claims Program, and authorized the U.S. Department of the Treasury to make a payment to you when funds are available. At this time, the U.S. Congress has not appropriated funds to pay any awards under this program.

Because federal funds are not currently available, the government of Guam has established a local program under P.L. 35-61 to pay certain claimants under the Guam World War II Loyalty Recognition Act. You may be eligible to receive a payment from Guam in lieu of a payment from the U.S. Department of the Treasury.

If you give us permission, we will send your name, address, and information about your claim to the Government of Guam's Department of Administration, which will provide you with more information. A consent form is attached to this letter. Your participation is entirely voluntary. The U.S. government is not involved in administering Guam's alternative payment program.

Guam has established a website to answer questions about the payments it plans to make, which is available here: [warclaims.guam.gov](http://warclaims.guam.gov). You can also contact the Department of Administration for more information at [guamwarclaims@guam.gov](mailto:guamwarclaims@guam.gov).

Sincerely,  
Bureau of the Fiscal Service
