### **BILL 768**

#### **"AN ACT TO APPROPRIATE THE SUM OF FIVE HUNDRED FIFTY THOUSAND DOLLARS (\$550,000) FROM THE TOURIST ATTRACTION FUND TO THE DEPARTMENT OF PARKS AND RECREATION FOR THE PURPOSES OF FUNDING THE TUMON BEACH MAINTENANCE PROJECT AND THE PARK RESTROOM MAINTENANCE PROJECT"**

A public hearing was conducted by the Committee on Tourism and Transportation on Monday, July 24, 1989, at 9 a.m. The hearing was chaired by Senator John Perez Aguon (Tourism and Transportation chair) with Senators Doris Brooks, Ted S. Nelson, Edward D. Reyes, and Tony Unpingco.

### **TESTIMONY**

Richard Williams, Chairman of the Tourist Attraction Fund Committee of the Guam Visitors Bureau, and Bill Gibson, GVB Board member, testified as private citizens. In their oral testimonies, they supported Bill 768.

Anthony Mariano, Director of the Department of Parks and Recreation submitted a written testimony (Exhibit A) supporting Bill 768.

H. Mark Ruth, President of the American Institute of Architects Guam and Micronesia Chapter, submitted written testimony (Exhibit B) supporting Bill 768. They are also encouraging the Legislature to expand the program to include downtown Agana, other beaches and parks on Guam.

The GVB Board of Directors sent written testimony supporting Bill 768. However, they are requesting that the bill be amended so that the appropriation is directed to the Guam Visitors Bureau rather than the Dept. of Parks and Recreation.

Questions raised at the hearing concerned the procurement practices of GVB, the identity of the contractor (The Landscapers International) and the duration of the contract (2 years).

### ANALYSIS

All the testimonies received indicated support for Bill 768. The funding is important because the program is enjoyed both by the locals and the tourists.

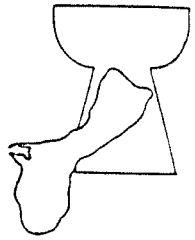

### RECOMMENDATION

The Committee recommends that Bill 768 be passed as introduced.

Dear Senator Aguon:

I am testifying on Bill 768 - An act to appropriate the sum of Five Hundred Fifty Thousand Dollars (\$550,000) from the Tourist Attraction Fund to the Department of Parks and Recreation for the purposes of funding the Tumon Beach Maintenance Project and the Park Restroom Maintenance Project.

Currently both projects are ongoing with the Guam Visitors Bureau being responsible for the maintenance of Tumon Beach and the Department of Public Works performing contract administration for design and construction to renovate and/or replace seventeen (17) public restrooms. Both projects were originally funded by P.L. 19-27.

The additional funding is needed for continuing funding for FY'90 Tumon Beach maintenance and to continue the restroom renovation already partially funded. Our analysis indicates that the recommended restroom solution for Ipan Beach, Talofofo Bay and Rizal Beach is to replace rather than renovate and additional funds are required for this.

In addition, we feel the appropriation should be made directly to the agencies previously stated.

Therefore, we support Bill 768 with the suggested amendments.

Sincerely,

ANTHONY C. MARIANO  
Director
