**COMMITTEE ON RULES, GOVERNMENT REFORM,
REORGANIZATION & FEDERAL AFFAIRS**

SENATOR MARK FORBES, CHAIRMAN

COMMITTEE REPORT

ON

BILL NO. 231,

**“An Act to Rename Article 4, Chapter 2, Title 12, Guam Code
Annotated the Perez Economic Revitalization and Enhancement
Zone Act, in Honor of the Late Honorable Francisco Duenas
Perez.”**

I. OVERVIEW

The Committee on Rules, Government Reform, Reorganization and Federal Affairs held a public hearing on Bill 231 on Friday, Sept. 8, 2000 at 10:00 a.m. at the Conference Room, Office of Senator Mark Forbes, I Liheslaturan Guahan. Public notice of the hearing was announced in the Sept. 3, 4, 5, 6 and 7 issues of the Pacific Daily News. In addition, the Committee on Tourism, Economic Development, and Parks held a hearing on Bill 231 as it received secondary referral on the bill.

Senators present were:

Senator Mark Forbes, Chairman
Senator Eddie Calvo, Vice Chairman
Senator Alberto Lamorena V

Individuals submitting written testimony (attached) were:

Tom D. Perez, President, Perez Bros. Inc.
Ed Untalan, Administrator, Guam Economic Development Authority

II. SUMMARY OF TESTIMONY

Mr. Tom D. Perez, President of Perez Bros. Inc., submitted written testimony **in support of Bill 231**. Mr. Perez wrote that it is an honor to have the GEDA QC program renamed the Perez Revitalization Enhancement Zone Act, because future generations will become familiar with the history that created Guam's top industry.

Mr. Ed Untalan, Administrator of the Guam Economic Development Authority, submitted written testimony **not in support of Bill 231** as written. Mr. Untalan expressed a desired to honor the Late Honorable Francisco D. Perez, but suggested that he be honored in other ways, including by renaming GEDA's financial services programs for local businesses. Mr. Untalan said that reprinting brochures marketing the QC program to off-island markets would cost \$150,000 and said there would be limited local recognition because the QC isn't marketed primarily to local businesses.

III. FINDINGS AND RECOMMENDATION

The Committee on Rules, Government Reform, Reorganization and Federal Affairs finds that Bill No. 231 provides a fitting tribute to the Late Honorable Francisco Duenas Perez, who is considered the Father of the Guam Economic Development Authority, by his advocacy and support of creating a public corporation to promote and attract new businesses to Guam. Mr. Perez also developed GEDA's tax incentive programs, now known as the Qualifying Certificate Program, one of GEDA's most successful economic development programs. In addition, Mr. Perez was a visionary and an entrepreneur who created such successful enterprises as a local egg producing company, a commercial poultry farm and piggery, Perez Bros. Inc., the Pacific Construction Company, and the Guam Contractors Association. Mr. Perez served a long and distinguished political career, serving as an Assemblyman and Councilman, as well as a charter Senator in the 1st, 2nd, 3rd, and 8th Guam Legislatures.

Accordingly, the Committee on Rules, Government Reform, Reorganization and Federal Affairs, to which Bill No. 231 was referred does hereby submit its findings and recommendations to I Mina'

Bente Singko Na Liheslaturan Guahan **TO DO PASS BILL NO. 231**, "An Act to Rename Article 4, Chapter 2, Title 12, Guam Code Annotated the Perez Economic Revitalization and Enhancement Zone Act, in Honor of the Late Honorable Francisco Duenas Perez."

Dear Senator Lamorena,

Mrs. Carmen D. Perez is recovering from bronchial pneumonia but would have otherwise been present to testify favorably.

It is an honor indeed to have the GEDA-QC program renamed the Perez Economic Revitalization Enhancement Zone Act (PEREZ). Future generations will become familiar with the historicity that created Guam's #1 industry and the instrumentality to create many others.

To habituate and guarantee posterity the benefits derived from PEREZ, its caretakers must remain vigilant. They must oppose every effort and any request that resembles a blatant misuse of the program. We want risk takers to be accorded a one time financial incentive and not a continuing bonus package to do business on Guam.

The legacy of the visionary that Frank D. Perez was is sustained by the passage we're all hoping for of your bill. To this extent, Senator, I take great pride in the work you have crafted. Dangkulo Na Si Yu'os Ma'ase.

Sincerely,

Tom D. Perez
President

**Official Testimony
Regarding Bill 231, An Act To Rename the Qualifying Certificate Program**

**Submitted by Ed Untalan
Administrator
Guam Economic Development Authority**

Friday, November 05, 1999

Senator Lamorena and members of the 25th Guam Legislature, the Guam Economic Development Authority wishes to express appreciation for the efforts proposed in Bill 231 to officially honor the late Honorable Francisco Duenas Perez, founder of GEDA by renaming the Qualifying Certificate Program in his memory.

This proposal is an honorable one, and is received by GEDA as a moving and very well intentioned tribute to a man who gave much of himself for the benefit of Guam. Further, GEDA fully agrees that some measure, promulgated by the legislature and administered by the Authority, is more than needed to fully recognize the accomplishments of this Chamorro statesman.

The Authority however does wish to implore the legislature to please consider an alternative form of recognition aside from the renaming of the *Qualifying Certificate* program for the following reasons:

Established Brand Recognition for the Qualifying Certificate, "QC" program - Subsequent to the moratorium placed on the QC program in the early 1990s, the Authority had to make monumental efforts to revive the program as a viable economic incentive tool with global brand recognition. Precious marketing dollars, available in very minimal supply, were allocated to the printing of a variety of brochures promoting the program. The brochures were positioned to target the international investor, and were thus translated into Mandarin, Japanese, and Korean for positioning in these target markets. Further, a video promoting the program, its past successes, and its future potential for the economic diversification of Guam was also produced and translated into target market languages as well. The results have been notable; 17 QCs have been approved for major projects providing hundreds of new jobs for the island.

Reprinting of these brochures, reproduction of the video, and a total rebuilding of the established brand image would be extremely costly for the Authority - at a minimum more than \$150,000. Further, no such budget exists at the Authority for the reproduction of these materials. Repositioning the brand image would take years, and could greatly impact our ability to continue positioning of this program in target markets.

Limited Local Recognition Through This Particular Program

While the Qualifying Certificate Program is available to qualified local investors, it has served primarily as a tool for recruiting off-island investment. Most promotion of the program occurs in off-island target markets. GEDA would like to respectfully suggest that to most fully honor the legacy of the Late Honorable Francisco Duenas Perez and his contributions to the People of Guam, that assigning his namesake to a more locally focused program would provide the highest and most appropriate honor.

The Authority therefore respectfully submits the following proposals for the review of the legislature as ways to honor GEDA's founding father:

- renaming of GEDA's financial services (loan) programs for local businesses
- assignment of land by the legislature to GEDA for development as the Francisco Duenas Perez Industrial and/or Commercial Park
- assignment of the Francisco Duenas Perez name to GEDA's current and/or future office building/location

The Authority suggests that one or more of these measures will provide the most widespread local recognition of the Late Honorable Francisco D. Perez, and will prove instrumental in furthering the mission of the Authority through either its local loan programs, industrial park leases, or operations facility.

3 recognizes the fact that the Late Honorable Francisco Duenas Perez, who was
4 called to his eternal rest on December 22, 1997, served a long and distinguished
5 political career, serving as an Assemblyman and Councilman in the 7th, 9th and 10th
6 Guam Congresses, as well as serving as a charter Senator in the 1st, 2nd, 3rd and 8th
7 Guam Legislatures.

8 The Late Honorable Francisco Duenas Perez, fondly known as Frank D.
9 Perez for his entrepreneurial successes, such as being the first Chamorro farmer
10 to successfully incubate imported fertilized chicken eggs in order to sell locally
11 produced eggs to stores throughout Guam, was the owner and manager of a
12 commercial poultry farm and piggery; founder of Perez Bros. Inc.; and co-
13 founder of the Pacific Construction Company and the Guam Contractors'
14 Association.

15 The Late Honorable Francisco Duenas Perez is considered the "*Father*" of
16 the Guam Economic Development Authority ("GEDA"), by his advocacy and
17 support of creating a public corporation to promote and attract new businesses to
18 Guam. Furthermore, the Late Honorable Francisco Duenas Perez is credited for
19 developing GEDA's tax incentive programs, now known as the *Qualifying*
20 *Certificate Program*, one (1) of GEDA's most successful economic development
