II. SUMMARY OF TESTIMONY & DISCUSSION

The Committee on Municipal Affairs, Aviation, Housing, and Recreation heard testimonies from family and friends of the late deputy director of Parks and Recreation.

Senator Edward J. B. Calvo stated if Bill No. 245-30(COR) passes into law, the baseball complex within the Dededo Sports Complex between the Robbi Webber Soccer Field and the Dededo gymnasium will be named the Gregory “Greg” Andrew Matanane Baseball Complex. Senator Calvo added Mr. Matanane died earlier this year and it was he who spearheaded the construction of the baseball complex prior to his untimely death.

Senator Calvo further stated “Greg was a wonderful man, who dedicated his life to helping young people succeed. He and his family have done so much for Guam. “Greg was a guy who loved baseball, watched his kids play the game, and gave so much to others. This field was

Greg's vision and project. It is too bad he is not around to see its completion, because he would be proud. He was a role model for what a citizen should be, not only in his work, but also as a family man."

Senator Calvo concluded his comments emphasizing the baseball fields within the baseball complex also will be renamed in honor of Guam's little league baseball pioneers. Senator Calvo proposes to rename, if the bill passes:

- Baseball Field 1 to the "Commissioner Gregorio 'Greg' A. Calvo Little League Field"
- Baseball Field 2 to the "Commissioner Gregorio Borja Rookie League Field"
- Baseball Field 3 to the "Major Vicente 'Ben' Munoz (Guam Police Retired) Big League Field" and
- Baseball Field 4 to the "Francisco 'Frank' Aguon, Sr. Senior League Field"

Mrs. Gloria Cruz Matanane, widow of the late Greg Matanane thanked the authors of the Bill for introduction of the legislation and Senator and Chairperson Tina Muña-Barnes and Committee members for conducting the public hearing.

Mrs. Matanane submitted written testimony attached stating "A complex of this magnitude has been a dream of Greg's for a long time. In 1997, he took a team of youth baseball players to Modesto, California and saw three fields, back-to-back, and said he wanted that for Guam. That was the start of his dream. Baseball was a passion for Greg. He wanted kids to have something to be proud of. On behalf of my children and our grandchildren, thank you very much."

Mr. Matanane's former colleagues in the administration and friends – Mr. Chris Dueñas and Mr. Joseph Dueñas also testified in favor of the bill.

Mr. Chris Dueñas thanked Senator Calvo, for introducing the legislation in honor of people who have done so much for baseball and Guam. Mr. Dueñas testified he got to know Greg's passion for kids over the years and this legislation is befitting and very appropriate to commemorate the years of service Greg gave to the children of Guam adding "He really did care about our island's youth." Greg in his capacity of leadership used all his energies to take a dream and see it through to be enjoyed by the island's youth for years to come.

Mr. Rick Ninete, a close friend of Mr. Matanane, spoke about Greg being instrumental in passion for the development of sports for the island whether it was baseball or tennis. He added "... there is lot to say about Greg Matanane." Mr. Ninete testified in favor of Bill 245-30 (COR) to memorialize Greg's and requested the support of the senators.

Mr. Joseph Dueñas, Mr. Matanane's friend and Department of Parks and Recreation Director gave an emotional account of Mr. Matanane's vision. Mr. Dueñas echoed Mr. Ninete's sentiment about Greg describing his character as an individual whose "actions speak louder than words". He recounted "I spent so much time with Greg, driving to the sports complex, and through the fields he envisioned". I just never thought this project would be finishing the fields without him. Greg would have preferred being here to see his vision of a four leaf

clover field come to fruition as do his family and friends. Residents from all around the island will be able to use this complex – to include a swimming pool and a walking track which was a part of Greg’s Vision” Mr. Dueñas thanked Senator Calvo for the introduction of Bill 245-30 (COR) and stated he is in full support of the legislation.

Responding to Senator James Espaldon’s query for a briefing on funding of the complex, Mr. Dueñas reported initially \$250,000 from the National Park Service Water Conservation Fund which imposed multiple year suspension to access funding. Three (3) years ago, the Department of Parks and Recreation (DPR) was taken off suspension at which time Mr. Matanane pursued the development of the complex. Public Law 28-73 signed into law on November 15, 2005 authorized *I Maga’lahen Guåhan* to transfer the property to the Guam Little League Baseball, Incorporated for the purpose of constructing the Asia-Pacific Baseball Stadium to include the Little League Headquarters and Training Facility stipulating a two (2) year reversionary clause if property is not developed. The Little League of Guam was notified of the funding availability and agreed to allow for the construction of the four (4) fields.

Mr. Dueñas added DPR believes in the development of a fitness facility to address the nationwide increase of obesity cases. Greg Matanane worked with Guam Housing and Urban Renewal Authority (GHURA) Community Development Block Grant for the construction of a swimming pool facility as means to conduct preventative health concerns for our island residents. GHURA awarded \$2.5M for the project with the *I Maga’lahen Guåhan* approving the additional \$1M from Compact Impact Funds. The sports complex when completed will include a soccer field, the four baseball diamonds, a gymnasium, and a swimming pool facility.

Senator Espaldon was assured by Mr. Dueñas that the government was not in violation of any covenants, restrictions, and limitations of federal funding

Other senators also describe their experience with Mr. Matanane.

Senator Telo Taitague thanked Senator Calvo for introducing the legislation and those present testifying in support of Bill 245-30 (COR) adding the legislation is the greatest tribute to Greg Matanane. “He was a good man, a family man. What he did for Guam’s children, to take them off the streets and give them good opportunities, is amazing.” She further requested her name be included as a sponsor of the legislation and expressed her support on Bill 245-30 (COR).

Senator Ray Tenorio added “Many people, go through their entire lives with a vision and a passion to put into some tangible form their hopes and dreams. Greg had that vision and did something about it. Even after his passing, the fact that his family and his colleagues came together to see this project through, is a testament to Greg’s sincerity and his character. Everything Greg did all his life was toward the betterment of the lives of children of Guam.” Senator Tenorio assured Mrs. Matanane, her children, family and friends of his support on the legislation.

Senator Frank F. Blas, Jr. reminisced about a gathering at his residence with Mr. Greg Matanane and Mr. Chris Dueñas. "Greg was not a man of a whole lot of words but a man with a whole lot of passion. One word describes Greg – "please."" He put his heart and soul into a request which did not require justification or an explanation. This bill memorializes Greg. We want him to be remembered, not only by the people of Guam, but by the kids he helped, trained, and groomed." Senator Blas inquired of Mrs. Matanane if in the legislation Greg Matanane can be referred to as "Coach Greg." Senator Blas thanked Senator Calvo for having a co-sponsor on Bill 245-30 (COR) and also thanked Senator Muña-Barnes for the swift scheduling of the hearing.

Senator Calvo closing remarks remembered Mr. Greg Matanane as the exemplification of the Chamorro style "quiet dignity" and getting the job done. He added Greg's greatest fan was his wife Lola and their children. His work ethic, service to the community, a coach, and as a parent embodies Greg as a role model of all that is good in our community. Senator Calvo asked for the support of his colleagues.

Senator Muña-Barnes remembered Mr. Matanane for his smile or a tap on the shoulder. She described him as one of the unsung heroes whose commitment and passion was to keep the children of Guam off the streets.

Senator Espaldon acknowledge Mayor Ben Gumataotao and queried Mr. Joe Dueñas whether the \$4M awarded to the Department of Parks and Recreation will include baseball field repairs for Piti, Talofoto, Inarajan, and other villages who also need their baseball fields fixed up. Mr. Dueñas replied the GHURA Community Development Block Grants are project specific and advised the mayor's are eligible to apply for the grants.

Senator Calvo inquired on the completion date for the fields. Mr. Dueñas answered the fields should be completed within the next month notwithstanding rain delays and receipt of the additional funding from the Compact Impact funds.

Senator Muña-Barnes reiterated the Committee will continue to receive testimony for the next ten (10) days at her office at 155 Hesler Place, *Hagåtña* or via email/fax. There being no further discussion or testimony, Senator Muña-Barnes adjourned the hearing at 10:47 a.m.

Hafa Adai, Senator Muna Barnes!

I am Greg's wife, Lola Matanane. I would like to thank you for your efforts in this bill, which is an act to name the Baseball Complex in honor of my husband, Greg.

A complex of this magnitude has been a dream of Greg's for a long time. In 1997, he took a team of young baseball players to Modesto, California. It was there that he first saw three fields back-to-back. He was so excited and was always talking about such plans.

Then in February 2007, he visited such a complex when he attended meetings with officials from Hawaii's Department of Parks and Recreation. Then he had a plan, and he was in the position as the Deputy Director of Guam's Department of Parks and Recreation to make a dream come true.

In May, 2008, our youngest son flew us over Honolulu. Greg made our son fly over that complex three times as he would shoot away, taking pictures. He had those pictures posted in his office and he was so proud.

He would tell me all about the progress of the plans for the complex. He was so excited in anticipation of its completion this year.

That's just the history of Greg's dream for the complex. For so many years, Greg has been active in the community with baseball and softball. Even as a teenager, he was already coaching. Then when our children were growing up, he became active again in the mid-1980's. Throughout the years, he was active as either the coach, manager, and even as president of divisions. He's coached and managed teams in the rookie, minor, major, and prep divisions. He's been instrumental in taking youth baseball teams off-island to participate in regional tournaments year after year, since 1992. He was asked by a travel agency to coordinate a Women's Softball Cultural Exchange with a Japanese softball team. For that exchange, he coordinated raising funds and he, the coaches, and the parents took a girls' softball team to Japan and then, organized the exchange visit when they came to play on Guam the following year. Greg was still coaching a rookie team for the past two years, and he was already looking forward to working with his sons, coaching this year.

So, baseball was a passion for Greg. He didn't do all this just for himself. He had such pride in the young boys and girls who came out strong, playing a great sport. He always said it was a great way to get kids involved, doing something with others and staying out of trouble. He wanted them to have something to be proud of and to have a passion for the sport, too.

He wanted to have a great field, back-to-back, just like what he saw many years ago.

On behalf of our children, Greg, Jr., Malia, Mateo and Roke, our grandchildren, and his siblings, dankulu na si Yu'us Ma'ase.

The Honorable Edward B. Calvo
Senator
30th Guam Legislature
155 Hesler Place
Haganta, Guam 96910

Dear Senator Calvo:

Thank you for the opportunity to provide our comments on the recognition of Gregory "Greg" Andrew Matanane, in Bill 245-30(COR). We believe a memorial recognizing his contribution into the development of these fields would honor not only his memory, but the contributions of all Guam's baseball pioneers.

We support the naming of "Gregory "Greg" Matanane Memorial Baseball Fields", as acknowledgement for his contribution as Deputy Director of the Department of Parks and Recreation. His contribution in securing the funds to develop the fields has brought to reality lifelong dreams for the Guam Little League. Your support for this effort reflects your continued sincerity in the development and advancement of youth baseball and softball on Guam. Just as you supported Bill 175, now Public Law 28-73 during the 28th Guam Legislature, we support the "Gregory "Greg" Andrew Matanane Memorial Baseball Fields. In addition, may we request that you include the necessary funding for a memorial plaque in his name to be placed in an area that will be designated in his honor.

The Guam Little League also request that Bill 245-30(COR) specifically reference solely Mr. Matanane to ensure that his family is properly honored for his commitment and dedication. As this commences the program development for this facility, we look forward to recognizing the Guam Little League Pioneers for their lifelong dedication and contribution to the program.

I would like to thank you for your continued support and contribution to the Guam Little League. If you should have any questions, please do not hesitate to call me at 475-9208 or Pete Calvo at 888-4717.

Sincerely,

Stephen J. Guerrero
District Administrator
