Dear Madame Speaker:

Attached is Bill No. 8-32 (COR) entitled "*An act to appropriate to the Department of Education all additional revenue derived from the expiration of any part of the Bush Tax Cuts,*" which was enacted into law without the signature of *i Maga'lahaen Guåhan* as **Public Law 32-006.**

Although new Public Law 32-006 appropriates all revenue derived from the expiration of the federal "Bush Tax Cuts" to the Department of Education (DOE), I urge *i Liheslatura* to also consider programming some of the funds towards some of the unfunded mandates, most especially the 2012 tax refunds.

**AN ACT TO APPROPRIATE TO THE DEPARTMENT
OF EDUCATION ALL ADDITIONAL REVENUE
DERIVED FROM THE EXPIRATION OF ANY PART OF
THE BUSH TAX CUTS.**

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds
3 that it is clear that, through inaction or deliberate policy of the federal government,
4 some or part of the “Bush Tax Cuts” will expire in 2013, with a resulting increase
5 in federal income tax revenue. This will impact on government of Guam revenues
6 as well, because most of the government’s revenues are raised from the Territorial
7 Income Tax, which “mirrors” federal income tax law. Consequently, any changes
8 to the federal income tax will automatically change the Territorial Income Tax

1 with an attendant increase in revenues. Such changes were *not* factored into the
2 revenue estimate for the Government of Guam’s 2013 Budget as enacted by Public
3 Law 31-233. Any additional revenue to come from the expiration of all or part of
4 the Bush Tax Cuts is therefore unappropriated. *I Liheslatura* finds that these
5 additional revenues should be utilized in support of education of our island’s
6 children and should therefore be appropriated to the Department of Education.

7 **Section 2.** Within 30 days of the enactment of this Act, the Director of
8 Revenue and Taxation *shall* provide a written estimate of the additional revenue
9 that would accrue to the government of Guam as a result of the expiration of any
10 part of the Bush Tax Cuts, which were originally enacted as part of the Economic
11 Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA) and extended by
12 the Jobs and Growth Tax Relief Reconciliation Act of 2003 (JGTRRA) and the
13 Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of
14 2010. This estimate *shall* be transmitted immediately upon completion to *I*
15 *Liheslaturan Guåhan*.

16 **Section 3.** There is hereby appropriated from the General Fund to the
17 Department of Education those additional revenues as a result of the expiration of
18 all or part of the Bush Tax Cuts, as determined by the Director of Revenue and
19 Taxation in accordance of Section 2 of this Act. The Superintendent of Education
20 is authorized to utilize this appropriation to fund school operations and school
21 repairs and renovations as provided for by Public Law 31-229.

II. COMMITTEE PROCEEDINGS

Chairman Pangelinan: Ok, thank you very much Mr. Malay. I know you have a ground breaking to go to, congratulations to the students of Oceanview Middle School and, that's right twelve years! (audience applauds). And so there is another bill that is before the Committee which affects the Department of Education and so I would like to go ahead and give you an opportunity to present testimony if you have such testimony on Bill No. 08, an act to appropriate to the Department of Education any additional revenue derived from the expiration of any part of the Bush Tax Cuts to the Department of Education and the author of the bill Senator Rory Respicio. I would like to recognize him and give him the opportunity to give us a short synopsis of the bill before, once again, you read your testimony.

(a) Bill Sponsor Summary

Senator Respicio: Thank you very much Mr. Speaker. All I want to do is thank you for hearing this bill and the title is self explanatory. I'll refer to DOE to provide testimony, whatever their position is on the bill. I just want to say that any additional revenue that comes to the General Fund should be earmarked for the Department of Education and this is what this bill proposes.

Chairman Pangelinan: Ok, thank you and Si Yu'us Ma'ase'. Mr. Malay? You may proceed.

(b) Testimony

1. Mr. Robert Malay – Guam Department of Education

Mr. Robert Malay: Thank you very much. I will now, and I'll be very brief as well. The Guam Department of Education is thankful to Senator Rory Respicio's support in introducing this legislation. While the amount of increased revenue is uncertain at this point in time, we know that resources are difficult to come by in the current fiscal environment. Should there be an agreement to appropriate these revenues to the Department of Education, it would be our preference to utilize this funding to address much needed school repairs or to provide school's with equipment or instructional supplies. So thank you Senator Respicio.

This concludes the testimony on Bill No. 8-32. There being no additional individuals to present any additional testimony, this Committee will continue to remain open for the acceptance of any additional information or public testimony on the bill discussed. You can submit those testimonies to my office directly on Soledad Avenue, as well as the Guam Legislature or through any of the electronic processes either email at senbenp@guam.net or through our website at senbenp.com.

III. FINDINGS & RECOMMENDATIONS

The Committee on Appropriations, Public Debt, Legal Affairs, Retirement, Public Parks, Recreation, Historic Preservation and Land, hereby reports Bill No. 8-32 (COR) with the recommendation to report out only.

Bill No. 8-32(COR)

Introduced by:

**AN ACT TO APPROPRIATE TO THE DEPARTMENT OF
EDUCATION ALL ADDITIONAL REVENUE DERIVED
FROM THE EXPIRATION OF ANY PART OF THE BUSH TAX
CUTS.**

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guahan*

3 finds that it is clear that, through inaction or deliberate policy of the federal
4 government, some or part of the "Bush Tax Cuts" will expire in 2013 with a
5 resulting increase in federal income tax revenue. This will impact on
6 Government of Guam revenues as well, because most of the government's
7 revenues are raised from the Territorial Income Tax, which "mirrors"
8 federal income tax law. Consequently, any changes to the federal income
9 tax will automatically change the Territorial Income Tax with an attendant
10 increase in revenues. Such changes were not factored into the revenue
11 estimate for the Government of Guam's 2013 Budget as enacted by Public
12 Law 31-233. Any additional revenue to come from the expiration of all or
13 part of the Bush Tax Cuts is therefore unappropriated. *I Liheslatura* finds
14 that these additional revenues should be utilized in support of education of

1 our island's children and should therefore be appropriated to the
2 Department of Education.

3 **Section 2.** Within thirty (30) days of the enactment of this Act, the
4 Director of Revenue and Taxation shall provide a written estimate of the
5 additional revenue that would accrue to the Government of Guam as a
6 result of the expiration of any part of the Bush Tax Cuts which were
7 originally enacted as part of the Economic Growth and Tax Relief
8 Reconciliation Act of 2001 (EGTRRA) and extended by the Jobs and
9 Growth Tax Relief Reconciliation Act of 2003 (JGTRRA) and the Tax Relief,
10 Unemployment Insurance Reauthorization, and Job Creation Act of 2010.
11 This estimate shall be transmitted upon completion immediately to *I*
12 *Liheslaturan Guahan*.

13 **Section 3.** There is hereby appropriated from the General Fund to the
14 Department of Education those additional revenues for FY 2013 as a result
15 of the expiration of all or part of the Bush Tax Cuts as determined by the
16 Director of Revenue and Taxation in accordance of Section 2 of this Act.
17 The Superintendent of Education is authorized to utilize this appropriation
18 to fund school operations and school repairs and renovations as provided
19 for by Public Law 31-229.

Dear Senator Pangelinan:

The following is hereby submitted as written testimony on **Bill No. 1-32**, the "Secure Our Schools Act"; **Bill No. 8-32**, relative to appropriating to the Department of Education any additional revenue derived from the expiration of the Bush tax cuts; and **Bill No. 19-32**, relative to capturing license fees and taxes from gaming operators. Thank you for the opportunity to testify.

Bill No. 1-32: Secure Our Schools Act

Bill No. 1-32 would authorize the Government of Guam to enter into a contract with a third-party vendor to finance, purchase, install, monitor and maintain electronic security systems in Guam public schools. Such systems would include security cameras, intrusion detection and alarm systems, and related equipment. Funding to help finance the initiative would come a pledge of up to \$1.28 million in Section 30 funds for no longer than a period of seven years. Alternative financing made available through partnership with the Guam Economic Development Authority is also contemplated.

The Guam Department of Education ("GDOE") fully supports Bill No. 1-32 and thanks Speaker Judith Won Pat and Senator Tina Muna-Barnes for introducing this bill. This legislation would help provide our public schools with security equipment that would help in both the detection and prevention of criminal activity on school grounds. Today, our public schools continue to experience a high number of school break-ins and vandalism. These incidents, taken together, have cost GDOE an estimated \$1.6 million over the past three years, which accounts for loss and replacement of property as well as labor and materials for facility repairs. The proposed investment in additional security would help to not only prevent loss and damage to our schools, but to help reassure our employees, children and families that our schools remain safe learning environments. (*See Attachment 1: School Security Facts*)

Bill No. 8-32, Relative to Appropriating Additional Revenue from Bush Tax Cuts to Guam DOE

Bill No. 8-32 would appropriate any additional revenues in FY 2013, deriving from the expiration of all or part of the Bush tax cuts, to the Guam Department of Education. The Bush tax cuts refer to changes to the tax code during President George W. Bush's administration, which lowered the marginal income tax rates for most Americans with further reductions to taxes on capital gains, dividends, and estates. These cuts have been continually extended but were due to expire at the end of 2012. On January 2, 2013, President Obama signed into law the American Taxpayer Relief Act of 2012, which further extended all of the cuts but allowed the increase to the highest marginal tax rate to go into effect, raising it from 35 percent to 39.6 percent. This would apply to individuals earning more than \$400,000 and married couples earning more than \$450,000. Because the Guam income tax code mirrors the Internal Revenue Code,

this tax increase would apply to Guam earners as well. Revenues resulting from this unanticipated revenue increase in FY 2013 would be appropriated by this bill for use by the Guam Department of Education for operations, school repairs and maintenance.

The Guam Department of Education is thankful for Senator Rory Respicio's support in introducing this legislation. While the amount of increased revenue is uncertain, we know that new resources are difficult to come by in the current fiscal environment. Should there be agreement to appropriate these revenues to GDOE, it would be my preference to utilize this funding to address much-needed school repairs or to provide schools with equipment or instructional supplies.

Bill No. 19-32, Relative to Capturing License Fees and Taxes from Gaming Operations

Bill No. 19-32 amends current law to grant the Director of Revenue and Taxation the temporary authority to promulgate rules and regulations related to limited gaming and to assess an interim tax rate of twenty percent on all currently untaxed gaming activities on Guam. The proceeds of this tax – after accounting for administrative costs – would be allocated to the Mayors Council of Guam in year one for the repair and construction of village recreation centers; the Department of Parks and Recreation in year two for the repair and construction of its facilities; and the Department of Education in year three for the repair and construction of its sports facilities, with the allocation schedule repeating beginning in year four. Current law allocates these funds to the Department of Education's Interscholastic Sports Programs, the Guam National Olympic Committee, and the Northern and Southern Sports Complexes.

The Guam Department of Education thanks Senator Chris Duenas, Vice-Speaker B.J. Cruz, and Senator Tommy Morrison for their support for GDOE sports programs and facilities. In this particular case, GDOE would be a beneficiary both under current law as well as under the proposed amendment to the law. The major challenge appears to be that the legal authority to collect fees and taxes on gaming has not been exercised and, therefore, has not produced revenues to be allocated for any purpose. The Department would appreciate any resources that could be made available to ensure a robust Interscholastic Sports Program as well as improve our sports facilities. We would be happy to continue discussing the best use of funds that could be made available for these purposes.

Thank you for this opportunity to submit the testimony. Please feel free to contact me with any further questions or comments.

Senseramente,

JON J. P. FERNANDEZ

Attachment 1: School Security Facts

Over the past three school years, GDOE has had 218 instances of some form of “break-in”, a term that covers ranging from vandalism to destruction or theft of property. The majority of the break-ins have taken place in our Lagu (Northern) region, which continues to be the area of greatest concern. The Lagu schools make up nearly 46 percent of all break-ins in the district since the beginning of the 2010-2011 school year. They are followed by Haya (31.7%), Kattan (13.8%) and Luchan (8.7%), respectively. The rate of incidents for this current year shows that Lagu schools have reported 64% of all break-ins, compared to Haya (21.4%), and Kattan and Luchan (each at 7.1%). This information is shown below.

% of 3-Year Total

■ Lagu ■ Luchan ■ Kattan ■ Haya

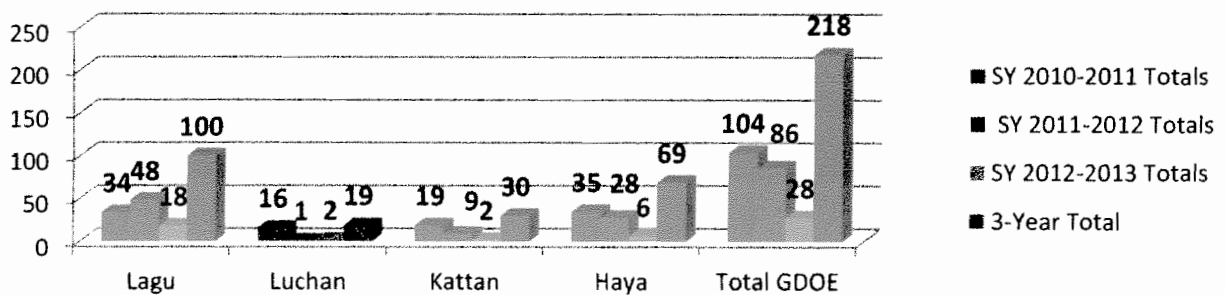

% of SY 2012-2013 Total

■ Lagu ■ Luchan ■ Kattan ■ Haya

An overall look at the real numbers by regions shows the break down by year for each region and the totals for GDOE below:

GDOE Schools Break-in Data SY 2010/11 - SY 2012/13 By Region

- **Repair of Damaged Property** (Supplies, Materials and Labor): this has included broken window, doors, door knobs, lighting, fence line damage, and other general destruction of building interiors.
- **Replacement of Property** (Supplies, Materials and Equipment): this has included classroom and instructional supplies and materials, food, technology such as computers, laptops, tv's, vcr's, projectors and copper wiring).
- **Restoration of Facility** (Supplies, Materials and Labor): this has included cleaning supplies and materials and recharging of fire extinguishers.
- **Purchase of Security Measures** (Equipment and Labor): this has included hiring security guards and installation of security systems.

A single incident can range in cost from as low as \$1,000 to the well published recent occurrences regarding the copper wire thefts of more than \$90,000. Our estimate for the past three years is that school break-ins have costs the district an estimated \$1.6 million.

A breakdown of the recent copper wire thefts experienced in December of 2012 shows that the 8 occurrences came at a cost of \$231,374.99 to GDOE.

Infrastructural Security Needs. Many of our schools lack basic communication technology to assist during an emergency on campus. While the primary use of bell systems is to signal starting and ending times of instructional blocks, they are also valuable tools when signaling an emergency by the number and/or type of ringing. Likewise, while intercom systems are commonly used for school-wide announcements, they can also serve in providing instructions during an emergent situation.

The following indicates the number of schools that have bell systems and intercom systems that are fully working, partially working, not working, or do not exist:

Additionally, 18 of our 40 schools have indicated a need for repairs on the gates and/or perimeter fencing as indicated below (note – Inarajan Elementary does not have a fence):

Re: Sponsor Statement on Bill No. 8-32 (COR)

Dear Senator pangelinan:

Thank you for scheduling Bill No. 8-32 (COR) for a public hearing. I introduced Bill No. 8-32 (COR) "AN ACT TO APPROPRIATE TO THE DEPARTMENT OF EDUCATION ALL ADDITIONAL REVENUE DERIVED FROM THE EXPIRATION OF ANY PART OF THE BUSH TAX CUTS," which would earmark for the Department of Education any additional tax revenue that Government of Guam would collect this year as a result of the recent "fiscal cliff" deal in Washington.

Under the terms of the deal reached by President Obama and Congress, the "Bush tax cuts" were allowed to expire for incomes more than \$400,000 per year, with a resulting increase in revenues for the federal government. Because Guam's Territorial Income Tax Code, which is collected by Revenue & Taxation, mirrors the federal tax code, that tax increase was automatically applied to the Guam's tax code as well, and is expected to also bring in more revenue to GovGuam.

This increase in revenue was not part of the revenue estimate for the FY 2013 Budget, and is therefore unappropriated. In Bill No. 8-32 (COR), the increase in revenue would be determined by the Director of Revenue and Taxation and then automatically appropriated to the Department of Education for operations or school repairs and renovations.

Although the amount of additional revenue has yet to be determined, it is clear DOE is in need of additional funding and should be a priority. Any additional tax revenue resulting from the changes to the tax code that occurs this year should be earmarked to DOE.

Thank you, again, for this opportunity. I respectfully request that this statement be included with your committee's report on Bill No. 8-32 (COR).

Very Truly Yours,

Rory J. Respicio

I MINA' TRENTAI DOS NA LIHESLATURAN GUAHAN
2013 (FIRST) Regular Session

Bill No. 8-32(COR)

Introduced by:

R.J. RESPICIO 

2013 JAN-9 AM 10:23 

AN ACT TO APPROPRIATE TO THE DEPARTMENT OF
EDUCATION ALL ADDITIONAL REVENUE DERIVED
FROM THE EXPIRATION OF ANY PART OF THE BUSH TAX
CUTS.

1 BE IT ENACTED BY THE PEOPLE OF GUAM:

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guahan*

3 finds that it is clear that, through inaction or deliberate policy of the federal
4 government, some or part of the "Bush Tax Cuts" will expire in 2013 with a
5 resulting increase in federal income tax revenue. This will impact on
6 Government of Guam revenues as well, because most of the government's
7 revenues are raised from the Territorial Income Tax, which "mirrors"
8 federal income tax law. Consequently, any changes to the federal income
9 tax will automatically change the Territorial Income Tax with an attendant
10 increase in revenues. Such changes were not factored into the revenue
11 estimate for the Government of Guam's 2013 Budget as enacted by Public
12 Law 31-233. Any additional revenue to come from the expiration of all or
13 part of the Bush Tax Cuts is therefore unappropriated. *I Liheslatura* finds
14 that these additional revenues should be utilized in support of education of

1 our island's children and should therefore be appropriated to the
2 Department of Education.

3 **Section 2.** Within thirty (30) days of the enactment of this Act, the
4 Director of Revenue and Taxation shall provide a written estimate of the
5 additional revenue that would accrue to the Government of Guam as a
6 result of the expiration of any part of the Bush Tax Cuts which were
7 originally enacted as part of the Economic Growth and Tax Relief
8 Reconciliation Act of 2001 (EGTRRA) and extended by the Jobs and
9 Growth Tax Relief Reconciliation Act of 2003 (JGTRRA) and the Tax Relief,
10 Unemployment Insurance Reauthorization, and Job Creation Act of 2010.
11 This estimate shall be transmitted upon completion immediately to *I*
12 *Liheslaturan Guahan*.

13 **Section 3.** There is hereby appropriated from the General Fund to the
14 Department of Education those additional revenues for FY 2013 as a result
15 of the expiration of all or part of the Bush Tax Cuts as determined by the
16 Director of Revenue and Taxation in accordance of Section 2 of this Act.
17 The Superintendent of Education is authorized to utilize this appropriation
18 to fund school operations and school repairs and renovations as provided
19 for by Public Law 31-229.
