II. COMMITTEE PROCEEDINGS

Chairman Vicente (ben) C. Pangelinan: The next item on the agenda is Bill No. 150-32, is a bill introduced by myself to rezone lot nos. 2 and 3 of tract 1419, located in the municipality of Dededo, from A to C.

Written testimony was received from Glenn Eay, Mr. Kum Ju Lee, and Mrs. Consuelo P. Lee and are here to present oral testimony as well. Please come to the table. We would also say that the committee received written testimony from the Department of Land Management.

We will now receive testimony from the individuals that are present here today.

(a) Testimony

1. Mrs. Consuelo P. Lee

Mrs. Lee: Good morning Chairman and members of his committee. My husband, Kum Ju Lee is sitting next to me but he is scared to give an oral testimony because of his accent so 1 am going to do it for him.

[read Mr. Kum Ju Lee's written testimony - verbatim]

[read her written testimony – verbatim]

PANEL COMMENTS AND QUESTIONS

Chairman Vicente (ben) C. Pangelinan: Thank you and Si Yu'os Ma'ase Mrs. Lee.

2. Mayor Melissa Savares, Dededo Mayor

Mayor Savares: Thank you, for the record my name is Melissa Savares the Mayor of Dededo. Today I am here to testify and to support. I went to look at the property this week and I went again this morning to make an assessment, to see traffic flow and to see if customers would affect the flow of traffic. The property has a large frontage and I don't see any problems with cars going in and out and there is another property next to it and they are asking for both lots to be re-zoned, it has ample parking and ample space for the delivery truck to come in. There is a large area on the left side of the building for large delivery trucks to come in and out of. Mrs. Lee is right; there is another retail store up the street, northbound/eastbound, on the opposite side of the street, which is okay as it would not conflict with their business. We have a municipal planning council meeting next week and we will put this on the agenda and

recommend that we do support this zone change from agricultural to commercial. Thank you.

PANEL COMMENTS AND QUESTIONS

Chairman Vicente (ben) C. Pangelinan: Thank you and Si Yu'os Ma'ase Mayor Savares.

3. Glenn Eay - ARC Member, Department of Public Works

Mr. Eay: Buenas Mr. Chairman and members of the committee.

[read written testimony - verbatim]

PANEL COMMENTS AND QUESTIONS

Chairman Vicente (ben) C. Pangelinan: Thank you and Si Yu'os Ma'ase Mr. Eay.

Vice Speaker Cruz: Just as a point of clarification, you say you work for DPW but you are here on a personal level.

Mr. Eay: Yes, because I am a friend.

Senator Limtiaco: Thank you Mr. Chair. Mr. and Mrs. Lee just a point of clarification and for the record, has a formal application for the Land Use Commission been submitted to rezone this property? Is there any reason why it has not gone through the normal procedure of requesting for rezoning?

Mrs. Lee: First of all, because of my medical situation, they charge a fee at land management for submitting an application plus expense that may occur if they notify residents within a 500-foot radius. The fee would come up to \$800 to \$1,000 and this is not in our budget, our budget is very limited.

Senator Limitaco: Thank you very much.

Chairman Vicente (ben) C. Pangelinan: Thank you very much for your presence this morning madam Mayor. I know you have a very busy community up there in Dededo and we would like to thank you for being here and giving us your perspective. I certainly appreciate the report on the drive by and I think that lends us a little clearer picture on what we are talking about here and Mr. Eay, your testimony as well will be very helpful in the deliberation of the committee.

We want to thank you very much for your testimony this morning and the committee will then conclude this hearing. The Committee will continue to remain open for the acceptance of any additional information or public testimony on the bill

discussed. You can submit those testimonies to my office directly on Soledad Avenue, as well as the Guam Legislature or through any of the electronic processes either email at office@senbenp.com or through our website at www.senbenp.com.

This hearing is hereby adjourned.

324 W. Soledad Ave. Hagatna, Guam 96910 Ph. 473-4236 Fax. 473-4238 Email: senbenp@guam.net Good morning, MR. CHAIRMAN, VICENTE C. PANGELINAN and members of his Committee on Appropriations, Public Debt, Legal Affairs, Retirement, Public Parks, Recreation, Historic Preservation, and Land:

Thank you Senator Ben Pangelinan for introducing Bill No. 150-32 to your committee and entertaining my request to rezone my properties from zone "Agricultural" to zone "Commercial".

My name is Kum Ju Lee and a resident of 282 Alegeta Street in Macheche, Dededo. I have been a resident of Guam for 25 years and a place I proudly call HOME.

I had purchased my property several years ago so I can build my first house in my life, that I can call my own. I put up a temporary house using a container so I can build my house slowly as I earned my income for 5 years. When I finally built my house for my wife, one son and me, I was so happy that I now have my own house.

I am an owner of a licensed construction company, named PRIME EQUIPMENT COMPANY. I am mainly in the business of heavy equipment rental doing excavation work, demolition, grading, clearing, etc. However, the construction business has been slow and my business workload lessened over the past months. I am now 60 years old and would like to retire from doing heavy equipment work and wish to open a MOM and POP retail store in the first floor of my house instead of a garage.

I believe that I can still support my family without depending upon government welfare or foodstamps if I can open a self-supporting business such as a small retail and wholesale business, serving the Dededo community as well.

This is why I come before your committee requesting to rezone Lots 2 and 3 of Tract 1419 in Macheche, Dededo, which fronts the newly paved Alegeta Road. These 2 lots each contains almost ½ acre and has enough area for parking lot. My house is in Lot 2 and a portion of Lot 3 may be used for parking too.

I hope you senators will consider my request to rezone my properties and hope I will receipt your favorable approval.

Thank you.

282 Alegeta Street Macheche, Dededo

Buenas dias, Senator Vicente C. Pangelinan and members of your Committee on Appropriations, Public Debt, Legal Affairs, Retirement, Public Parks, Recreation, Historic Preservation, and Land.

Guaho si Consuelo Lee, familian Pingue jan asguaho si Kum Ju Lee. Sumasaga hami gi Alegeta, Macheche.

I am here to support my husband's desire to open a small MOM & POP retail business as we plan to retire in a few years so we may continually support ourselves without government assistance.

We have a 2-storey house and reside on the second floor. Our first floor serves as our garage at the present time and contains approximately 2,560 SF. Our 2 lots each contain almost ½ acre of land and fronts the newly paved major route, Route 25 which has had a favorable impact to our local community. There is only one retail store fronting Alegeta Street which is located at the opposite side of our house down the street.

Although I have been a dialysis patient for approximately 3 $\frac{1}{2}$ years, I plan to retire from my present employment in the next few years and assist my husband in running his new dream - to open a MOM & POP store.

I look forward to your favorable approval to my husband's request to rezone the properties, Lots 2 and 3 Tract 1419, from Agricultural to Commercial.

Thank you.

Buenas yan Hafa Adai!

My testimony this morning is to support Bill No, 150-32 An Act to rezone Lot Nos. 2 & 3 of Tract 1419, Located in the Municipality of Dededo, from Agricultural Zone (A) to Commercial Zone (C).

The primary intent to rezone subject lots mentioned is that Mr. and Mrs. Lee plans to retire soon due to health reasons from their individual jobs and work closely as husband and wife by opening their dream Mom and Pop Store. The proposed activity will also assist in providing opportunity employment for residents of the area.

As a Member of the Application Review Committee (ARC), Base on my review, this particular location is well situated for such a commercial activity because its proximity situated between Route 16 and 26 Mecheche Road Intersection. The two lots has frontage directly of Route 25 also known as Alegeta Street. The Guam Highway Classification Plan describes Route 25 as a Major Arterial Highway. It is my personal opinion that Commercial lot developments along major highways better serves the community and are not adversely detrimental to the community and surrounding neighbors.

The surrounding properties land uses consist predominantly of single family residents, apartments and businesses in which the proposed Mom and Pop store will provide public necessity and convenience within the area. The property is also served by a newly paved road, access to public water, power, telephone and cable and will not detract from services already being used by the adjacent lots.

In closing, I support this bill An Act to rezone Lots No. 2 & 3 of Tract 1419, Municipality of Dededo, from Agricultural Zone (A) to Commercial Zone (C) and humbly seek your support of Bill No. 150-32. Thank you for your consideration.

SUBJECT: Testimony on Bill No. 150-32 (COR)

Bueñas Yan Hafa Adai: The Department has reviewed Bill 150-32 (COR) - AN ACT TO REZONE LOT NOS. 2 AND 3 OF TRACT 1419, LOCATED IN THE MUNICIPALITY OF DEDEDO, FROM AGRICULTURAL ZONE (A) TO COMMERCIAL ZONE (C)

Hereby submitted are the testimonies for the above-described proposal. Comments are based the requirements of Title 21, Guam Code Annotated, Chapter 61 Zoning Law, Article 3, §61301. We provide the following:

Although supportive of the 21st-century sustainability idea, this section under the zoning law allows for the consideration of the proposed rezoning provided that certain standards of assessments are achieved relative to an assessment of potential impacts to elements that could profoundly affect the immediate community with respect to:

- 1. Safe egress/ingress;
- Parking accommodations;
- Ease of traffic congestion;
- Location and dimension of the proposed building(s) with significant consequences to the proposed development's design;
- 5. Potential positive or negative affects to the adjacent land uses;

Testimony on Bill 150-32 (COR) August 5, 2013 Page 2 of 2

- 6. Other considerations of other elements as reasonably related to the persistence and encouragement of protecting the health, safety and general welfare of the immediate community; and
- Public input particularly from adjacent property owners and the immediate community.

It is unfortunate that Bill No. 150-32 does not provide the information supportive of the appropriate assessment notwithstanding the agency's concurrence with its intent. Nonetheless, we are familiar with what infrastructure support is available in the *surrounding* area. On July 12, 2012, the Guam Land Use Commission deliberated on a conditional use permit request for nearby lot 5233-1 for the purpose of operating a retail store and business offices. This property is located approximately 377 feet from the subject lots.

Based on their findings, the GLUC determined that infrastructure was insufficient to support both uses, particularly the potential for an anticipated increase in traffic generated by the retail store. The Commission's action ended with an amended conditional use permit to allow business offices only. This decision was surmised with the understanding that business offices would have a lower impact as compared to general mercantile activities.

In a similar case, Bill 17-32 endorsed a conditional use permit for community meetings and cultural purposes on Tract 1413, property approximately ½ mile from Lots 2 and 3. We were unable to support the request citing lack of proper infrastructure and information to otherwise support needs as noted above.

With all due respect to the authority and powers granted to the *I Liheslaturan Guahan* to consider such proposals, the Department of Land Management is **unable to support this legislative proposal** and we suspect findings in the forthcoming Zoning Consideration Report will reflect compatible basis for our position.

In respect to potential impacts to our mandates as requested by the Bureau of Budget Management and Resources, passage of Legislative Bills 150-32 (COR) will not have any affects, thereof.

Senseramente.

TESTIMONY ON **BILL 150-32 (COR)**, AN ACT TO REZONE LOTS NOS. 2 AND 3 OF TRACT 1419, LOCATED IN THE MUNICIPALITY OF DEDEDO, FROM AGRICULTURE ZONE (A) TO COMMERCIAL ZONE (C).

Hafa Adai Senator Pangelinan,

Although BSP is a member of the Application Review Committee (ARC) of the Guam Land Use Commission (GLUC) and the process for zone changes through the ARC have been working effectively for years, we understand the need for the Guam Legislature to step in to move the process forward expeditiously on a case-by-case basis. Please accept our apologies for not being able to attend the public hearing scheduled for Bill 136 at 9:00am, Tuesday, August 6, 2013. We did not receive able notice to obtain proper documents and prepare for the public hearing. However, we appreciate this opportunity to offer written testimony on behalf of the Bureau of Statistics and Plans (BSP) addressing our concern on Bill 150 rezoning Lots 2 and 3 of Tract 1419 in Dededo from Agriculture to Commercial Zone.

Earlier this year, an application was reviewed by the ARC for landowner to construct a two story building to operate a retail store and storage on the first floor and provide office space on the second floor on the subject lot. Although BSP recommended approval on the application with some conditions to follow, the GLUC had concerns and only granted approval on the office space portion of the application. Note that BSP is only one of the members of the ARC providing technical assistance to GLUC to help determine its decision. We highly recommend that the landowner addresses all matters with GLUC rather than bypass it. With that, we cannot support this bill at this time. Thank you for your understanding.

Sincerely,

Lorilee T. Crisostomo

Comments:

1/ Should this proposed legislation become law, there is a potential of revenues through several factors: a) cost of a business license; b) cost of health inspections; c) Gross Receipt Taxes (GRT) from revenues generated through the newly established store; and d) increased cost of utilities for power and water (use of refrigerators/chillers for drinks, frozen foods, etc.). Due to the fact that the Mom-and-Pop store is proposed to utilize space in an existing building, there is no anticipated costs for a building permit. Assuming that the Mom-and-Pop store will generate \$50,000 of revenues per year, the Bureau estimates that \$2,000 for GRT (4% of revenues gained by the Mom-and-Pop store) and \$100 in the form of a business license will be received by the Department of Revenue and Taxation. Per the Department of Revenue and Taxation, there is no change to the building tax is a business establishment is utilizing the space of the building. The Bureau also estimates that \$290 will be received by the Department of Public Health and Social Services in the form of a sanitation permit. The cost of power and water would be dependant on usage of the Mom-and-Pop store, which payments will be received by Guam Power Authority and Guam Waterworks Authority respectively. If this proposed legislation becomes law, the total estimated cost impact to be received by the Government of Guam amounts to \$2,390 plus the cost of utilities. It should be noted that the Department of Laud Management is unable to support this legislative proposal based on the grounds of the lack of proper infrastructure and insufficient space in the surrounding area to support the anticipated increase in traffic generated by the proposed store.

Comments:

1/ Should this proposed legislation become law, there is a potential of revenues through several factors: a) cost of a business license; b) cost of health inspections; c) Gross Receipt Taxes (GRT) from revenues generated through the newly established store; and d) increased cost of utilities for power and water (use of refrigerators/chillers for drinks, frozen foods, etc.). Due to the fact that the Mom-and-Pop store is proposed to utilize space in an existing building, there is no anticipated costs for a building permit. Assuming that the Mom-and-Pop store will generate \$50,000 of revenues per year, the Bureau estimates that \$2,000 for GRT (4% of revenues gained by the Mom-and-Pop store) and \$100 in the form of a business license will be received by the Department of Revenue and Taxation. Per the Department of Revenue and Taxation, there is no change to the building tax is a business establishment is utilizing the space of the building. The Bureau also estimates that \$290 will be received by the Department of Public Health and Social Services in the form of a sanitation permit. The cost of power and water would be dependant on usage of the Mom-and-Pop store, which payments will be received by Guam Power Authority and Guam Waterworks Authority respectively. If this proposed legislation becomes law, the total estimated eost impact to be received by the Government of Guam amounts to \$2,390 plus the cost of utilities. It should be noted that the Department of Land Management is unable to support this legislative proposal based on the grounds of the lack of proper infrastructure and insufficient space in the surrounding area to support the anticipated increase in traffic generated by the proposed store.

AN ACT TO REZONE LOT NOS. 2 AND 3 OF TRACT 1419, LOCATED IN THE MUNICIPALITY OF DEDEDO, FROM AGRICULTURAL ZONE (A) TO COMMERCIAL ZONE (C).

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Findings and Intent. *I Liheslaturan Guåhan* finds that it is the desire of the owners of Lot Nos. 2 and 3 of Tract 1419, which fronts Tun Columbo St. (Alegeta Road) in Macheche, to own and operate a mom-and-pop store for the retail of food and other general merchandise.

I Liheslaturan Guåhan further finds that the owners propose to utilize the two thousand four hundred and fifty (2,450) square foot first floor of the existing two-story building located on the property for the operation of the convince store.

Therefore, to assist the owners in servicing those who live and commute the Macheche/Alegeta road vicinity, *I Liheslaturan Guåhan* intends to authorize the rezoning of the lots described herein for the operation of a mom-and-pop store.

Section 2. Lot Rezoning. Notwithstanding any other provisions of law, 13 Lot Nos. 2 and 3 of Tract 1419, containing an area of 1,861+/- square meters, 14 located in Macheche in the Municipality of Dededo, is hereby rezoned from 15 Agricultural Zone (A) to Commercial Zone (C).

Section 3. Effective Date. This provisions contained herein shall take effect immediately upon enactment of this Act.

SECTION 4. Severability. If any of the provisions of this Act or the application thereof to any person or circumstance is held invalid, such invalidity *shall* not affect any other provision or application of this Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are severable.
