17 traditional labor force. The continuing development of skilled manpower is
18 essential for individual self-realization and for an expanding industrial economy.
19 To these ends, it is the declared public policy of Guam to develop sound
20 apprenticeship training standards and to encourage industry and labor to institute
21 training programs.

22 (b) This chapter shall apply to a person, firm, corporation, or craft only after
23 such person, firm, corporation, or craft has voluntarily elected to conform with its
24 provisions, for the purpose of participating in Registered Apprenticeship.

13 Apprenticeship;

15 agreements;
- 16 (g) Bring about the settlement of difference arising out of the Apprenticeship
17 Agreement where the differences cannot be otherwise adjusted locally;

14 **program.**

15 (a) No apprenticeship program or agreement shall be eligible for registration
16 unless it conforms with §10205, Standards of Apprenticeship.

17 (b) Only an apprenticeship program or agreement that meets the following criteria
18 is eligible for Agency registration:

19 (1) It is in conformity with the requirements of this part and the training is in
20 an apprenticeable occupation having the characteristics set forth in §10204 of this
21 part; and

22 (2) It is in conformity with the requirements of the Department's regulation on
23 Equal Employment Opportunity in Apprenticeship and Training in 22 GCA 10,
24 Article 3.

25 (c) Except as provided under paragraph (d) of this section, apprentices must be
26 individually registered under a registered program. Such individual registration
27 may be affected:

1 (1) By filing copies of each individual apprenticeship agreement with the
2 Agency; or

3 (2) Subject to prior Agency approval, by filing a master copy of such
4 agreement followed by a listing of the name, and other required data, of each
5 individual when apprenticed.

6 (d) The names of persons in probationary employment as an apprentice under an
7 apprenticeship program registered by the Agency, if not individually registered
8 under such program, must be submitted within 45 days of employment to the
9 Agency for certification to establish the apprentice as eligible for such
10 probationary employment.

11 (e) The Agency must be notified within 45 days of persons who have successfully
12 completed apprenticeship programs; and of transfers, suspensions, and
13 cancellations of apprenticeship agreements and a statement of the reasons
14 therefore.

15 (f) Apprenticeship programs approved by the Agency must be accorded
16 registration and/or approval evidenced by a Certificate of Registration.

17 (g) Applications for new programs that the Agency determines meet the required
18 standards for program registration must be given provisional approval for a period
19 of 1 year. The Agency must review all new programs for quality and for
20 conformity with the requirements of this part at the end of the first year after
21 registration. At that time:

22 (1) a program that conforms with the requirements of this part:

23 (i) may be made permanent; or

24 (ii) may continue to be provisionally approved through the first full
25 training cycle.

26 (2) a program not in operation or not conforming to the regulations during the
27 provisional approval period must be recommended for deregistration procedures.

1 (h) The Agency must review all programs for quality and for conformity with the
2 requirements of this part at the end of the first full training cycle. A satisfactory
3 review of a provisionally approved program will result in conversion of provisional
4 approval to permanent registration. Subsequent reviews must be conducted no less
5 frequently than every five years. Programs not in operation or not conforming to
6 the regulations must be recommended for deregistration procedures.

7 (i) Any sponsor proposals or applications for modification(s) or change(s) to
8 registered programs must be submitted to the Agency. The Agency must make a
9 determination on whether to approve such submissions within 90 days from the
10 date of receipt. If approved, the modification(s) or change(s) will be recorded and
11 acknowledged within 90 days of approval as an amendment to such program. If
12 not approved, the sponsor must be notified of the disapproval and the reasons
13 therefore and provided the appropriate technical assistance.

14 (j) Under a program proposed for registration by an employer or employers'
15 association, where the standards, collective bargaining agreement or other
16 instrument provides for participation by a union in any manner in the operation of
17 the substantive matters of the apprenticeship program, and such participation is
18 exercised, written acknowledgement of union agreement or no objection to the
19 registration is required. Where no such participation is evidenced and practiced, the
20 employer or employers' association must simultaneously furnish to an existing
21 union, which is the collective bargaining agent of the employees to be trained, a
22 copy of its application for registration and of the apprenticeship program. The
23 Agency must provide for receipt of union comments, if any, within 45 days before
24 final action on the application for registration and/or approval.

25 (k) Where the employees to be trained have no collective bargaining agreement, an
26 apprenticeship program may be proposed for registration by an employer or group
27 of employers, or an employer association.

1 **§10204. Criteria for apprenticeable occupations.**

2 An apprenticeable occupation is one which is specified by industry and which
3 must:

4 (a) Involve skills that are customarily learned in a practical way through a
5 structured, systematic program of on-the-job supervised learning;

6 (b) Be clearly identified and commonly recognized throughout an industry;

7 (c) Involve the progressive attainment of manual, mechanical or technical skills
8 and knowledge which, in accordance with the industry standard for the occupation,
9 would require the completion of at least 2,000 hours of on-the-job learning to
10 attain; and

11 (d) Require related instruction to supplement the on-the-job learning.

12 **§10205. Standards of apprenticeship.**

13 An apprenticeship program, to be eligible for approval and registration by the
14 Agency, must conform to the following standards:

15 (a) The program must have an organized, written plan (program standards)
16 embodying the terms and conditions of employment, training, and supervision of
17 one or more apprentices in an apprenticeable occupation, as defined in this part,
18 and subscribed to by a sponsor who has undertaken to carry out the apprentice
19 training program.

20 (b) The program standards must contain provisions that address:

21 (1) The employment and training of the apprentice in a skilled occupation.

22 (2) The term of apprenticeship, which for an individual apprentice may be
23 measured either through the completion of the industry standard for on-the-job
24 learning (at least 2,000 hours) (time-based approach), the attainment of
25 competency (competency-based approach), or a blend of the time-based and
26 competency-based approaches (hybrid approach).

1 (i) The time-based approach measures skill acquisition through the
2 individual apprentice's completion of at least 2,000 hours of on-the-job learning as
3 described in a work process schedule.

4 (ii) The competency-based approach measures skill acquisition through the
5 individual apprentice's successful demonstration of acquired skills and knowledge,
6 as verified by the program sponsor. Programs utilizing this approach must still
7 require apprentices to complete an on-the-job learning component of Registered
8 Apprenticeship. The program standards must address how on-the-job learning will
9 be integrated into the program, describe competencies, and identify an appropriate
10 means of testing and evaluation for such competencies.

11 (iii) The hybrid approach measures the individual apprentice's skill
12 acquisition through a combination of specified minimum number of hours of on-
13 the-job learning and the successful demonstration of competency as described in a
14 work process schedule.

15 (iv) The determination of the appropriate approach for the program
16 standards is made by the program sponsor, subject to approval by the Agency of
17 the determination as appropriate to the apprenticeable occupation for which the
18 program standards are registered.

19 (3) An outline of the work processes in which the apprentice will receive
20 supervised work experience and training on the job, and the allocation of the
21 approximate amount of time to be spent in each major process.

22 (4) Provision for organized, related instruction in technical subjects related to
23 the occupation. A minimum of 144 hours for each year of apprenticeship is
24 recommended. This instruction in technical subjects may be accomplished through
25 media such as classroom, occupational or industry courses, electronic media, or
26 other instruction approved by the Agency. Every apprenticeship instructor must:

1 (i) Meet the Guam Department of Education's requirements for a
2 vocational-technical instructor, or be a subject matter expert, which is an
3 individual, such as a journeyworker, who is recognized within an industry as
4 having expertise in a specific occupation; and

5 (ii) Have training in teaching techniques and adult learning styles, which
6 may occur before or after the apprenticeship instructor has started to provide the
7 related technical instruction.

8 (5) A progressively increasing schedule of wages to be paid to the apprentice
9 consistent with the skill acquired. The entry wage must not be less than the
10 minimum wage prescribed by the Fair Labor Standards Act, where applicable,
11 unless a higher wage is required by other applicable Federal law, State law,
12 respective regulations, or by collective bargaining agreement.

13 (6) Periodic review and evaluation of the apprentice's performance on the job
14 and in related instruction; and the maintenance of appropriate progress records.

15 (7) A numeric ratio of apprentices to journeyworkers consistent with proper
16 supervision, training, safety, and continuity of employment, and applicable
17 provisions in collective bargaining agreements, except where such ratios are
18 expressly prohibited by the collective bargaining agreements. The ratio language
19 must be specific and clearly described as to its application to the job site,
20 workforce, department or plant.

21 (8) A probationary period reasonable in relation to the full apprenticeship term,
22 with full credit given for such period toward completion of apprenticeship. The
23 probationary period cannot exceed 25 percent of the length of the program, or 1
24 year, whichever is shorter.

25 (9) Adequate and safe equipment and facilities for training and supervision,
26 and safety training for apprentices on the job and in related instruction.

1 (10)The minimum qualifications required by a sponsor for persons entering the
2 apprenticeship program, with an eligible starting age not less than 16 years.

3 (11)The placement of an apprentice under a written Apprenticeship Agreement
4 that meets the requirements of §10207. The agreement must directly, or by
5 reference, incorporate the standards of the program as part of the agreement.

6 (12)The granting of advanced standing or credit for demonstrated competency,
7 acquired experience, training, or skills for all applicants equally, with
8 commensurate wages for any progression step so granted.

9 (13)The transfer of an apprentice between apprenticeship programs and within
10 an apprenticeship program must be based on agreement between the apprentice and
11 the affected apprenticeship committees or program sponsors, and must comply
12 with the following requirements:

13 (i) The transferring apprentice must be provided a transcript of related
14 instruction and on-the-job learning by the committee or program sponsor;

15 (ii) Transfer must be to the same occupation; and

16 (iii) A new apprenticeship agreement must be executed when the transfer
17 occurs between program sponsors.

18 (14)Assurance of qualified training personnel and adequate supervision on the
19 job.

20 (15)Recognition for successful completion of apprenticeship evidenced by an
21 appropriate certificate issued by the Agency.

22 (16)Program standards that utilize the competency-based or hybrid approach for
23 progression through an apprenticeship and that choose to issue interim credentials
24 must clearly identify the interim credentials, demonstrate how these credentials
25 link to the components of the apprenticeable occupation, and establish the process
26 for assessing an individual apprentice's demonstration of competency associated
27 with the particular interim credential. Further, interim credentials must only be

1 issued for recognized components of an apprenticeable occupation, thereby linking
2 interim credentials specifically to the knowledge, skills, and abilities associated
3 with those components of the apprenticeable occupation.

4 (17) Identification of the Agency.

5 (18) Provision for the registration, cancellation and deregistration of the
6 program; and for the prompt submission of any program standard modification or
7 amendment to the Agency for approval.

8 (19) Provision for registration of apprenticeship agreements, modifications, and
9 amendments; notice to the Agency of persons who have successfully completed
10 apprenticeship programs; and notice of transfers, suspensions, and cancellations of
11 apprenticeship agreements and a statement of the reasons therefore.

12 (20) Authority for the cancellation of an apprenticeship agreement during the
13 probationary period by either party without stated cause; cancellation during the
14 probationary period will not have an adverse impact on the sponsor's completion
15 rate.

16 (21) Compliance with 22 GCA 10, Article 3, including the equal opportunity
17 pledge prescribed in 22 GCA §10303(b); an affirmative action plan complying
18 with 22 GCA §10304; and a method for the selection of apprentices authorized by
19 22 GCA §10306. The apprenticeship standards must also include a statement that
20 the program will be conducted, operated and administered in conformity with
21 applicable provisions of 22 GCA 10, Article 3.

22 (22) Contact information (name, address, telephone number, and e-mail address
23 if appropriate) for the appropriate individual with authority under the program to
24 receive, process and make disposition of complaints.

25 (23) Recording and maintenance of all records concerning apprenticeship as
26 may be required by the Agency and other applicable law.

27 **§10206. Program performance standards.**

(a) Every registered apprenticeship program must have at least one registered apprentice, except for the following specified periods of time, which may not exceed 1 year:

(1) Between the date when a program is registered and the date of registration for its first apprentice(s); or

(2) Between the date that a program graduates an apprentice and the date of registration for the next apprentice(s) in the program.

(b) The Agency must evaluate performance of registered apprenticeship programs.

(1) The tools and factors to be used must include, but are not limited to:

(i) Quality assurance assessments;

(ii) Equal Employment Opportunity (EEO) Compliance Reviews; and

(iii) Completion rates.

(2) Any additional tools and factors used by the Agency in evaluating program performance must adhere to the goals and policies of the Department articulated in this part and in guidance issued by the Office of Apprenticeship.

(c) In order to evaluate completion rates, the Agency must review a program's completion rates in comparison to the national average for completion rates. Based on the review, the Agency must provide technical assistance to programs with completion rates lower than the national average.

(d) Cancellation of apprenticeship agreements during the probationary period will not have an adverse impact on a sponsor's completion rate.

§10207. Apprenticeship agreement.

The apprenticeship agreement must contain, explicitly or by reference:

(a) Names and signatures of the contracting parties (apprentice, and the program sponsor or employer), and the signature of a parent or guardian if the apprentice is a minor.

1 (b) The date of birth and, on a voluntary basis, Social Security number of the
2 apprentice.

3 (c) Contact information of the Program Sponsor and Agency.

4 (d) A statement of the occupation in which the apprentice is to be trained, and the
5 beginning date and term (duration) of apprenticeship.

6 (e) A statement showing:

7 (1) The number of hours to be spent by the apprentice in work on the job in a
8 time-based program; or a description of the skill sets to be attained by completion
9 of a competency-based program, including the on-the-job learning component; or
10 the minimum number of hours to be spent by the apprentice and a description of
11 the skill sets to be attained by completion of hybrid program; and

12 (2) The number of hours to be spent in related instruction in technical subjects
13 related to the occupation, which is recommended to be not less than 144 hours per
14 year.

15 (f) A statement setting forth a schedule of the work processes in the occupation or
16 industry divisions in which the apprentice is to be trained and the approximate time
17 to be spent at each process.

18 (g) A statement of the graduated scale of wages to be paid to the apprentice and
19 whether or not the required related instruction is compensated.

20 (h) Statements providing:

21 (1) For a specific period of probation during which the apprenticeship
22 agreement may be cancelled by either party to the agreement upon written notice to
23 the Agency, without adverse impact on the sponsor.

24 (2) That, after the probationary period, the agreement may be:

25 (i) Cancelled at the request of the apprentice, or

(ii) Suspended or cancelled by the sponsor, for good cause, with due notice to the apprentice and a reasonable opportunity for corrective action, and with written notice to the apprentice and to the Agency of the final action taken.

(i) A reference incorporating as part of the agreement the standards of the apprenticeship program as they exist on the date of the agreement and as they may be amended during the period of the agreement.

(j) A statement that the apprentice will be accorded equal opportunity in all phases of apprenticeship employment and training, without discrimination because of race, color, religion, national origin, or sex.

(k) Contact information (name, address, phone, and e-mail if appropriate) of the appropriate authority designated under the program to receive, process and make disposition of controversies or differences arising out of the apprenticeship agreement when the controversies or differences cannot be adjusted locally or resolved in accordance with the established procedure or applicable collective bargaining provisions.

§10208. Deregistration of a registered program.

Deregistration of a program may be effected upon the voluntary action of the sponsor by submitting a request for cancellation of the registration in accordance with paragraph (a) of this section, or upon reasonable cause, by the Agency instituting formal deregistration proceedings in accordance with paragraph (b) of this section.

(a) Deregistration at the request of the sponsor. The Agency may cancel the registration of an apprenticeship program by written acknowledgment of such request stating the following:

(1) The registration is cancelled at the sponsor's request, and the effective date thereof;

1 (2) That, within 15 days of the date of the acknowledgment, the sponsor will
2 notify all apprentices of such cancellation and the effective date; that such
3 cancellation automatically deprives the apprentice of individual registration; that
4 the deregistration of the program removes the apprentice from coverage for Federal
5 purposes which require the Secretary's approval of an apprenticeship program, and
6 that all apprentices are referred to the Agency for information about potential
7 transfer to other registered apprenticeship programs.

8 (b) Deregistration by the Agency upon reasonable cause.

9 (1)(i) Deregistration proceedings may be undertaken when the apprenticeship
10 program is not conducted, operated, or administered in accordance with the
11 program's registered provisions or with the requirements of this part, including not
12 but limited to: failure to provide on-the-job learning; failure to provide related
13 instruction; failure to pay the apprentice a progressively increasing schedule of
14 wages consistent with the apprentices skills acquired; or persistent and significant
15 failure to perform successfully. Deregistration proceedings for violation of equal
16 opportunity requirements must be processed in accordance with the provisions
17 under 22 GCA 10, Article 3.

18 (ii) For purposes of this section, persistent and significant failure to
19 perform successfully occurs when a program sponsor consistently fails to register
20 at least one apprentice, shows a pattern of poor quality assessment results over a
21 period of several years, demonstrates an ongoing pattern of very low completion
22 rates over a period of several years, or shows no indication of improvement in the
23 areas identified by the Agency during a review process as requiring corrective
24 action.

25 (2) Where it appears the program is not being operated in accordance with the
26 registered standards or with requirements of this part, the Agency must notify the
27 program sponsor in writing.

1 (3) The notice sent to the program sponsor's contact person must:

2 (i) Be sent by registered or certified mail, with return receipt requested;

3 (ii) State the shortcoming(s) and the remedy required; and

4 (iii) State that a determination of reasonable cause for deregistration will be
5 made unless corrective action is effected within 30 days.

6 (4) Upon request by the sponsor for good cause, the 30-day term may be
7 extended for another 30 days. During the period for corrective action, the Agency
8 must assist the sponsor in every reasonable way to achieve conformity.

9 (5) If the required correction is not effected within the allotted time, the
10 Agency must send a notice to the sponsor, by registered or certified mail, return
11 receipt requested, stating the following:

12 (i) The notice is sent under this paragraph;

13 (ii) Certain deficiencies were called to the sponsor's attention (enumerating
14 them and the remedial measures requested, with the dates of such occasions and
15 letters), and that the sponsor has failed or refused to effect correction;

16 (iii) Based upon the stated deficiencies and failure to remedy them, a
17 determination has been made that there is reasonable cause to deregister the
18 program and the program may be deregistered unless, within 15 days of the receipt
19 of this notice, the sponsor requests a hearing with the Agency; and

20 (iv) If the sponsor does not request a hearing, the entire matter will be
21 submitted to the Administrator, for a decision on the record with respect to
22 deregistration.

23 (6) If the sponsor does not request a hearing, the Agency will transmit to the
24 Administrator a report containing all pertinent facts and circumstances concerning
25 the nonconformity, including the findings and recommendation for deregistration,
26 and copies of all relevant documents and records. Statements concerning
27 interviews, meetings and conferences will include the time, date, place, and

1 persons present. The Administrator will make a final order on the basis of the
2 record presented.

3 (7) If the sponsor requests a hearing, the Agency shall prepare and transmit to
4 the Administrator a report containing all the data listed in paragraph (b)(6) of this
5 section, and the Administrator will refer the matter to the Office of Administrative
6 Law Judges. An Administrative Law Judge will convene a hearing in accordance
7 with §10210, and issue a decision as required in §10210(c).

8 (8) Every order of deregistration must contain a provision that the sponsor
9 must, within 15 days of the effective date of the order, notify all registered
10 apprentices of the deregistration of the program; the effective date thereof; that
11 such cancellation automatically deprives the apprentice of individual registration;
12 that the deregistration removes the apprentice from coverage for Federal purposes
13 which require the Director's approval of an apprenticeship program; and that all
14 apprentices are referred to the Agency for information about potential transfer to
15 other registered apprenticeship programs.

16 **§10209. Reinstatement of program registration.**

17 Any apprenticeship program deregistered under §10208 may be reinstated upon
18 presentation of adequate evidence that the apprenticeship program is operating in
19 accordance with this part. Such evidence must be presented to the Agency.

20 **§10210. Hearings for deregistration.**

21 (a) Within 10 days of receipt of a request for a hearing, the Administrator of the
22 Office of Apprenticeship must contact the Office of Administrative Law Judges to
23 request the designation of an Administrative Law Judge to preside over the
24 hearing. The Administrative Law Judge shall give reasonable notice of such
25 hearing by registered mail, return receipt requested, to the appropriate sponsor.
26 Such notice will include:

27 (1) A reasonable time and place of hearing;

1 (2) A statement of the provisions of this part pursuant to which the hearing is
2 to be held; and

3 (3) A concise statement of the matters pursuant to which the action forming the
4 basis of the hearing is proposed to be taken.

5 (b) The procedures contained in 29 CFR part 18 will apply to the disposition of the
6 request for hearing except that:

7 (1) The Administrative Law Judge will receive, and make part of the record,
8 documentary evidence offered by any party and accepted at the hearing. Copies
9 thereof will be made available by the party submitting the documentary evidence
10 to any party to the hearing upon request.

11 (2) Technical rules of evidence will not apply to hearings conducted pursuant
12 to this part, but rules or principles designed to assure production of the most
13 credible evidence available and to subject testimony to test by cross-examination
14 will be applied, where reasonably necessary, by the hearing conducting the
15 hearing. The hearing officer may exclude irrelevant, immaterial, or unduly
16 repetitious evidence.

17 (c) The Administrative Law Judge should issue a written decision within 90 days
18 of the close of the hearing record. The Administrative Law Judge's decision
19 constitutes final agency action unless, within 15 days from receipt of the decision,
20 a party dissatisfied with the decision files a petition for judicial review with the
21 Administrative Review Board, specifically identifying the procedure, fact, law or
22 policy to which exception is taken. Any exception not specifically urged is
23 deemed to have been waived. A copy of the petition for judicial review must be
24 sent to the opposing party at the same time. Thereafter, the decision of the
25 Administrative Law Judge remains final agency action unless the Administrative
26 Review Board, within 30 days of the filing of the petition for review, notifies the
27 parties that it has accepted the case for review. The Administrative Review Board

1 may set a briefing schedule or decide the matter on the record. The Administrative
2 Review Board must decide any case it accepts for judicial review within 180 days
3 of the close of the record. If not so decided, the Administrative Law Judge's
4 decision constitutes final agency action.

5 **§10211. Limitations.**

6 Nothing in this part or in any apprenticeship agreement will operate to invalidate:

7 (a) Any apprenticeship provision in any collective bargaining agreement
8 between employers and employees establishing higher apprenticeship standards; or

9 (b) Any special provision for veterans, minority persons, or women in the
10 standards, apprentice qualifications or operation of the program, or in the
11 apprenticeship agreement, which is not otherwise prohibited by law, Executive
12 Order, or authorized regulation.

13 **§10212. Complaints.**

14 (a) This section is not applicable to any complaint concerning discrimination or
15 other equal opportunity matters; all such complaints must be submitted, processed
16 and resolved in accordance with applicable provisions in 22 GCA 10, Article 3.

17 (b) Except for matters described in paragraph (a) of this section, any controversy or
18 difference arising under an apprenticeship agreement which cannot be adjusted
19 locally and which is not covered by a collective bargaining agreement, may be
20 submitted by an apprentice, or the apprentice's authorized representative, to the
21 Agency, which has registered and/or approved the program in which the apprentice
22 is enrolled, for review. Matters covered by a collective bargaining agreement are
23 not subject to such review.

24 (c) The complaint must be in writing and signed by the complainant, or authorized
25 representative, and must be submitted within 60 days of the final decision. It must
26 set forth the specific matter(s) complained of, together with relevant facts and

1 circumstances. Copies of pertinent documents and correspondence must
2 accompany the complaint.

3 (d) The Agency as appropriate will render an opinion within 90 days after receipt
4 of the complaint, based upon such investigation of the matters submitted as may be
5 found necessary, and the record before it. During the 90-day period, the Agency
6 will make reasonable efforts to effect a satisfactory resolution between the parties
7 involved. If so resolved, the parties will be notified that the case is closed. Where
8 an opinion is rendered, copies will be sent to all interested parties.

9 (e) Nothing in this section precludes an apprentice from pursuing any other remedy
10 authorized under another Federal, State, or local law.

11 **§10213. Reciprocity.**

12 The Agency will accord reciprocal approval for Federal purposes to apprentices,
13 apprenticeship programs and standards that are registered in other States by the
14 Office of Apprenticeship (OA) or a State Apprenticeship Agency recognized by
15 OA, if such reciprocity is requested by the apprenticeship program sponsor.
16 Program sponsors seeking reciprocal approval must meet the wage and hour
17 provisions and apprentice ratio standards of the reciprocal State.

- 27 apprenticeship programs, for processing complaints, and for deregistering non-

1 complying apprenticeship programs. The purpose of this plan is to promote
2 equality of opportunity in apprenticeship by prohibiting discrimination based on
3 race, color, religion, national origin, or sex in apprenticeship programs, by
4 requiring affirmative action to provide equal opportunity in such apprenticeship
5 programs, and by coordinating this plan with other equal opportunity programs.

6 The U.S. Department of Labor has the authority to conduct compliance reviews
7 and complaint investigations to determine whether this plan is administered in
8 accordance with federal regulations.

2 (a) *Obligations of sponsors.* Each sponsor of an apprenticeship program shall:

3 (1) Recruit, select, employ, and train apprentices during their apprenticeship,
4 without discrimination because of race, color, religion, national origin, or sex; and,

5 (2) Uniformly apply rules and regulations concerning apprentices,
6 including but not limited to, equality of wages, periodic advancement, promotion,
7 assignment of work, job performance, rotation among all work processes of the
8 trade, imposition of penalties or other disciplinary action, and all other aspects of
9 the apprenticeship program administration by the program sponsor; and,

10 (3) Take affirmative action to provide equal opportunity in apprenticeship,
11 including adoption of an affirmative action plan as required by this plan.

12 (4) The Sponsor will provide equal employment opportunity in
13 apprenticeship, and the apprenticeship program shall be operated as required under
14 22 Guam Code Annotated (GCA) 10, Article 2.

15 (b) *Equal opportunity pledge.* Each sponsor of an apprenticeship program shall
16 include in its standards the following equal opportunity pledge: "***The recruitment,***

18 ***shall be without discrimination because of*** race, color, religion, national origin, or
19 sex. ***The sponsor will take affirmative action to provide equal opportunity in***
20 ***apprenticeship and will operate the apprenticeship program as required under 22***
21 ***GCA 10, Article 3.***"

22 (c) *Programs presently registered.* Each sponsor of a program registered with
23 the Agency as of the effective date of this plan shall within 90 days of the effective
24 date take the following action:

25 (1) Include in the standards of its apprenticeship program the equal
26 opportunity pledge prescribed in subsection (b); of this section;

27 (2) Adopt an affirmative action plan required by §10304; and

(3) Adopt a selection procedure required by §10306. A sponsor adopting a selection method under §10307, 10308 or 10309 shall prepare, and have available for submission upon request, copies of its amended standards, affirmative action plans, and selection procedure. A sponsor adopting a selection method under §10310 shall submit to the Agency copies of its standards, affirmative action plan and selection procedure in accordance with the requirements of that section.

(d) *Sponsors seeking new registration.* A sponsor of a program seeking new registration with the Agency shall submit copies of its proposed standards, affirmative action plan, selection procedures, under control number 1205-0224 [43 FR 20760, May 12, 1978, as amended at 49 FR information as may be required]. The program shall be registered if such standards, affirmative action plan, and selection procedure meet the requirements of this plan.

(e) *Programs subject to approved equal employment opportunity programs.* A sponsor shall not be required to adopt an affirmative action plan under §10304 or a selection procedure under §10306 if it submits to the Agency satisfactory evidence that it is in compliance with an equal employment opportunity program providing for the selection of apprentices and for affirmative action in apprenticeship including goals and timetables for women and minorities which has been approved as meeting the requirements of Title VII of the Civil Rights Act of 1964, as amended and its implementing regulations published in 29 CFR, Chapter XIV (Equal Employment Opportunity Commission Rules and Regulations) or Executive Order 11246, as amended, and its implementing regulations of 41 CFR, Chapter 60. Provided, that programs approved, modified or renewed subsequent to the effective date of this amendment will qualify for this exception only if the goals and timetables for minorities and women for the selection of apprentices provided for in such programs are equal to or greater than the goals required under this plan.

1 (f) *Program with fewer than five apprentices.* A sponsor of a program in which
2 fewer than five apprentices are indentured shall not be required to adopt an
3 affirmative action plan under §10304 or a selection procedure under §10306,
4 provided that such a program was not adopted to circumvent the requirements of
5 this plan.

6 **§10304. Affirmative Action Plans.**

7 (a) *Adoption of affirmative action plans.* A sponsor's commitment to equal
8 opportunity in the recruitment, selection, employment, and training of apprentices
9 shall include the adoption of a written affirmative action plan.

10 (b) *Definition of affirmative action.* Affirmative action is not mere passive
11 nondiscrimination. It includes procedures, methods, and programs for the
12 identification, positive recruitment, training, and motivation of present and
13 potential minority and female (minority and nonminority) apprentices, including
14 the establishment of goals and timetables. It is action which will equalize
15 opportunity in apprenticeship so as to allow full utilization of the work potential of
16 minorities and women. The overall result to be sought is equal opportunity in
17 apprenticeship for all individuals participating in or seeking entrance to the
18 Nation's labor force.

19 (c) *Outreach and positive recruitment.* An acceptable affirmative action plan
20 must also include adequate provision for outreach and positive recruitment that
21 would reasonably be expected to increase minority and female participation in
22 apprenticeship by expanding the opportunity of minorities and women to become
23 eligible for apprenticeship selection. In order to achieve these objectives, sponsors
24 shall undertake activities such as those listed below. It is not contemplated that
25 each sponsor necessarily will include all the listed activities in its affirmative
26 action program. The scope of the affirmative action program will depend on all the
27 circumstances including the size and type of the program and its resources.

1 However, the sponsor shall be required to undertake a significant number of
2 appropriate activities in order to enable it to meet its obligations under this plan.
3 The affirmative action plan shall set forth the specific steps the sponsor intends to
4 take in the areas listed below. Whenever special circumstances warrant, the
5 Agency may provide such financial or other assistance as it deems necessary to
6 implement the requirements of this paragraph.

7 (1) Dissemination of information concerning the nature of the
8 apprenticeship, requirements for admission to apprenticeship, availability of
9 apprenticeship opportunities, sources of apprenticeship applications, and the equal
10 opportunity policy of the sponsor. For programs accepting applications only at
11 specific intervals, such information shall be disseminated at least 30 days in
12 advance of the earliest date for application at each interval. For programs
13 customarily receiving applications throughout the year, such information shall be
14 regularly disseminated but not less than semiannually. Such information shall be
15 given to the Agency, local schools, employment service offices, women's centers,
16 outreach programs, and community organizations which can effectively reach
17 minorities and women, and shall be published in newspapers which are circulated
18 in the minority community and among women, as well as in the general areas in
19 which the program sponsor operates.

20 (2) Participation in annual workshops conducted by the Agency's One Stop
21 Career Center and the Agency's quarterly labor clinics for the purpose of
22 familiarizing school, employment service, and other appropriate personnel with the
23 apprenticeship system and current opportunities therein;

24 (3) Cooperation with the state department of education, local school boards
25 and vocational education systems Guam Department of Education, the local school
26 board and the Guam Community College to develop programs for preparing

1 students to meet the standards and criteria required to qualify for entry into
2 apprenticeship programs.

3 (4) Internal communication of the sponsor's equal opportunity policy in
4 such a manner as to foster understanding, acceptance, and support among the
5 sponsor's various officers, supervisors, employees, and members and to encourage
6 such persons to take the necessary action to aid the sponsor in meeting its
7 obligations under this plan.

8 (5) Engaging in programs such as outreach for the positive recruitment and
9 preparation of potential applicants for apprenticeships; where appropriate and
10 feasible, such programs shall provide for pretesting experience and training. If no
11 such programs are in existence, the sponsor shall seek to initiate these programs,
12 or, when available, to obtain financial assistance from the Agency. In initiating
13 and conducting these programs, the sponsor may be required to work with other
14 sponsors and appropriate community organizations. The sponsor shall also initiate
15 programs to prepare women and encourage women to enter traditionally male
16 programs.

17 (6) To encourage the establishment and utilization of programs of pre-
18 apprenticeship, preparatory trade training, or others designed to afford related work
19 experience or to prepare candidates for apprenticeship, a sponsor shall make
20 appropriate provision in its affirmative action plan to assure that those who
21 complete such programs are afforded full and equal opportunity for admission into
22 the apprenticeship program.

23 (7) Utilization of journeypersons to assist in the implementation of the
24 sponsor's affirmative action program.

25 (8) Granting advance standing or credit on the basis of previously acquired
26 experience, training, skills, or aptitude for all applicants equally.
